HAROLD J. MILLS DIES SUDDENLY AT HUNT CAMP NEAR KEARNEY

Sudden Passing Of Outstanding Business Leader, Municipal Councillor, And Community Benefactor Casts Gloom Over Entire District — Funeral Will Be Held Saturday

Richmond Hill mourns the passing of Harold J. Mills, highly esteemed citizen and prominent business man who died suddenly at his hunting camp at Kearney, Ont., Wednesday evening. Head of the well known rose growing firm of H. J. Mills Ltd., he was a member of the municipal council, chief of the Richmond Hill Fire Brigade, widely known as a Mason and for many years an active and generous supporter of every worthwhile community enterprise. Seriously ill for some time early this year he had recovered and friends were pleased to see him in recent weeks resuming his business and municipal life apparently with his former health and vigor. The end came suddenly after his return to camp yesterday evening following the afternoon hunt. He had been in camp since Saturday, November 4th. The funeral service will be held in Richmond Hill United Church on Saturday afternoon, November 18th at 2:30 p.m. and interment will follow in Richmond Hill cemetery.

The late Mr. Mills who was in his fifty-first year was born in Colchester, England and came to Canada at the age of fifteen years. He lived in North Toronto for a time and moved to Richmond Hill about twenty-seven years ago and started in a small way the rose growing business which has grown to be one of the most successful enterprises of its kind in Canada. He was widely known in Canada and United States as an authority on roses and was a leader in the development of the industry. A keen business man, he possessed boundless energy and the consistent steady growth of the H. J. Mills business was testimony to his ability and integrity in the business world. An employer of a large staff he enjoyed the love, loyalty and devotion of his men and associ-

ates to a very marked degree. A member of Richmond Hill Municipal Council continuously since 1931, he enjoyed the confidence and respect of his fellow-citizens and during his years of public service his counsel and sound business judgment was a tower of strength to successive municipal councils. Pressure of his large business interests prevented him ever aspiring to higher office in municipal life which could have been his for the asking. A member of Richmond Lodge A. F. & A.M. he was widely known in Masonic circles and was Worshipful Master here in 1929 and for many years a member of the Scottish Rite. The news of his sudden death was received by his Masonic brethren at the Lodge meeting Wednesday night when the members paid fitting tribute to his contribution to the welfare of the fraternity.

The death of Harold Mills removes a citizen whose place will be hard to fill. His passing leaves a gap in the business, municipal, fraternal and social life of the community which will be felt more and more as time goes on. A consistent supporter of every worthwhile community enterprise, no worthy appeal failed to gain his support and many projects were indebted to his generosity. His heart was big and in his characteristic unassuming manner he gave freely of his means in countless scores of ways with true christian charity. His memory will long be cherished by those who were privileged to know the warmth and sincerity of his friendship.

He leaves to mourn his passing his wife, formerly Lavina Houle, one son Harold, and one brother Guy Mills of North Toronto. To all The Liberal joins with the community in extending sincerest sympathy.

W. P. Mulock M.P. Asks United Effort Of Canadian People

Speaker At Armistice Banquet

Col. W. P. Mulock, K.C., M.P. for North York was a prominent figure at all Armistice Day services and events held throughout the riding last week-end. He was principal speaker at the annual banquet of the North York Township Veterans at Newtonbrook Friday night, and attended services at Aurora Saturday and at Schomberg and Richmond Hill on Sunday.

Speaking at Newtonbrook Friday night he pleaded for united effort on the part of all Canada for the successful prosecution of the war. "When victory comes, as it will come, we must see that the Germans are not left in a position to plunge the world into war in twenty-five years," he said. "If freedom is to be maintained the system now prevailing in Germany must be smashed for all time," said Col. Mulock. "We are fighting for all that makes life worthwhile. We must be true to the memory of those who paid the sacrifice in the last war by seeing that the enemy cannot repeat the tragedy all over again."

"We need unity in Canada as never before," said Col. Mulock. "Those who wanted to show a disunited Canada had their answer in the Quebec election. It is up to us to see that our unity prevails for the duration."

UNITED CHURCH Y.P.U.
The something new and something different that was promised to the Y.P.U. of the United Church by the culture convener, Miss Ruth Reaman, materialized into a rousing success on Monday evening. Miss May Plewman who was in charge of the worship told something of what she had gathered at the Y.P. school at Victoria College which she attended last Thursday evening. Miss Nixie Fisher thrilled the audience with a magnificent rendition of "The Ninety and Nine" and "Morning". Dick Schurman in top hat and Prince Albert coat did a mighty fine job as master of ceremonies for the "Treasure Trail" contest. Marjorie Pattenden was the lucky person to carry off the pot of gold containing some 50 "gold dollars". The programme for next Monday evening promises much. Miss Edna Izzard will address the group on the subject "Changing Thought in a Changing World". This should prove of vital interest to all young people. On Monday evening also a one-act play in the nature of a Christmas fantasy will be presented, so be sure to be on hand.

OPPOSES SUSPENSION MUNICIPAL ELECTIONS
The proposal now before the Provincial Government to increase the term of office of municipal councils was scored by members of York Township Council this week as "dictatorial and undemocratic." Council was of the opinion that any change in the term should be decided by the electors themselves. In view of this it decided to hold a referendum at the forthcoming municipal elections on whether the term should be increased to two years or for the duration of the war, or remain at one year.

WANT AD BRINGS VISITOR TO DOOR

There are many homes in the district in which are many unused articles which might just as well be turned into cash for Christmas Shopping. It may be any one of hundreds of articles which have outlived their usefulness in their present location which can be made useful in other households. The extra money can be mighty useful at Christmas time. But just wishing won't put the money in your purse — A Liberal "want ad" will. Just reach for your telephone and call Richmond Hill 9 and we are at your service to relay your "want ad" to thousands of our readers. A "Want Ad" costs as little as 25 cents. If you prefer to use the mail, enclose stamps or cash, the rate is 25 cents for 25 words or less and over 25 words one cent per word.

IMPRESSIVE ARMISTICE DAY SERVICES HERE SUNDAY

The annual Armistice Day service in Richmond Hill last Sunday afternoon was largely attended and was a fitting and impressive community tribute to those who gave their lives in the great war. Reeve J. A. Greene presided and the occasion was honored by the presence of Sir William Mulock, Major Rev. H. P. Charters who delivered the address, Col. W. P. Mulock, M.P., Morgan Baker, M.P.P., Reeve R. W. Scott and Deputy Reeve Boynton Weldrick and prominent veterans from all parts of York County. The turn out of veterans was particularly large and members of the local clergy took part in the service with music by the North Toronto Salvation Army band. Singing was led by the choral group under the leadership of Mr. R. Edmunds. The parade included Boy Scouts and Girl Guides and the York County Veterans Trumpet Band. Several wreaths were laid on the cenotaph including one from the Province of Ontario, Village of Richmond Hill, Veterans Association, Veterans Auxiliary, Women's Institute and others.

New Hall Complete at St. Mary's R.C. Church

The new recreation hall of St. Mary's Roman Catholic Church will be opened this Friday evening with a gala euchre. The new hall, built through the voluntary labour of the men of the parish was begun early in the summer. The hall proper occupies the northern half of the Church basement and runs the full length of the church with a cloak-room and kitchen attached.

The approach to the basement is from the rear of the church and is well lighted. Wooden steps with firm bannisters inside a small alcove lead down to the hall. The floor is of cement and is well drained to insure freedom from dampness and cold. The southern wall of the hall is of matched wood and the ceiling is greenboard spaced with wood trim. The west end is also finished in matched wood and the northern wall of the hall is finished in plaster and will be finished in greenboard or matched wood at an early date. The eastern wall where the entrance, also is cut by a door leading to a cloak room and in turn to a kitchen. Both of these rooms are of ample size to provide a maximum amount of room for a large crowd.

The hall is well heated with a furnace in the southern end of the basement (behind the partition) and a large stove against the wall in the hall itself. It is well lighted with bulbs spaced at five foot intervals running the full length of the room. Ventilation has been provided for with enlarged windows, and guards to insure against draughts. Seating capacity for a euchre has been estimated at, roughly, twenty-five tables.
