## TOWN WRECKING BY-LAW UPHELD

Richmond Hill's famous "wrecking" bylaw which has been the storm centre of considerable controversy in recent weeks was upheld in judgment given by Justice Makins in Osgoode Hall last Friday. The judgement states that the municipality was within its rights in passing such a by-law and that it was quite proper in its form, according to town solicitor B. B. Jordan who reported the judgment to council Monday. The action taken by Mr. Parisi of Paris Auto Supply to have the by-law quashed was dismissed in favor of the municipality of Richmond Hill with costs if demanded. As the by-law stands it is illegal to wreck cars within the municipality but it is quite lawful to sell the used parts provided cars from which parts are taken are not wrecked here.

## King George VI Received Works of Local Author

William Guy Carr of Richmond Hill was singularly honored during the recent Royal visit by having his three books accepted by His Majesty King George VI. The books "By Guess and By God", "Hell's Angels of the Deep" and "Brass Hats and Bell Bottomed Trousers" were all specially bound in finest leather and presented to His Majesty on the Royal Train.

"By Guess and By God" deals with the heroic deeds of the British submarine service during the war. It was in this service that Mr. Carr served during the Great War.

"Hell's Angels of the Deep" is Mr. Carr's autobiography and "Brass Hats and Bell Bottomed Trousers" is his latest work and records the thrilling adventures of officers and men from the outbreak of war to the Battle of Jutland, who served in the famous "Harwich Striking Forces" of the British navy.

A copy of the letter received from His Majesty's assistant private secretary follows:

THE ROYAL TRAIN  
Canada

6th June 1939.

Dear Mr. Carr,  
Their Majesties have asked me to thank you sincerely for your letter of May 29th, and for the three volumes of your works which you have been so kind as to send for the King's acceptance.

His Majesty is glad to accept them, and they will be taken back to England with us.

Yours sincerely,  
Sd. M. E. Adeane,  
Assistant Private Secretary,  
William Guy Carr Esq.

## SOFTBALL NOTES

### Richmond Hill Wins 4th Straight Game

Playing in Aurora on Tuesday night of this week Richmond Hill defeated Aurora by a score of 9-7 in a rather listless game of ball. Both teams were playing under form shown in recent games and several errors were made on both sides.

Sutton played here last Thursday night and came out on the short end of a 4-2 score. Milroy for Sutton and Stong for Richmond Hill pitched steady ball throughout and were supported by very near errorless ball with the score fairly indicating the margin of play.

Having won four out of five games played to date Richmond Hill are now leading the league by one game over Newmarket and Sutton, who are tied for second place.

League Standing	P	W	L	T	Pts
Richmond Hill	5	4	1	0	8
Newmarket	5	3	2	0	6
Sutton	5	3	2	0	6
Aurora	4	2	2	0	4
King City	5	0	5	0	0

The lowly King City team will supply the opposition next Tuesday night and aided by a Chinese pitcher should prove more powerful than in their first meeting with the local club.

## The Highways Minister Promises Consideration To Deputation Suggestions

Will Have Engineers Report On  
Advisability of Third Lane On  
West Side of Yonge Street

At the special meeting of council Monday morning Reeve Greene reported that he had accompanied the delegation appearing before Hon. T. B. McQueen, Minister of Highways for Ontario asking that the traffic bottle-neck on Yonge Street be eliminated. He stated that the Minister did not commit the government to any plan but assured the delegation that their suggestion of a third lane on the west side of the road would have the careful attention of department engineers.

Referring to a statement appearing in the Toronto press of councillor Dr. Henderson of Aurora to the effect that Richmond Hill was the only stumbling block to a new highway or in other words "the plug in the bottle-neck" Reeve Greene declined to make any comment. "We have nothing to say, we will let it die a natural death," he said. Reeve Greene was the only representative from the southern section or those directly concerned in the radials in attendance with the deputation.

## Annual Festival at Buttonville Wednesday

All roads lead to Buttonville next Wednesday evening, June 28 when the annual Garden Party and Strawberry Festival will be held under the auspices of the Women's Institute. The event will be held on the beautiful grounds of David Brown, two miles north of number 7 highway on the fourth concession of Markham. The Buttonville ladies over a period of years have won an enviable reputation for providing a fine supper and those who pass up the festival next Wednesday will miss a real treat.

Following the supper, Maple Dramatic Club will present the three-act comedy drama "An Adopted Cinderella". Supper will be served from 5 until 8 p.m. Admission to supper and concert, adults 35c., children 20c.

## SPECIAL CONSTABLE FOR TRAFFIC DUTY ON SUNDAY

At a special meeting of council on Monday morning the question of traffic control on Sundays between 12 and 1 o'clock in the afternoon at Centre and Yonge Streets was discussed. A letter had been received from the United Church board asking that a uniformed constable be stationed there at that time to assist children crossing the street. Reeve Greene suggested that a special constable in uniform be appointed to handle the traffic at that time. Markers will be placed alongside the road asking motorists to slow down at the crossing lanes.

## RADIALS SHOW PROFIT FOR MAY

The operating report of the North Yonge radials for the month of May shows an operating profit of \$656.32 as compared with a profit of \$664 in the same month in 1938. Passenger revenue for the month this year was \$6,483.57, an increase of \$207 over last year, but an increase in operating costs made the profit a little less than for May 1938.

## TENNIS COURTS TO OFFICIALLY OPEN NEXT WEDNESDAY

## VICTORIA SQUARE NEWSY NOTES

Well, the Anniversary Services of the Victoria Square Sunday School last Sunday were of a very high order. The Rev. Clarke Lawson of Simpson Avenue United Church preached at both services and his sermons were much enjoyed. Also were the contributions in music by his wife, as soloist, his daughters as violinists and a Miss Elliston from Winnipeg. The Misses Lawson with Miss Elliston were the violinists of the University in Winnipeg until Dr. Lawson came to Toronto a year ago. A keen interest was taken in the coming of Dr. Lawson since his father was born and spent his boyhood years here and Dr. Clarke as a result, visited here with his grandparents when he was a boy. Our grateful thanks are extended to him and his family for their contributions toward the success of the day. No little credit is due Mr. Ed. Brown of Dunbarton for contributions of flowers and arrangement of them for Sunday.

Mr. and Mrs. Lorne Perkins and Audrey were guests of Mrs. Perkins' parents on Sunday. The Woman's Association will hold their regular monthly meeting on Thursday evening, June 22nd at 8 o'clock at the home of Mrs. Harold Mortson. Mrs. Bigford, of Maple will address the meeting. Her talk will be on her recent trip to the World's Fair in New York.

Mt. Pisgah baseball team of the Young People's Union visited Victoria Square on Tuesday evening to play them a game. The score was 12-10 in favour of the visiting team.

Mrs. Neill of Richmond Hill accompanied by Mr. and Mrs. Coulter were guests of Mr. and Mrs. Harold Mortson on Sunday.

Sunday guests of Mr. and Mrs. R. E. Sanderson were Mr. and Mrs. Ed. Britnell of Toronto and Miss Belle Marritt of Richmond Hill.

A miscellaneous shower was given Miss Thelma Hart, a bride-to-be, on Saturday evening by about sixty of her friends of this place at the home of her sister and brother-in-law, Mr. and Mrs. Marcus Jarvis. The gifts were many, varied and lovely which showed the popularity of the bride. Miss Hart and Mr. Hill expressed their appreciation in a few well chosen words. She and Mr. Henry Hill of Nobleton are to be married on Wednesday in the United Church. The best wishes of the community are extended to the young couple.

Mr. and Mrs. Ed. Gudat and little Molly of Toronto attended the shower given Miss T. Hart on Saturday evening at the home of Mr. and Mrs.

Marcus Jarvis. Mr. and Mrs. L. G. Stoutenburgh spent the week-end at Kettle Point and Ipperwasch Beach.

Mrs. John Snider and Mrs. Douglas Gee are out of the hospital where they recently underwent operations. Both are making splendid progress. Mrs. Wilmot Brumwell is also home after spending a couple of months in the Western Hospital. Mrs. Brumwell has high hopes of being able to walk again but at present is suffering severely. Her friends sincerely hope she will soon be more comfortable.

Mr. Clarence Stong of Edgeley visited at the home of Miss Ethel Mortson on Sunday.

Mr. and Mrs. Fred Constable of Vellore spent Sunday at the home of Mrs. Constable's parents, Mr. and Mrs. A. Valliere.

## BOWLING NOTES

The local club is enjoying one of its most successful years and a large number of new members have been welcomed to the game. Every Monday and Thursday evening mixed tournaments are played and last Monday there were about sixty taking part and everyone having a good time.

Tuesday evening the Lions' roar was heard on the green when members of the Lions club and their ladies enjoyed a delightful evening. After a sumptuous supper a two game tournament was enjoyed with some of the Lions experiencing the thrill of bowling for the first time. Some expert playing was noted and after the smoke of battle cleared away Lion Ted Mansbridge's rink was declared the winner, with the consolation prize going to skip Ralph Paris and his supporters. The rinks: Dr. R. K. Young, Allan Bales, Mrs. J. A. Greene, Ted Mansbridge skip; I. D. Ramer, C. Baker, Mrs. G. S. Walwin, R. Paris skip.
