## General News & Views

East Gwillimbury Township raised \$806.29 in the recent Red Cross campaign.

Every family on relief in Newmarket will receive a roast of beef from the relief committee for Christmas.

Aurora had 72 persons on relief at the end of November compared with 133 at the corresponding date in 1938.

Almost \$6000 was raised by the North York Township Red Cross Society, which was nearly \$2000 over the objective set.

There were 22 births and 21 deaths in Whitechurch Township in the year according to the annual report of the M.O.H. submitted to council at the last meeting.

More than 2,000 pedestrians of Elmira, N.Y., received "tickets" from Boy Scouts during a traffic safety drive sponsored by the Elmira Junior Chamber of Commerce. Scouts stationed throughout the business district handed tickets to all pedestrians seen taking chances by violating traffic rules. The ticket read, "You are a jay-walker."

Officers of St. John's W.A. Oak Ridges were returned to office by acclamation: Hon. president, Mrs. Worrall; president, Mrs. S. C. Snively; vice-president, Mrs. J. Chatterly; 2nd vice, Mrs. F. Legge; secretary, Mrs. Maurice Beynon; treasurer, Mrs. Arthur Sambrook; living message, Mrs. N. Thompson. The W.A. report obligations met, with a good balance, substantial funds towards Parish Hall, and a donation of five choir gowns for junior choir members.

Fred Timbers has been elected to succeed Russel Gray of Gormley as president of the North York Branch of the Ontario Plowmen's Association. The meeting was held at the home of the retiring president, when the report of the auditor A. V. Nolan showed a substantial cash balance to carry into the new year.

It was decided to change the date of the annual plowing match to the first Tuesday in November. This will remove the contest farther from the big International Match and probably induce more competition and a better attendance of spectators.

The place for holding the 1940 match was not decided on, but a committee was named to look into this matter. R. E. Ratcliff was re-appointed secretary and Win Timbers Treasurer.

Years ago the famous Canadian humorist, Professor Stephen Leacock, wrote a story of the future and future clothes, called "The Man in Asbestos," but Professor Harrison of the Massachusetts Institute of Technology, foresees still better costumes.

Every year new chemical fibres are produced. And as soon as one of them has all of the desirable properties—the strength of glass, fineness of silk, permanence of asbestos and toughness of cotton—people can have everlasting clothing.

Coats may be molded to shape. Pants may be cleaned and freshened with a blow-torch. Families may have children's suits of graded sizes, handed down in succession as each child grows up.

"Britain's new armies are marching in socks which are guaranteed unshrinkable," says the Winnipeg Tribune. The glad news is tucked away in a letter to the Tribune from the M.P. for a Yorkshire woolen spinning district. Thus quietly do great events dawn upon the world. The discovery for which countless thousands of men—and their wives—have been waiting for generations occurred at last "in the unimpassioned calm of the Woolen Industries Research Association near Leeds", where "intensive scientific research has been going on...throughout the hubbub of international crisis." "It is safe to predict," the letter continues, "that very shortly every British mill will adopt this new gift from science, and so earn the blessings of housewives and other buyers of wool clothes throughout the world." Amen to that!

## SENSATIONAL

# CARLOAD SALE of QUAKER FEEDS

We purchased an entire carload of Quaker Livestock Feeds and Ful-O-Pep Poultry Feeds at the special carload price! Now we pass on this saving to you in a sensational 3-day sale! Act fast—Place your order right now!

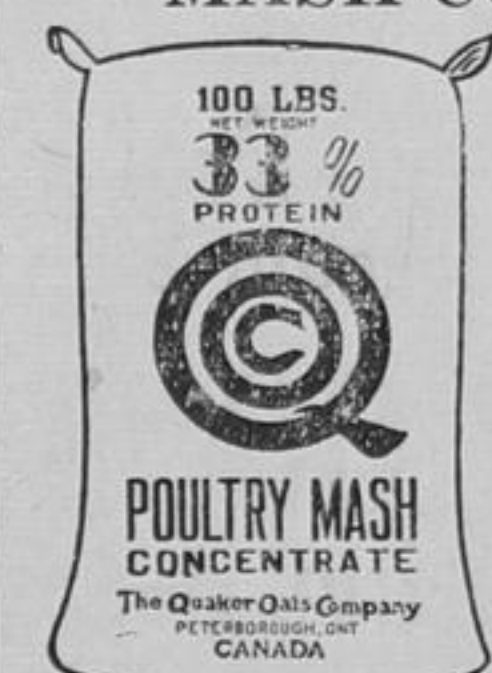

IT'S YOUR OPPORTUNITY TO STOCK UP ON FAMOUS QUAKER FEEDS AT WORTHWHILE SAVINGS!

## WAY BACK IN LIBERAL FILES

### FORTY YEARS AGO

From our Issue of Dec. 14th, 1899  
Invitations have been issued for the opening of the new Toronto Western Hospital, on the evening of December 15th. The appearance of the building as shown on the lithographed invitation shows a very large and imposing institution, surrounded by trees and walks that suggest an ideal home for the invalid. The necessity of such an institution is well known to all who have given the matter attention and the names of the Board of Governors is sufficient guarantee that the Toronto Western Hospital will be kept up to a high standard of efficiency.

The teachers and pupils of the High School are to be congratulated on the success of their modest and enjoyable entertainment given in the High School building on Friday evening. The program was well carried out and the entertainment started sharp at 8 o'clock. The presentation of diplomas at the end of the first part of the program gave variety to the entertainment, particularly as the four clergymen—Messrs. J. A. Grant, N. Wellwood, J. W. Stewart and F. C. Keam—who were called upon to perform this pleasant task, were in their happiest vein, and made the presentations, accompanied by bright and

witty speeches. The room was packed to the doors, and many were forced to stand in the halls. The place was neatly decorated with flags and evergreens and looked well. Much credit is due to all who assisted in the entertainment, but a very large share is merited by Mr. J. H. Sanderson who had charge of the musical part of the program.

At a meeting of the Board of Education held on Friday evening, a resolution was passed requesting the Secretary to prepare a statement for publication showing the present receipts and expenditures of the High School, and the probable extra tax on the Village in case a third teacher is engaged.

Rev. J. A. Grant and Mrs. Grant attended the reception at the Manse, Maple, on Thursday evening, tendered to Rev. C. A. Campbell and bride on their return from their wedding tour.

### THIRTY YEARS AGO

From our Issue of December 9, 1909  
Before dispersing at a meeting in the Council Chamber last Friday evening a resolution was carried appointing J. H. Sanderson, D. Hill, G. McDonald, W. Eyer and H. A. Nicholls a committee to apply for a charter with a view of forming a retail merchants' association.

Matthew Lepper, who for many

years kept a general store in Aurora, on about the spot where the Metropolitan station now stands, died at the home of his son-in-law, S. St. A. Sewell, Toronto, on Monday, aged 94 years. Deceased was at one time reeve of Aurora.

Another sale of property in the West End is reported this week by Mr. H. A. Nicholls, real estate agent. Mrs. Emma Metcalfe has sold her house and lot on Richmond Street to Mr. Charles Rollin. Mr. Rollin will at once improve the property and will probably occupy it himself.

Mr. Sisman, lately of the firm of Underhill & Sisman, boot and shoe manufacturers, Aurora, paid this Village a visit a few days ago. Mr. Sisman has in view the establishing of a manufactory similar to that now carried on in Aurora. With the Canadian Northern and the Metropolitan Railway at our doors we believe that this would be a desirable location for such an establishment. Richmond Hill would be pleased to consider a business proposition from Mr. Sisman.

Mr. Henry, Reeve of York Township and Warden of the County of York, was presented with a gold-headed cane by his fellow county councillors at a banquet given at the Municipal Hotel, Toronto, last Friday evening. The presentation was made by Reeve Harris of Woodbridge.
