(By E. W. Anstey)

It is always a disappointment when any difficulty arises in connection with a new flock of layers. It frequently happens that some of these difficulties are of minor importance and the use of simple protective measures will help prevent them from growing into greater ones.

Next it is well to spend a little time in the pen and remove any birds that give indications of having something the matter with them. In most cases, a careful inspection of the flock will reveal only a few birds affected and such birds should be removed from the pen immediately and kept by themselves until the difficulty clears up if it is a minor one.

It is a good idea to go through the pens at night with a flashlight and note whether or not the birds are up on the roosts or whether they crowd to one section of the roosts, and note in general how the birds behave. Perhaps the litter has become dampened through rain beating in at the windows or through a leaky roof and much difficulty can be avoided if the litter is changed and fresh dry litter put in its place.

The egg market developed a very easy undertone during the past week, the result of which caused price declines on the top grades ranging from 3 to 5 cents per doz. Demand has been stimulated by the lower prices and the market at present is a little steadier.

The poultry market is quiet at unchanged prices.

Country dealers are quoted on graded eggs, delivered Toronto, cases free:

- Grade A large ..... 35c. to 36c. Grade A medium ..... 31c. to 32c. Grade A pullet ..... 30c. to 31c.

Sweet Time Coming for Ontario Citizens

"Honey Week" to be celebrated from Nov. 27 to December 2nd—700 members of Ont. Beekeepers' Association to celebrate Diamond Jubilee at convention in Toronto Nov. 28, 29 and 30.

There will be a distinct hum in that "hive" of convention activity, The Royal York, Toronto, on Nov. 28, 29 and 30 and a sweet time is promised all delegates, friends, and others interested in beekeeping at the Diamond Jubilee of the Ontario Beekeepers' Association. There are 700 members of the Association and the majority will attend this 60th annual meeting, officials expect, while "Honey Week" is being celebrated throughout all Ontario.

Owing to the cancellation of the Royal Winter Fair this year where Ontario Honey producers always exhibited their choicest products, the beekeepers decided to hold their annual show at the Royal York during the convention and it is expected that several tons of honey will be on display with a special exhibit by the Ontario Honey Producers' Co-operative of honey in all its forms. Supply houses and container manufacturers will also exhibit.

The apiarists will discuss the possibility of establishing a co-operative for the purchase of supplies and decide whether or not Ontario should adopt domestic grading on honey offered for resale. There will also be moving pictures every afternoon and evening depicting "The realm of the honey bee". Dr. C. T. Currelly, Curator of the Royal Ontario Museum will give an address Wednesday evening.

Officers of the O.B.A. are H. O. White, Glenworth, President; Allan T. Brown, Peterborough, Vice-President; Dr. E. J. Dyce, Guelph, Sec-Treas.

Special displays of honey will be made in all stores from Nov. 27 to Dec. 2nd and patrons will be urged to buy honey, the sweetest of foods, good for all, but especially good for children, athletes and invalids.

A quiet wedding was solemnized in the parsonage at Maple when Miss Mary Foote, daughter of Mr. and Mrs. H. K. Foote, Oshawa, became the bride of Andrew Ginefke, of Denmark. Rev. J. F. MacCrimmon officiated. The bride wore a gown of wine velvet with matching turban and a corsage of roses. Mrs. R. L. Foote was the bride's only attendant, in teal blue velvet with a corsage of roses. William Sennels of Toronto was best man. Following the ceremony a reception was held in Toronto, where the couple will reside.

ROBERTS-SNYDER

The Pine Grove Congregational church was the scene of a wedding Tuesday afternoon, November 7th, when Miss Margaret Sophia Snyder, daughter of Mrs. Snyder, and the late Mr. Snyder, of Acton, became the bride of Charles Frederick Roberts, son of William Roberts and the late Mrs. Roberts of Weston. The Rev. W. T. Bunt officiated. Mr. and Mrs. Wilbert Keffer of Maple supported the couple and Mrs. Gordon Hutchison presided at the organ. A service of song and a wedding reception, the former conducted by Charles Snyder, were held immediately following the ceremony. Later the happy couple left for a wedding trip to Guelph, Acton and other points.

A pretty fall wedding was solemnized at Pine Grove on Thursday evening, November 9th, when Helen Isabelle Hall, second daughter of Mrs. Nettie Hall and the late Mr. Hall, of Prince Albert, Saskatchewan, became the bride of Percy Franklin Gee, son of Mr. and Mrs. Sidney Gee of Cupar, Saskatchewan. The Rev. J. S. Roe of Woodbridge Presbyterian church officiated, and Mrs. Roe played the wedding march. The bride, given in marriage by her mother, wore a floor length gown of Ice Blue taffeta and carried a bouquet of Talisman roses. She was attended by Miss Ruby Gee of Toronto. Robert Gee was groomsmen. The rooms were suitably decorated with white bells and pink and white streamers, and a buffet luncheon was served after the signing of the register. Guests were immediate relatives and friends of the bride and groom.

ALMOST A REFLECTION

Two coloured men were standing on a corner discussing family trees. "Yes, suh, Man," said Rastus, "I can trace my relations back to a family tree." "Chase 'em back to a family tree?" said Mose. "Naw, Man; trace 'em, get me?" "Well, they ain't but two kinds of things dat live in trees. Birds and monkeys, and you sho' ain't got no feathers on you!"
