UNITED CHURCH YOUNG PEOPLE'S RALLY

About twenty United Church Young People attended the Centre Suburban Area Rally which was held at Thornhill on Monday, November 6th. The evening commenced with recreation supervised by Miss Lorraine Davidson and a sing song led by Miss Eileen Broad. Mr. Dick Schurman conducted a short worship service which was followed by the main feature of the evening. Mr. Ward and three members from the Canadian National Institute for the blind gave an insight into the great work this institution is doing. They also brought the thought that "all is not lost if one is blind." There are so many ways in which one can be of service, the music so splendidly played by a young gentleman, the beautiful poetry read from Braille by one young lady and the solos rendered by another, all of whom had not the gift of sight. The most of us who are so fortunate take for granted made us all realize just what can be accomplished, and the courage with which these people so cheerily go along life's way. A social half hour brought the meeting to a close.

Something new, something different, has been planned for the Young People's meeting on Monday, November 13th, under the leadership of Miss Ruth Reaman. "A Lucky Trail" program with its many questions, some tricky and some otherwise will we know be enjoyed by all who come to take part. All those who will be fortunate in having their numbers drawn and in answering a question will be presented with a reward from the Master of Ceremonies.
