TESTON

Stormy conditions last Sunday prevented many from attending S. S. and church services. There were only nine in attendance when S. S. opened but six others arrived and this was the congregation. Mr. Davis was on hand and everyone who had braved the weather enjoyed the services and were amply repaid as Rev. Davis gave us an excellent sermon. There was no Y.P.U. meeting in the evening.

A Birthday Once in Four

The Thomas families foregathered at the home of Mr. and Mrs. Forest Oliver on Thursday evening, February 29th, the occasion being the birthday of Mrs. Oliver's brother, George Thomas of Hope, who enjoys a birthday every four years. The thirteenth of these days was celebrated by an oyster supper. Those present were Mr. and Mrs. George Thomas, Mr. and Mrs. Wm. Thomas, Mr. and Mrs. Keith Thomas, Hope; Mr. and Mrs. Albert Thomas, Toronto; Mr. and Mrs. Wm. Orr, Maple, and Mr. Frank Piercey, Teston. A very enjoyable evening was spent. And by the way the month of February is a red letter month in the Thomas birthday annals, there being six of them having birthdays in the month. Many happy birthdays to you, George Thomas, is the wish of your friends.

Keep Canada's War Effort United!

Experienced Leaders are

VITAL for VICTORY

In six months of war the Mackenzie King Administration has set an unprecedented record of getting things done without fuss and fury. Under its steady leadership, Canada has gone ahead on all fronts—war, economic and domestic. With clear heads and with feet on the ground, this group of purposeful men is making every ounce of Canada's weight felt in our fight for freedom. What it has done has been done thoroughly: there has been no loose thinking; no half-measures; no waste of men, money or materials.

Some of the Mackenzie King Administration Wartime Accomplishments

It united Canada as never before—Every province is heart and soul behind the Empire's war effort this time, thanks to the Administration's truly national policies.

The First Division, completely equipped, has been sent overseas to a Mother country prepared to receive it.

The Second Division is recruited, equipped and ready to go over.

The great Empire Air Training Scheme—sponsored and mainly financed by Canada, has been launched on a planned and ordered basis.

Naval Defence for both East and West Coasts including Air Force, Mine Sweepers and Convoying, has functioned efficiently since the outbreak of War. Of it, a Senior British Naval Authority has said: "No finer work is being done anywhere by the Royal Navy itself."

Price Control of all commodities, including such vital necessities as wool and sugar, has been established, with prices pegged low for the poor man. The profiteer is out, and will be kept out—in marked contrast to the free-for-all of the last war.

Shipping Control and Foreign Exchange Control are firmly established on sound lines and are functioning smoothly and effectively.

A \$200,000,000 War Loan was over-subscribed within two days of its launching, a record that proves public confidence. Its reasonable rate of 3 1/4% contrasts with 5 1/2% tax-free rate of the last war.

Political and Private Patronage has been stamped out: merit is the sole basis for selection or promotion in our armed forces.

Great Britain's war financing problems have been lessened through the co-operation of the Canadian Government.

War Contracts totalling well over \$100,000,000 have been placed, stimulating every branch of Canadian industry.

Canadian employment has hit an all-time high owing to these orders and to good internal business conditions.

Armament deliveries are approaching full-speed: aeroplanes, Bren guns, tanks, artillery accessories, ships—all coming forward in impressive quantities.

Large purchases of Canadian wheat,—preventing a serious wheat glut—have been arranged through a special mission sent to London by the Mackenzie King Administration.

5,600,000 pounds of bacon will be shipped to Great Britain each week, as well as large quantities of flour and fish.

Huge shipments of steel and other materials essential to the conduct of the war have been arranged for.

Make Your Vote Support Canadian Unity

Such a record simply didn't just happen. It resulted from the efforts of a strong administration working on behalf of a country united in all its parts as never before. And this singleness of purpose—conspicuously absent in 1914—is due to the vision, understanding and drive of individual Canadian and Empire-minded Statesmen who back the Empire's participation in the war with their eyes wide open and with full determination to play their parts to the full.

We appeal to the people of Canada for the support which is essential to carry on and complete a task, the groundwork for which has been laid carefully, soundly, wisely... with foresight, determination and resolute courage.

On March 26th show your faith; vote for the Candidate supporting Mackenzie King and help make sure there can be no break in Canada's steadfast stand in these critical times.
