

BOWLING NOTES

A. A. Eden's Rink Won Second Prize At Elora, Labor Day

Skip A. A. Eden of Richmond Hill piloted his rink in one of Ontario's largest bowling tournaments held at Elora on Labor Day and won the second prize. In all 96 rinks competed representing clubs all the way from Kingston to Owen Sound. Four games were played and the Richmond Hill rink ended play with a record of four wins and a plus of 26. Hamilton Victoria's won the first prize with a plus of 31. The rink was: Walker Hall, J. E. Smith, A. E. Glass, A. A. Eden skip. They received beautiful walnut tables as individual prizes. Two other rinks, R. Moodie, James Grainger, R. Lynett, G. S. Walwin skip, and Dr. R. K. Young, G. Fuller, Rev. Colclough, J. A. Greene skip, also competed in the tournament.

Skip A. A. Eden attended the last Elora tournament last year and was the winner of the lucky number draw, and received solid walnut coffee tables as individual prizes for members of the rink. Monday last Skip Eden was again the holder of the lucky number drawn but of course as a prize winner was not eligible for the lucky number prize. To be drawn two successive years for a lucky number prize at the same tournament is a record for "Believe it or not Ripley".

Mr. and Mrs. G. S. Walwin won the premier honors in a mixed doubles tournament at Claremont last Friday evening.

Poor attendance at Richmond Hill tournaments this year have been very disappointing to members of the local club. Wednesday only ten rinks competed in the doubles fixture, 7 from the local club, one from Aurora and two from Uxbridge. Not a single entry from Agincourt, Newmarket, Stouffville, Claremont or Markham has inspired the suggestion that the local club withdraw from district association activities. Rain necessitated the ending of play

New Sidewalk for Dufferin Street

Despite opposition of Reeve J. A. Greene and councillor H. J. Mills Richmond Hill village council Monday night decided to construct a new sidewalk on the north side of Dufferin Street. The Reeve in suggesting the work be laid over for another year pointed out that work on roads and sidewalks now considerably exceeded the estimate in the year's budget. In moving that the work be gone ahead with Councillor Hill said it had been laid over from year to year for a long time and as it was in a deplorable state it should be attended to. Councillor Little seconded the motion and Councillor Nelson voted for it.

Improved street lighting was the subject of a lengthy discussion but no action was taken as it was felt the upkeep costs were too heavy to assume at the present time. In introducing the subject Reeve Greene said some business people not located in the block between Lorne Avenue and Richmond Street felt they were discriminated against as only one block had colored lights. A new and adequate lighting system for Yonge Street it was estimated would cost the ratepayers a levy of about three quarters of a mill.

TENNIS TOURNAMENT

Richmond Hill tennis club held their first annual tournament here last Saturday afternoon. The tournament was concluded in Aurora due to heavy rains here. A large tournament will be held in Aurora this Saturday.

after two games. The veteran Joe Kennedy of Uxbridge won first prize, Gar Yerex and Bob Moodie second.

DO YOU WANT GARBAGE COLLECTION TO CONTINUE?

After several months agitation a weekly collection of garbage was started in Richmond Hill early this summer. The action was taken after nearly fifty householders had signified to a number of canvassers their desire for such a service. A great many of that number have not yet availed themselves of this collection service and if more do not do so it is possible the present plan will have to be abandoned. The collection is made every Monday morning and all cans should be out at the street by 8 a.m. If you want to participate in this service all you need to do is have your garbage can out on the curb. It will be picked up and in due time the collector will call for monthly payment.
