WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of March 8th, 1900
The Standard Bank opened up here on Saturday, and considering the almost impassable condition of the roads, done a good business. The grill work has been completed, and the manager, Mr. Rowland, is very much pleased with his new quarters in the Grand Central Building.

Professor Mackenzie of Trinity University, instead of coming by trolley, took the train to Richmond Hill station last Friday evening, and was storm stayed all night at Maple As the roads were blocked with snow it was impossible to reach this village, and in consequence the lecture and concert in aid of the High School Library was postponed.

The Metropolitan cars have never missed getting to Richmond Hill any day this winter until Tuesday of this week. Since that time the mails have been brought by sleighs, and there are now two services a day. The snow packed on the track solid, and the snow-plow was powerless.

Several cars have been ditched owing to the deep snow, but they are gradually working farther north. This has been the worst experience for the trolley since it came here.

The Queen has ordered that in the future on St. Patrick's Day all ranks of her Irish regiments shall wear as a distinction a sprig of shamrock in their headdress to commemorate the gallantry of her Irish soldiers in the recent battles in South Africa.

Mr. T. Herbert Lennox, barrister, of Aurora, was on Monday nominated by the Conservatives of North York to oppose Hon. E. J. Davis at the next General election for Ontario. Mr. John Currie, a farmer of East Gwillimbury, was at the same meeting nominated for the Commons to oppose Hon. Wm. Mulock.

THIRTY YEARS AGO

From our Issue of March 3rd, 1910
Mr. H. A. Nicholls reports the sale of Mr. Fred W. Grainger's house and lot on Yonge Street to Mr. Thos. H. Burns of Vaughan. Mr. Burns is giving up farming and is having a sale of his farm stock and implements on the 7th. Mr. Burns will move here about the first of April. March came in like a lamb, let us wait for the finish.

A single rink from the Granite Curling Club came up from the City on Friday and played a friendly game with our curlers. The visitors won by 2 shots. The Granites were skipped by Mr. Simpson Rennie, and the home rink by Mr. Matthew Boyle. The deputy skips were Mr. T. H. Brunton and Mr. W. H. Pugsley.

In this issue 32 Sale Registers are listed.

The big Tretheway farm at Newtonbrook on either side of Yonge Street, twelve miles from the corner of Queen and Yonge, was bought by Sydney Small, real estate agent. It is now believed that the east side of the farm was bought for the Toronto Golf Club, and that when they move from East Toronto it will be to Newtonbrook. The Rosedale Golf Club is already on Yonge Street, six miles up, and the North Toronto Club has leased grounds on the west side near Lawrence avenue. The Metropolitan Railway of course gives a service to all these links.

FIFTEEN YEARS AGO

From our Issue of March 5th, 1925
Mr. Harty Morden leaves to-day to take charge of the Standard Bank at Port Rowen, Ont. Everybody wishes Mr. Morden the best of success.

A quiet but pretty wedding was solemnized at the parsonage on Saturday, February 28th, at 8 p.m. of Elsie Mae, eldest daughter of Mr. and Mrs. John Baker, Richmond Hill, to Mr. Edgar Anning, Richmond Hill, son of Mr. and Mrs. John Anning, Kettleby, Rev. H. S. Warren officiating. The bride was charmingly attired in a gown of sandal wood satin crepe, with sand hat. She also wore the groom's gift, a pearl sunburst, and carried a corsage bouquet of Ophelia roses. The bride was attended by her sister, Miss Dorothy Baker, gowned in powder blue satin crepe and carrying Columbia roses. The groom was supported by his brother, Mr. Norman Anning. The happy couple left amid showers of confetti and good wishes. On their return Mr. and Mrs. Anning will reside in Richmond Hill.

Canada Protected From Profiteers Says Col. Mulock

Interviewed by The Liberal this week, Col. W. P. Mulock, North York's representative in Parliament since 1934, expressed general satisfaction with the progress of the election campaign and expressed his gratitude to the scores of volunteer workers in all parts of the riding working for his re-election on March 26th.

I find the people's foremost interest is the prosecution of Canada's war effort and that everywhere there is approval of the very effective work done so far and a general desire to keep Canada's war effort united by a continuance of the present government. Reviewing the war effort Col. Mulock himself a veteran of the last Great War, pointed out that the first division of Canadian volunteer troops, fully equipped, well fed and clothed, is now in England, a second division is now in training in Canada and plans for a third division have been completed. On the economic front he said there had been the utmost co-operation with Great Britain and it would be the maximum our resources could provide. "The War Supply Board he said was Canada's guarantee against wartime profiteering. The prompt organization of this board makes impossible wartime profiteering such as tarnished Canada's war effort in the last war. The body is composed of the foremost industrialists in Canada. Its chairman is president of Ford Motor Company of Canada who is assisted by outstanding experts drawn from all branches of Canada's economic fabric.

These men said Col. Mulock were appointed by the present government without any thought or regard to political considerations and assure a steady flow of the sinews of war with a minimum of dislocation of the country's peacetime endeavours. The War Supply Board he said controls the buying of all materials Canada needs for the successful prosecution of the war, airplanes, ships, locomotives, uniforms, guns, ammunition, bread, butter, meats and everything. It buys for the Canadian Government, the British Government and the French Government. The Board has initiated and continues the policy of competitive buying in all its purchases. It has placed in Canada with Canadian firms for Canadian workmen orders totalling more than \$100,000,000. The Board has successfully unified Canadian industry with the single aim in mind, the most effective utilization of our resources and industry to further the successful prosecution of the war.

"Canada's war effort in every department has been so well organized and established as it concerns our fighting forces on land, on sea and in the air, on the economic front in the matter of supply and financing that I know the people of Canada would not want to risk the danger of disrupting this effort by a change of government at this time," said Col. Mulock in conclusion.

HOME AND SCHOOL GROUP MARK 3RD ANNIVERSARY

An interesting candle ceremony marked a joint Founder's Day and Birthday celebration observed by the Woodbridge branch of the York County Home and School Association Tuesday night.

Of the 5 candles on the birthday cake, one was in honour of the late Mrs. Courtice, the group's founder; one in honour of the York County organization, and 3 in honour of the local group's 3 years of existence. Participating in the lighting and extinguishing ceremony were Mrs. W. E. Berry, local charter president; Mrs. A. Howl, 1940 president; Mrs. C. F. Lewis, 1st Vice-president, and Mrs. Thomas McLean. When the two guest speakers, Mrs. Silcox, president of the Ontario Home and School Federation, and Mrs. Beatty, president of the York County Home and School council, failed to appear, a complete revision of the evening's programme was necessitated.

Three much enjoyed vocal selections were rendered by Miss Orpha Farr and a synopsis of the group's 3 years work was given by Mrs. A. Howl. Achievements reported included the renovation of the school basement and the securing of two welcomed donations to the school equipment, one a large radio by the Woodbridge Radio Electric store and the other a victrola by Mrs. Wallace. Both are now regularly used in the school's classes, it is reported.
