Turn It Into Cash--

In every home there are articles no longer used which you might just as well turn into real hard cash.

If you have something in the line of furniture, some piece of machinery, or in fact anything you don't really need you can tell 5000 people about it for 25 cents by inserting an ad in our classified columns.

Only last week a subscriber inserted an "ad" for a shot gun. Friday afternoon it was sold. Instead of a shot gun he didn't need cluttering up room in his shed he had ready cash in his pocket.

If you don't need it — sell it. The way to do it is through The Liberal classified ads.

Twenty-five words for twenty-five cents, and one cent per each additional word.

Mail your ad in or use your telephone.
