STREET DANCE MAJOR PRIZES ARE UNCLAIMED

Record Crowd Attends Annual Lions Club Carnival

Richmond Hill Lions Club annual Carnival and Street Dance, favored with ideal weather, hit a new record attendance Wednesday evening when thousands jammed the town for this popular event. It was the largest crowd in years and the most successful from every standpoint yet held by the Lions Club. The evening's program opened with a band concert by the Markham band under Bandmaster P. A. Drury followed by a big dance program by the ever popular Russ Creighton and his Canadian Mountaineers. Several vaudeville numbers added greatly to the evening's enjoyment and the midway games and concessions operated by the Lions did a landoffice business.

"Miss Toronto", the 1939 Beauty Contest winner was the guest of honor and assisted in the evening's program. The charming Mrs. Nan Morris was welcomed to the village by Reeve J. A. Greene and President James Stewart of the Lions Club extended her the sincere thanks of the club for her help in promoting the welfare work of the service organization. Markham Taxes Lower by Mill

Markham township tax rate for 1939 was set at the regular council meeting held Tuesday afternoon and is about one mill lower than in 1938. There is the additional provincial subsidy which is this year one and a half mills instead of one mill and reductions in other rates brings the total levy down about 1 mill which will be heartily welcomed by the taxpayers. The levy for hospitalization remains the same at 1 mill and the general school rate is 2.89 mills instead of 2.85. Unionville Police village rate will be 9 mills less the one and a half mill subsidy. At a recent special meeting council voted \$500 to assist the police village in financing fire protection.

A petition was received from Victoria Square residents asking for a water tank in that district for fire protection. The petition asked that the expense be added to the general tax rate and spread over a five year term. The total cost not to exceed \$600.

The operating profit for North Yonge radials was \$702.31 as compared with \$254.40 for last year. The operating expenses have dropped approximately \$125. A by-law was given its first and second reading authorizing the reeve to sign a warrant for the sale of lands in Markham township for arrears of taxes.

The general account for the month of July amounted to \$647. \$828.00 was spent on roads during the last month. The relief account for the month of July was \$347.

VAUGHAN TAX RATE IS LOWER FOR YEAR 1939

Reeve R. W. Scott and members of Vaughan township council considered at some length their budget for the year at the regular monthly meeting of council Tuesday afternoon and passed the rates by-law which shows a further reduction from last year. The extra half mill subsidy from the government is being passed on to the ratepayers as the council members with sharpened pencils were able to strike the township rate at the same low mark as in 1938. The 1939 budget approved by council provides \$20,000 for road-work and estimates \$15,000 for relief. The county rate will be 7.8 mills compared with 8.1 mills last year. The rate for the new Kleinburg lighting area is 3.1 mills.

Road accounts passed at the meeting amounted to \$2176 and relief was \$578.98 compared with \$578.90 the same month last year.

It was announced that all arrangements have been completed for establishing Vaughan as a Game Preserve and last week the Ontario Department of Game and Fisheries released 250 pheasants in the township. The birds are ten weeks old and were distributed in suitable sections by Constables S. Ireland and G. DeFerrari. Regulation signs marking Vaughan as a Game Preserve will be posted throughout the municipality. The Deputy Game Wardens have not yet been appointed but will be named in the near future.

The council gave a donation of \$5.00 to the Vaughan and Richmond Hill Veterans Association annual picnic.

The Township received a cheque for \$142, Vaughan's share of the operating profit on the North Yonge Radials for the second quarter of the year.

It was reported that Mr. Pillsworth who received the gravel contract for the year has commenced operations and will supply some 5000 yards of gravel from the Township pit.

The Reeve was authorized to sign writ for sale of properties in arrears for taxes. Ten properties have been listed for the sale which will be held November 8th, but it is expected six or seven will be withdrawn before that date.

A sheep claim of ten dollars was paid to Elmer Hadwin for one sheep killed.

Plans for sub-dividing the property of E. McMahon at Thornhill were approved by council. Building restrictions provide for homes to cost around \$5000. No frame construction will be allowed and houses must be a specified distance apart. Roads are to be graded and gravelled by the owner of the property.

Mr. Harold Henrick and Miss Marion Smith were guests at dinner on Sunday of Miss Mable Sanderson.

Mr. and Mrs. Robert Carson and Miss Velma and Mr. Henry Macdonald took tea with Mr. and Mrs. Harold Mortson on Saturday evening and about eight o'clock about fifty of Miss Carson's uncles and aunts, cousins and friends gathered there to present her with a miscellaneous shower in honour of her approaching marriage to Mr. Henry Macdonald. The gifts were many, handsome and useful, evidence of the esteem in which the young couple are held. Velma and Mr. Macdonald expressed their surprise and appreciation in a few well chosen words. The ladies served a very substantial lunch and then all departed wishing the young couple every happiness and success for the future.

KING CITY

The street dance sponsored by Lake Marie and King City Athletic Society was a second annual success on July 26th. It was a warm evening and the refreshment booths did a flourishing business. Catania's orchestra supplied colorful music again this year. The only mar on the occasion was accidental bruises to Geo. Howard. Mr. Howard was directing traffic at the third corner and King sideroad when he was struck by a passing motorist. Constable on duty investigated. He was taken to Dr. G. D. Lockhart's office and it was found that no bones were broken.
