Institute Members Play 'School Days'
—Presentation to Mrs. H. C. Bailey

The members of the Maple Women's Institute met Wednesday, October 11th at the home of Mrs. P. White and enjoyed a splendid program. A feature of the meeting was the presentation of a beautiful umbrella to Mrs. H. C. Bailey a member of long standing now living in Toronto, and the theme song was "School Days". A number of the members were dressed in school day costumes and all brought their lunches in the tin lunch pails, reminiscent of days spent at the little red school house. Prize winners were Mrs. A. Snider and Mrs. Nixon. The roll call was answered by some use for salt and proved very interesting and instructive. The papers for the day were given by Mrs. M. Palmer and Mrs. W. Hoiles and there were solos by Miss Myrtle Keffer, community singing and other bright features.

On behalf of the Institute Mrs. J. Manning read an address and Mrs. T. Cousins made the presentation of a beautiful umbrella to Mrs. H. C. Bailey one of the institute's oldest members who is now living in Toronto. The address was as follows: Dear Mrs. Bailey:

We the members of the Maple Women's Institute feel we cannot let you go from our midst without showing in some way our appreciation for your past good work and faithfulness to our Society and the community. As a token of our high regard we are asking you to accept this gift and we hope and pray you may be long spared to enjoy it.

Signed on behalf of the Institute and Committee: Mrs. J. Manning, Miss Morrison and Mrs. M. Palmer.

A Hallowe'en dance will be held in the Maple Concert Hall Tuesday evening, October 31st with music by Charlie Hannigan's Mountaineers.

York's Plowmen Win Many Awards At the Provincial

While showers interfered to some extent with the attendance at the international Plowing Match at Brockville last week, it did not dampen the enthusiasm of the plowmen who made an all-time high record of 659 entries, with York County well represented in all classes. According to W. M. Cockburn, Agricultural Representative, who had two inter-county teams competing, the plowmen of York carried off the great majority of the trophies offered as top prizes, including what might be called the grand championship of a trip to Great Britain to visit the matches there. This new prize won by Ed. Timbers of Milliken, and a similar trip for second prize won by Robt. Brown of Galt, has been provided by the Salada Tea Company but will probably have to be held over until after the war.

The Inter-County Walking Plow competition for teams of three boys also had a record entry of 22 counties, making 66 boys plowing in one class and was won by the Haldimand County team that lost to York last year by half a point. This year's York team was all new boys and while they dropped to 8th this year, they were only a dozen marks behind the winners. These boys plowed in the regular classes the day before and the day after, with gratifying success. In Class 3, Norman Tapscott of Milliken won 4th out of over 40 entries while in Class 4 with over 20 entries, Bert Irwin of Agincourt won the class and the Hon. P. M. Dewar gold watch, Leslie Smith of Gormley 6th and Herb Jarvis of Milliken, 12th. On Thursday, Herb plowed in the open class for all ages and won the Fleury-Bissell special. On Friday three of the boys plowed in the under 18 class and Bert Irwin won again, this time the Moffat Dunlop gold watch, while Herb Jarvis was 4th and Leslie Smith 6th. Bert Irwin also won the Kiwanis Silver Tray for best land plowed in stubble by a boy 16 and under.

The new Inter-County Tractor Class brought out 11 teams and was topped by two new counties in this work, Dundas and North Simcoe, with York 3rd. Alex Logan of Ringwood and Murray Timbers of Locust Hill had previously each won a 2nd prize in the regular classes and a 12th and 5th respectively.

This week the boys of York are plowing their lands for the Junior Farmers' Home Plowing Competition, judging of which begins Monday, October 23rd. It is from this contest that the boys under 20 are selected for the inter-county classes the following year.
