MISS DOREEN HORNER WINNER LIBERAL GOOD-WILL CONTEST

RESULTS OF SUCCESSFUL CONTEST ANNOUNCED MONDAY NIGHT

A thrilling finish with three contestants running neck and neck to the finish wire featured The Liberal Good-Will Shopping Club and Subscription campaign which concluded Saturday night. Miss Doreen Horner was the winner with over two million votes, Miss Myrtle Burr was a close second and Miss Barbara Reardon third.

The contestants had until 1 p.m. Monday to deposit votes and right up until the zero hour the coupons kept pouring in. The campaign manager and his staff spent a busy six hours in checking returns and compiling results. The final totals were checked and re-checked and then audited by Mr. F. Hoover, manager of the local bank, and finally posted in The Liberal Office at 7 p.m. Cheques to the prize winning contestants were mailed on Tuesday.

We extend congratulations to the winning contestants and our thanks to them and all who competed. It was a genuine pleasure to be associated in the campaign with such a fine lot of candidates. The competition was very keen but the final results were accepted in fine spirit and the losers joined in extending congratulations to the winners.

The contest attracted widespread interest throughout the entire district, proved stimulating to business and co-operating merchants have expressed satisfaction with its influence in directing attention to the service offered by the home town business places.

The Liberal extends a hearty welcome to hundreds of new readers and our thanks to our old friends for co-operating in payment of arrears.

GIANT CAULIFLOWERS GROWN IN MARKHAM TOWNSHIP
Above are shown two giant cauliflowers grown by Mr. Hugh Topper, Elgin Mills. The one on the left shown with little Miss Julia Topper tipped the scales at 27 pounds and the one on the right, the largest ever grown in this district weighed thirty pounds. Mr. Topper this year harvested a record crop of cauliflowers and states that in his long experience he has never seen this popular vegetable attain the size of those shown in the picture.

W.C.T.U. MEETING

The regular meeting of the W.C.T.U. was held at the home of Mrs. J. P. Wilson on Thursday, October 19th, at 3 p.m., the president, Mrs. Wilson, in the chair. A splendid report of the Provincial Convention recently held in Galt was given by Miss Allport of Long Branch, and Mrs. Moffat of Weston, president of York and Peel Counties W.C.T.U., brought greetings to the meeting and expressed regrets that a number of the Women's Missionary Societies had no temperance program in connection with their meetings.

A pleasing feature of the afternoon was a presentation of the Provincial prize of four dollars to Tom McLeod for his reference book submitted in the Provincial Scientific Temperance Contest. For receiving honorable mention for Health Book Lorna Baker received one dollar from the local W.C.T.U. Both pupils were in Mr. Scott's room.

A solo beautifully rendered by Miss Nixie Fisher was enjoyed by all and a social hour brought to a close a pleasant and helpful afternoon.

UNITED CHURCH Y.P.S.

The Young People's Society of the United Church commenced their Fall activities by entertaining about one hundred and forty young people from the nine unions of the Toronto Centre Suburban Area, at a Rally on Monday, October 16, in the United Church. The programme took the form of Recreation and Sing Song, followed by a short Worship Service. The highlight of the evening was the very interesting address by Rev. Mr. Quentin of China, whose subject was "Seeing Buddhism." A social time brought the very enthusiastic and inspiring evening to a close.

On Monday, October 23, Mrs. Sayers, one of the passengers on the ill-fated Athenia, gave a very interesting account of her experience, to a very sympathetic audience. Mr. Bob Saunders and his Band added to the interest of the evening by rendering several selections.

What promises to be a very exciting and thrilling evening is being arranged for Monday, October 30th, when ghosts, goblins, and witches will gather for an evening of fun and hilarity.

"Unless to see a few spooks, you are unwilling,
Come where they are, you'll find it thrilling."

Few Complaints Follow Pheasant Hunt in District

Offenders Strictly Dealt With — Hunters Report Fair Luck

The Pheasant Shoot in Vaughan, Markham and King Townships held last Friday and Saturday passed off without any serious accidents and few complaints have been registered with the authorities. There were a large number of hunters out and fair luck is reported. Some got their count, many were short of the allotted number but most of the hunters at least got a taste. Another shoot is authorized for Saturday and a large number of hunters will be out again to try their luck.

There were some complaints where "no hunting" signs were not obeyed, there were some hunting with rifles, and some hen pheasants were shot but in the main the game regulations were well observed. Game wardens and local and county officers were on the job throughout the two days and were busy tracking down complaints.

In Vaughan three Elgin Mills youths ran foul of law for trespassing on posted property and shooting a hen pheasant. Local game wardens and a representative from the Ontario department were quickly on the job and succeeded in capturing the offenders who will face court charges. Local citizens who had complaints are generous in their praise of officials of the local townships and the department who made it evident that they intended to countenance no breach of the regulations.

Wednesday two Weston men hunting in Vaughan were apprehended after a complaint of a Vellore resident. They had their guns confiscated and will face charges of hunting out of season and killing a hen pheasant.

Reports are that there are still large numbers of pheasants in the district and that while hunting them is difficult game is still plentiful.

The York Rangers Prepare To Serve

While disappointed in not being included in the 1st Division of the Canadian Active Service Force, the Queen's York Rangers are energetically proceeding with organization to be ready when orders for mobilization are received.

According to Lt. Col. R. C. Merrick, M.C., who commands the York County regiment, plans for bringing his unit to full active strength include the opening of recruiting depots throughout York County the moment the necessary orders are received.

Since the outbreak of hostilities a detachment of the Queen's Yorks has been on special duty but while hampered by lack of uniforms and equipment which were turned over to outfit units of the C.A.S.F., training is proceeding at Fort York Army every Monday and Wednesday evening. Classes also are being held to enable officers and non-commissioned officers to obtain the required qualifications.

In the Great War of 1914-18 the York Rangers, as the unit was then known, sent drafts of officers and other ranks to the 4th, 20th, 35th, 81st, 83rd and a Forestry unit of the C.E.F. Two complete units were also raised, the 127th and 220th Bns., and in all over 6,000 passed through the York County regiment into various C.E.F. units.

After the war the regiment was placed on a two-battalion basis and in 1925 the second battalion became a separate unit and revived the name of the Queen's Rangers of Governor Simcoe's time. In the 1936 re-organization of the Canadian militia these two units again became one under the name of the Queen's York Rangers (1st Amer. Regt.) (M.G.).

During the long and splendid life of the regiment its interests have been jealously guarded by York County. Evidence of its close association with the York County Council will be found in the presence of a considerable number of old and interesting Ranger records and trophies in the County Chambers in Toronto. In addition to financial assistance each year, the County presented the regiment with a set of Colors in 1932 and more recently with framed pictures of King George VI and Queen Elizabeth.

RADIALS SHOW PROFIT FOR SEPTEMBER

The North Yonge Radials showed an operating profit of \$525.23 for the month of September compared with a profit of \$406.49 for the same month last year. For the third quarter of the year the car line had a profit of \$1299.26 but the year to date shows a loss of \$560.92 compared with a profit for the first nine months last year of \$795.46. Heavy losses early in 1939 account for the poor showing of the year to date despite the improvement in recent months.
