**BY-LAWS PASSED**

By-Law Number 705 to govern the price of gravel for use of the Public Highways within the limits of the Township of King, was read three times and passed.

The meeting then adjourned to meet at Community Hall, Nobleton, on Saturday, November 25th, 1939, at 9 a.m. or at the call of the chair.

Cattle in Adjala township have recently been blood tested for T.B. and very few re-actors are reported.

The tender-hearted young lady, on her first fishing expedition, watched her escort pull a luscious trout out of the babbling brook. "But isn't it cruel?" she asked. "Naw," replied the angler scornfully. "He likes it. Look at him wagging his tail."

**CANADA'S EXPORTS JUMP \$16,837,037**

Canada's external trade rose to \$156,020,858 in September from \$139,183,821 in August, and \$129,520,881 in September, 1938, Dominion bureau of statistics reported today. These figures do not include trade in gold.

Queen Wilhelmina of the Netherlands who has been much in the limelight in recent days has been Queen of that country since November 23rd, 1890, almost 49 years. Victor Emanuel has been King of Italy since July 29th, 1900, more than 39 years.

James Berney has succeeded Gordon Atkinson as master of Peel Masonic lodge, 468, Caledon East. Other officers are: Senior warden, Lloyd Davidson; junior warden, Murray Nelson; chaplain, Russell Wilson; treasurer, James Proctor; tyler, Fraser McLeish.

**New anti-Nazi story going the rounds in the United States:**

A "drunk", propped up against the bar, shouted: "Hitler is a horse's neck." A lad nearby knocked the glass out of the drunk's hand.

The drunk poured himself another drink and announced determinedly: "I still say Hitler is a horse's neck."

The bystander socked him, and this time the drunk found himself on the floor.

He looked up and indignantly asked: "Say, where am I — in Germany?"

"No, suh," was the reply, "you're in Kentucky—and we have a lot of respect for horses here."

The Texas Highway Department spends an average of \$35,000,000 yearly, operates on a cash basis, employs 8,500 workers and has 22,170 miles of highway.

**HABIT**

Habit may seem hard to overcome.

"If you take off the first letter, it does not change 'a bit'." If you take off another, you have a "bit" left.

If you take still another the whole of "it" remains.

If you take still another it is not "it"—totally used up.

All of which goes to show that if you wish to be rid of a "habit" you must throw it off altogether.

**PERHAPS**

"What are the duties of a Knight of the Garter?" asked a correspondent. We don't know; but we imagine they are fairly elastic.

A Tilbury man is seeking permission to establish a pool room in Bolton.

**DIED**

**BOVAIR, James A.**—At the home of his daughter, Mrs. Stewart Wark, 14 Burnett Street, Oakville, on Thursday, November 16th, 1939, James A. Bovair, husband of the late Christina Brown, formerly of King, Ontario, in his 75th year.

The funeral was held from the above address on Sunday afternoon at 1 o'clock. Service in Carrville United Church at 3 o'clock. Interment followed in King Cemetery.

**GOING THE LIMIT**

The convicted man had just received sentence and was being led out. "You poor man!" said a sympathetic woman near the door. "Is there anything I can do for you?" "No, mum," replied the prisoner, "unless you'd like to do this three years."
