SECONDARY SCHOOLS OF DIST. 8 JUNIOR DRAMA FESTIVAL

A drama festival was arranged for Grades IX and X of the Collegiates and High Schools of our district by a committee with Mr. J. Stewart as chairman. This festival was the first of its kind, its main purpose being to interest the whole class in the preparation and presentation of a play. The schools which entered it were East York, Scarborough, Vaughan Road and York Memorial Collegiates and Richmond Hill High School. As York Memorial entered two plays, the festival required two evenings, Thursday, Nov. 23, at Scarborough and Friday at York Memorial. The adjudicator was the well-known critic, W. S. Milne. The Lions Club helped in the transportation of fifty pupils to Scarborough on Thursday evening. The numbers who found their way to York Memorial on Friday night showed how much interest the festival had aroused. Although Richmond Hill was the only representative of the smaller schools of the district competing with the large suburban collegiates Grade IX's play, "The Loveliest Thing" by Roland Pertwee was ranked among those over seventy-five per cent. The adjudicator commented upon the beautiful stage setting; the carol singing which opened and closed the play; and upon the acting, choosing from a cast of good actors, as he said, two in particular to give special commendation: Anne Walwin and Margaret Allison.

Cast included: Margaret Allison, Frances Turano, Anne Walwin, Betty Smith, Helen Ransom, Derek Andrews, Garth Palmer, Don Smith, Garry Lake, Clifford Munroe, Elton Bennett.

Carol singers: Dorothy Hicks, Marie Brillinger, Nora Hislop, Effie Jarvis, AEileen Cook, Gwen Bergman, Eileen Dickenson, Joy Mortson, Lorna Webb, Ruth Gohn, Gladys Chedzoy, Gladys Masters, Olive Ross, Audrey Chambers, June Davis.

Sound Effects: Donald Matthews, Donald Glenn, Darry Gamble. Stage Committee: Bobby Edean, Dorothy Hicks, Effie Jarvis, AEileen Cook, Don Reid.

Properties: Marie Brillinger, Nora Hislop, AEileen Cook, Helen Ransom, Mervin Charlton, Don Reid.

Grade IX wish to thank the parents and the members of the Lions Club who made it possible for them to go to Scarborough.

LIBERAL READERS INVITED TO MAKE NOMINATIONS NOW

Summary of Citizens' Nominations
Will Be Published In
Future Issues

Interviews with many ratepayers during the past week indicate a desire on the part of Richmond Hill electors for a municipal election this year. The village has not had a full dress election for Reeve, Council and School Board since 1936 and while acclamations sometimes indicate satisfaction with the performance of public officials there also is the possibility they indicate a lack of interest on the part of the electorate.

Reeve Greene is completing his seventh term as Reeve, receiving in that period three acclamations. Councillor P. C. Hill is now the senior member of council having been elected in 1936 and receiving acclamations in the three following years. Councillor C. Nelson was elected by acclamation in 1937, 1938 and 1939.

Our interviews of the past week indicate a desire for a particularly strong council for the coming term which may be a long one if Premier Hepburn carries out his proposal to abolish the annual municipal elections for the duration of the war. Several names are prominently mentioned and so that all may have an opportunity of expressing their minds previous to the annual nomination meeting which will be held Friday, December 22nd we print in this issue a nomination blank which we invite our readers to use in order to bring forward names of citizens they would like to see in the public service of the municipality.

We invite our readers to fill in this nomination blank and hand it in or mail it to our office and a summary of nominations will be printed in our future issues as an indication of public sentiment in the matter of the coming elections. Let's have your suggestions, join in the game of "I Nominate".

This week we heard many names mentioned for the various offices including Ex-reeve Thos. H. Trench, former councillors Bill Neal, Wes. Middleton, J. A. Monkman, school trustees R. D. Little, P. E. Angle and L. H. Clement, James Butler, president of the Vaughan and Richmond Hill Veterans, Bert Cook, former school trustee, Frank Graham, Wilbert Bone, Walker Hall, Frank Schisler, Dr. R. K. Young, F. N. Hopper, Dr. J. P. Wilson, G. S. Walwin, James C. Young, A. J. McLatchy, Art White, Albert Chapman, W. J. Taylor, Alf. Mills, E. Leno, J. A. Mabley, C. P. Wiley and many others.

Fill out your nominations in the following blank and send them to The Liberal Office.

FINED FOR ILLEGAL PHEASANT HUNTING IN VAUGHAN TWP.

The quick action of James Craib of Vaughan Township in securing the license number of a car on October 25th last resulted in the conviction in police court this week of Sam Cardonna of Toronto, charged with illegal hunting. Craig acted quickly when he sighted hunters transgressing the game regulations and notified police.

Cardonna of Dundas Street West, Toronto, appeared in court this week charged with shooting a pheasant out of season and pleaded guilty. He was fined \$20 and costs. "If you shoot pheasants out of season you will pay for it," said Magistrate W. E. McIlveen.

On a charge of failing to have a township gun license, Cardonna was assessed \$10 and costs and on an additional charge of using an automatic shotgun he was fined another \$10 and costs.

His brother, Ross, who was with him on the day in question, was fined \$10 and costs on a charge of failing to have a township gun license.

"I did not mean to shoot the pheasant," Cardonna pleaded. "A jackrabbit started up, and I shot twice at him. I missed the rabbit and hit the pheasant."

"I have heard that one before," the magistrate stated.

OPPOSES ABOLISHING ANNUAL MUNICIPAL ELECTIONS

D. O. Mungovan, who this year sat in Newmarket council for the first time, took strong exception to the Hepburn government's proposed legislation to allow councils a two-year term during the war, at the Newmarket nominations last Friday.

"Ballots are one of the Anglo-Saxon heritages that has been handed down through the centuries. I want an election," he declared.

"I think we are drifting towards the same type of rule as of countries we are at war with now. If the government's legislation denying us election for two years goes through, I will resign at the end of the year. I think elections should be held every year. I only ran last year so that there wouldn't be an acclamationn."
