## Victoria Square News

Will the girls and boys please take notice. The Mission Band which was to meet on Saturday at 2.30 have changed the time to 1 o'clock owing to the Circle Supper girls wanting the basement early in the evening.

The Mission Circle are having a supper on Saturday evening in the S.S. room, followed by a meeting, the speaker of the evening being Miss Dora Hunt, a returned missionary from Africa. Everybody is invited to be present.

Several from here attended the anniversary services at Headford last Sunday. Both services were enjoyed by all those who were present.

This week has been very strenuous on the eyes of a number of our young men, but you should see the straight furrows. Now it's wait until the banquet to see what the judges think.

The Junior Farmers would appreciate a good number present at their Hallowe'en dance which is being held in the Community Hall this Friday evening, October 27. Baxter's Merry-makers Orchestra will be there.

Girls, get your knitting needles ready. The J.W.I. are going to present you with some Red Cross yarn on Tuesday evening, November 7.

Victoria Square anniversary services are to be held on Sunday, November 5th. The minister will be Rev. Sanderson of St. Outhberts Church, Toronto, at both services. The time will be 2.15 in the afternoon and 7.30 in the evening. Mr. Bob Turp of Aurora, baritone soloist, will also be with us for the day. The fowl supper will be November 8th.

Mr. Ken Partridge of Brampton arrived for our Y.P.U. meeting last Sunday evening and addressed an audience of about 40 folk. Some were present from Agincourt, some from Newmarket. Mr. Partridge reports that the fellowship of the representatives from some 70 countries was something never to be forgotten. Other Y.P. Unions should endeavour to hear him.

We are sorry to hear that Mrs. Wm. McKay is in the hospital. It is the wish of all neighbours and friends that she may soon be able to return home to be with her family.

Mr. Earl Empringham spent the week-end with relatives in U.S.A.

The W.A. supper which was held last Wednesday night was a great success. The speaker, Mrs. Sayers, proved to be very interesting. Such talks as her's makes one realize how thankful we should be to be living in Canada. The proceeds of the evening amounted to \$16.00. These little 15c. suppers the W.A. put on are certainly a great financial help to the church. This was Mrs. Dennis' group who were responsible for the October supper and we are certainly pleased to see Mrs. Dennis able to take her part in the W.A. Other talent at the supper program were Miss Emma Barker, Mr. John Tracey and Mr. and Miss Hope. Victoria Square is very thankful to them for their help which they give so readily from time to time.

### School News

Our news had a mishap last week and so we have a double amount for you this week.

Our school board has been kind enough to purchase the Books of Knowledge for us, and we are certainly happy. We know it will improve our work in every way.

We have been having fun in art trying to do portraits of our fathers and mothers. We do not let anyone see our work and when it is finished we line the pictures in a row and guess who they are. The best mothers were drawn by Margaret Mortson and Barry Collard. Those portraits best resembling fathers were drawn by June Marie Collard, Margaret Mortson and Doreen Klinck.

We have started something very unusual in the form of a school paper of our own making. We hope to have it ready for you about the middle of December. It will be illustrated in colour and contain current news, special articles, poems and drawings written by the pupils. Hints in many subjects advertising and other interesting features. It will be printed by the pupils and will include, we expect, eight interesting and colourful pages. We have appointed a committee as follows: Editor, Bertie Forster; Art Director, Margaret Mortson; Activity Director, Coral Perkins; Advertising Director, Barry Collard; Circulation Director, Mina Stickley; Secretary, Bertie Forster; Treasurer, Coral Perkins.

### Advertising

In regard to our advertising, we hope the public will co-operate with us. Splendid advertisements will be given for small donations. We hope

our readers and friends will take advantage of our offer and help to make our paper a success. Mr. P. Willows has the honour of being the first advertiser.

### Plants

We should be very grateful to Bertie Forster who so kindly gave the school nine small plants. She put them in green painted cans and they really add much to the cheerfulness of our room.

### Hallowe'en Party

As Hallowe'en is drawing nigh we decided to have a party. The programme committee is Bertie Forster, Margaret Mortson and Barry Collard. Refreshment committee is Coral Perkins, Mina Stickley and Doreen Klinck. With these people in charge we are certain to have a fine time.

The juniors made black cats and paper lanterns. On Wednesday all the members in the school made Jack-o-lanterns. Some were big and some were small but all helped to make a fine decoration for the school room.

We were very much pleased when our Inspector called for awhile on Thursday, October 19th. We hope he was pleased with us. We always enjoy his visits very much.

On Wednesday, October 18th some of the pupils of Victoria Square school were at the church and they enjoyed the programme very much. It must have been a terrible sensation being on the Athena.

### Barry's Birthday

Another birthday has passed. This was Barry Collard's. He was eleven. We favoured him as we do all the rest, with the birthday song and the usual handclasp. We also played his favourite games at recess and noon hour.

### Science

In science we have been studying the bothersome house fly; how it walks on the ceiling, and how a fly protects itself. One reason for protection is by playing dead, so we want to hit a fly more than once to make sure it is dead.

### JACK FROST

By Mina Stickley  
Jack Frost is such a funny fellow,  
He makes the nuts come tumbling  
down;

He makes the birds go flying south  
And gives each leaf a pretty gown.

Jack Frost is always ready  
To nip you on the nose  
Or else he comes when you're in bed  
And nips your little toes.

### JACK FROST

By Doreen Klinck  
Jack Frost is a gay little sprite,  
Who's out all hours of the night,  
Trying to paint the windows white  
And certainly making our fingers  
bite.

He likes to color all the leaves,  
He likes to make the flowers freeze,  
And when he makes the leaves fall  
down

He soon will scamper out of town.  
THE NAUGHTY ELF

By June Marie Collard  
Jack Frost is a little chap  
Who likes to bite your toes;  
You see he is a cunning elf  
That everybody knows.

A lecturer, suspecting that publicity would lessen attendance at repeat performances, asked the reporter of a local paper not to publish his address.

The reporter's version was this: "Mr. Smith delivered an excellent lecture in the church hall. He told some very good stories, but, unfortunately, they cannot be published."

Relatives are a nuisance at times, but look what a convenience they are when the weather is too hot to do your own cooking.

Mrs. Aird, Messrs. Frank and Jack Aird, of Baldwin, Mrs. Hugh Allen of North Bay, visited Mr. and Mrs. W. G. Woods the past week.

Mr. Hiram Keffer, Miss Muriel Gould, spent a few days last week with Mrs. Campbell in Toronto.

The Woman's Association of Maple United Church are holding a Cafeteria Tea in the Sunday School room on Wednesday, November 1st from 5.30 to 8 p.m. Proceeds are to be given to the Red Cross Society.

## BROWN'S CORNERS UNITED CHURCH CHOIR LEADER HONOURED

On Wednesday evening, October 18th Mrs. Patterson was hostess to the members of Brown's Corners United Church choir at the home of Mr. George Padget. A very social and happy time was spent by all and at its conclusion an address was read to Mrs. David Taylor by Mrs. Will Rodick and presentation of a purse made by Mrs. Kerr.

Mrs. Taylor made a very fitting reply. She has been choir leader of this church for about four years. During that time she has given very willingly of her talent. She has also brought musical talent to the different organizations on many special occasions.

In the absence of the pianist on several occasions she has willingly taken her place, thus being a real help to the church.

Mr. and Mrs. Taylor and family will soon take up residence in Weston and it is hoped that what is our loss will be the gain of some church organization.
