

Markham Councillors Prepare To Combat Winter Snow Drifts

DECIDE TO PURCHASE SNOW FENCE AND CALL TENDERS FOR SNOW PLOW

The disturbing thought of next winter's snow storms occupied the attention of Markham township councillors at the regular monthly meeting held at Unionville Monday afternoon. The increasing demand of ratepayers that roads be kept open in winter for motor traffic presents a problem which is a troublesome one for municipal councils in this section of Ontario. When the demand first presented itself roads were opened by shovelling but to meet the increasing demand the council last winter purchased a snow plow at-

tachment for the road maintainer. It proved a big help in meeting the situation but at its best it was too slow to open roads as quickly as present day conditions apparently demand. In considering the question Monday Markham council decided to call for tenders for snow plow attachment for a motor truck. They also decided to add to their stock of snow fence.

A motion by deputy-reeve Charles Hooper that the council purchase \$1000 worth of snow fence was finally amended to provide for the purchase of a small quantity to supplement in worst places the stock now owned by the municipality. In supporting his motion Deputy-reeve Hooper said "the day is coming when every road will have to be kept open day and night and we might as well make a start now." He said some interested ratepayers were willing to make donations towards the purchase of snow fence in some sections but he didn't see why individuals should pay for fence to protect a public highway.

Councillor Barber said he would like to see how effective a new snow plow would be before embarking on a large expenditure for snow fence.

W. L. Ward, Thomas Britton, and H. Morris appeared before council asking that roadway leading to their property off the Kennedy road be gravelled.

Mrs. Frisby wrote asking removal of building on the sixth concession south of Highway 7 highway which is on the road allowance.

Council agreed to sell work shed at Headford which was ruined Halloween for the sum of \$5.00.

Permission was granted to Catherine Plitzer to erect fence around graves of the Eckhart family in the cemetery on concession 6.

A goat claim from Ed. Fooley was laid over for investigation of full particulars.

Relief payments for October amounted to \$425.81. No aliens have yet applied for municipal assistance but when they do they will have to conform to government regulations. In years past there have been aliens receiving relief.

A by-law was passed providing for the construction of a gravel road as a local improvement on Doncrest Road.

Building reports for the month totalled \$1,400 which included a \$5,000 home in Highland Park to be built by Prof. Gould and an Imperial Oil Service station at Unionville to the value of \$3500.

WORRIES ABOUT REEVE SERVING MEALS

Editor, The Liberal,

Sir:—

Your reporting is usually accurate and informative, but I am puzzled by a news item in your last issue regarding the providing of meals for transients. It stated the question was brought up in council and after some discussion it was moved by so-and-so, seconded by so-and-so and carried "that the matter of giving meals to transients be left in the hands of the Reeve."

Now Mr. Editor, does this mean the decision as to whether or not meals should be given to transients by the municipality is left to the judgment of the Reeve, or does it mean that the Reeve is to serve the meals to the transients?

PUZZLED.

Note:—Our answer is "Yes."—(Ed.)

OPPOSES CONCESSION TO BOWLERS

Editor, The Liberal,

Sir:—

By what stretch of imagination do you figure the taxpayers of Richmond Hill, should help pay for the enjoyment of bowlers, as indicated in your editorial columns last week.

Taxes in Richmond Hill are sufficiently high now without taxing us to pay for the sport of people who can well afford to pay for their own fun. Those of us who cannot afford to bowl surely don't have to contribute to help those who can afford it.

It's bad enough to pay for law suits without starting to pay to support bowling greens.

Weary Taxpayer.
