MISS BARBARA REARDON LEADS IN GOOD WILL SHOPPING CAMPAIGN

Keen Race For Valuable Prizes Contested By Over Sixty
Candidates — Mrs. A. E. Warrington And Miss
Doreen Horner Week's Special Prize Winners

Miss Barbara Reardon of Richmond Hill maintains first place in the Good-Will Shopping Club Campaign in this week's standing and Miss Doreen Horner advances to the second position. The prize for turning in the most votes in the week went to Mrs. A. E. Warrington who stepped up from eighth to third position and second prize for the week goes to Miss Doreen Horner.

The popularity of the campaign is the talk of the district and as the weeks pass interest and enthusiasm increases. Although there are well over sixty contestants in the campaign only the names of the forty-eight leading candidates, or those who have deposited over 12000 votes, are published this week. This does not mean that those whose names do not appear are out of the running—not by any means. By depositing enough votes next week those contestants may earn a place among the leading contestants listed.

Saving coupons given out by stores co-operating in the campaign is now the popular district diversion.

Coupons good for votes given out by the stores may be given to the contestant, or deposited in their name in the ballot box in The Liberal office and the contestant will receive due credit.

Contestants, the merchants, and the general public are unanimous in acclaiming the club idea as an excellent one to stimulate business and especially local buying. The business houses giving out vote coupons are anxious to build up their community and your patronage helps do it. If you haven't started, get busy right now and save store coupons good for Good-Will votes and give them to your favorite contestant. You may help someone win a valuable cash prize.

The same cash prizes of \$2.00 and \$1.00 are offered for the largest vote returns from Monday, September 18th at 1 p.m. to Monday, September 25th at 1 p.m.

We invite our readers to consult announcements elsewhere in this issue giving the list of Richmond Hill and district business men co-operating in this community campaign.

OBITUARY

LATE MRS. LAWRENCE DENBY
A gloom was cast over the whole community by the sudden and untimely death of Mrs. Lawrence Denby, formerly Miss Jean Reaman, on Saturday, September 9th.

Mrs. Denby was born and spent her early years at lot 10 on the second of Vaughan where she had a wide circle of friends. After a course in the Richmond Hill High School she taught in S.S. No. 2 Markham. As a teacher, as well as a student, she was unusually successful. Although, at the time, very young she was chosen as one of the teachers entrusted with the training of the students-in-training in the Normal School.

Her charming personality and sterling qualities endeared her to her pupils and all her friends. Her memory will long be cherished.

The sympathy of the community goes to her husband and infant son, also to her parents Mr. and Mrs. D. Reaman, her sisters, Mrs. Floyd Perkins, Mrs. Amos Baker, Miss Mary and brother Isaac in their bereavement.

See the little boy with dirty clothes and unwashed ears? His mother is a swell bridge player.

RED CROSS NOTES

A general meeting of the Richmond Hill Red Cross Society will be held in the Municipal Building on Friday, Sept. 22nd at 3 p.m. Wool for knitting will be available. The executive regrets that plans for the proposed Tag Day on Sept. 30th will have to be postponed until Nov. 18th or after, owing to a request from Red Cross Headquarters that societies co-operate with them in deferring local drives until the commencement of the National Campaign. Voluntary donations to the treasury are urgently needed to carry on the work of the society in the meantime.

THREE OUT OF FOUR WELLS CONDEMNED FOR DRINKING

At Monday night's special session of council Dr. R. L. Langstaff, M.O.H., stated that from samples sent by him for analysis it was learned that three out of four wells in the village were so contaminated that it was unsafe to use water for drinking without boiling or treating in some manner. The opinion was expressed that the seepage from septic tanks was in large measure responsible for this contamination of the wells.

A reception was held at the Maple United Church Parsonage on Thursday evening, September 14th, when Rev. J. R. and Mrs. McCrimmon received in honour of their daughter Mrs. Richard L. Foote, a bride of September 11th. The groom, a member of the Signal Corp in the 48th Highlanders, was recently called to the colours. RICHMOND HILL CHORAL SOCIETY

All sections are in need of additional voices, particularly the basses and tenors. It seems strange that in such a flourishing and loyal community so few persons (comparatively) have shown an interest in this definitely community undertaking. Those who have joined have shown their interest by faithful attendance, and have brought distinction to Richmond Hill through their singing at the C.N.E.

A new challenge has been given to us to assist in the raising of funds for our Red Cross branch. We hope to arrange a concert in the early days of November in aid of this national work and we ask the assistance of any man or woman who sings or would like to sing. Our effort need not stop there because there are other communities that will welcome assistance.

Surely among the men of this village there are at least ten who feel the urge to cheer others in the ministry and art of song.

There's fun and service in this opportunity and the fellowship to be found herein is of the highest order.

To you who read — This means YOU.
