Thornhill

The monthly meeting of the Thornhill Red Cross will be held in the work rooms at the public school on Tuesday, February 27th at 3 p.m.

VELLORE

Do not forget the Vellore Senior Institute Dance and Euchre in Vellore Memorial Hall, Friday, February 23rd. Dance and euchre will start sharp at 8 p.m. Catania's orchestra. E. Evans, floor manager. Admission 35c.

Unionville

The Veterans' Euchre held in the Township Hall last Thursday evening brought the usual interested attendance, approximately thirty tables of players entering into the competition. The attractive prizes were won as follows: Ladies, Jessie Thomson, Eileen Stiver, Mrs. R. Risebrough, Mrs. D. Brown; gents, Geo. Holden, Geo. Kelly, Jas. Grainger, Chas. Beckett. The lucky draw prizes went to Mrs. Vernon Trunk, Elsie Eckhardt, Mr. Graham, Miss E. Empringham, Mr. Holer, Mrs. E. Hunt, Phil Dixon. The final Euchre of the series will be held on March 28th when the draw for the hand crocheted centre piece, donated and made by Mrs. Wilber Latimer, will take place. The Veterans are to be commended upon the splendid service given in many ways especially to needy Veterans. Any event sponsored by them is deserving of your patronage.

The W.M.S. Auxiliary of Central United Church held the February meeting at the home of Mrs. G. R. Whaley when splendid reports of the annual meeting of Toronto East Presbyterial held in Toronto were given by Mrs. Young.

Mrs. E. E. Braithwaite conducted the devotional period. Arrangements were made for the Easter Thank Offering meeting that will be held on March 14th. Auxiliaries of the churches in the vicinity are to be guests and a prominent speaker will address the gathering. All women interested in missions are invited to be in attendance.

The Unionville unit of the Markham Township Red Cross is very busy these days. On Monday last twenty women were in attendance and hospital bed gowns and bed jackets were in the making. Two quilts are on the list of credits with still another to be quilted. Many similar activities are to be reported from the other polling divisions and four shipments have been made to the Red Cross Headquarters. The Central Work Committee deeply appreciate the splendid co-operation received and commend the work of the key women who have so nobly assisted in the distribution of the supplies and the collecting of the finished articles including knitted articles, scarves, socks, sweaters, etc. as well as the sewing. Nor should the ladies claim all honours, for Unionville boasts of a gentleman who has led the ladies in his record for knitting, having many pairs of socks and scarves to his credit. The honors go to Mr. N. Ogden.

To the ladies not already associated in this enterprise, a cordial invitation is given to assist in this splendid work for King and Country.

TO THE ELECTORS OF NORTH YORK

FELLOW-CANADIANS:—

It has been an honor and privilege to serve as your Member of Parliament since 1934, and in full appreciation of the responsibility of your confidence, I have tried faithfully and conscientiously to remain true to that trust by doing my best to serve your interests.

I am a candidate for re-election and I never have been more conscious of the tremendous responsibility resting on an elected representative of the people than at this present critical time in our Empire's history.

I know that the concern uppermost in the thoughts of the people of the riding of North York, in common with the people in all parts of Canada, is that this country's war effort shall be the most effective possible.

I am satisfied that the first concern of the government is that our fighting forces shall be well equipped and well cared for, and that there shall be adequate provision for their dependents. At my nomination in Newmarket Saturday, February 17th, I stated that if elected I would urge that as far as allowances are concerned, dependent mothers should be placed on the same basis as wives.

I am satisfied that the services of the best available men for war duties have been enlisted, and will continue to be enlisted as the occasions arise, without any thought of political preference. I am satisfied that the Canadian people have been protected from profiteering in war contracts and unwarranted price increases, and that our co-operation on the economic front has been efficiently organized and will be the maximum our resources can provide.

If I did not believe this to be true, I would not be a candidate in this election, because I place my duty as a citizen of Canada ahead of my allegiance to any political party. I know it to be true and I am proud to ask for your vote in the coming election. It is my honest and sincere conviction that it is in the best interests of Canada and the Empire that Canada's war effort should not be hindered and delayed by a change in administration at this time. It takes considerable time for new cabinet ministers to become familiar with departments of government, and experience at a time such as this is of the utmost importance.

In a task so gigantic as the organizing and equipping this country on a war basis I do not claim there were no mistakes. I do not claim that this government has been 100 per cent perfect in every detail but what I do claim and sincerely believe is that the present government is the best government it is possible to get in the Dominion of Canada to carry on our war effort.

In accepting my nomination at a public meeting in Newmarket Saturday, February 17th, I made this statement: "I do not believe that I will, because I do not think it will happen, but if I should find that the government is not carrying on the war effort in what I consider the best interests of Canada and the British Empire I as a Canadian citizen reserve the right to vote against them."

This was my pledge to the nominating convention and it is my pledge as a Canadian citizen to the people of North York.

Peelar's R.O.P. Sired Chicks

Our constant effort in R.O.P. has been to breed a better Barred Rock, for type production, and egg size.

All Pens Headed by R.O.P. Males

All males used are qualified R.O.P. cockerels from dams with records from 200 to 314 eggs.

Our Flock is Pullorum Free

As we have not had a reactor in blood testing for the past 5 years we are now listed as a Pullorum free flock

ORDER CHICKS EARLY
