## MAPLE NEWSY NOTES

St. Andrew's Women's Missionary Society met at the home of Mrs. A. Lawrie Wednesday, March 6th. In the absence of the president Miss Walkington, the 1st vice-president took charge. Mrs. Milton McDonald continued with the study of India and Mrs. M. White read a paper on "Martha". Mrs. Hodge played a piano solo. At the close of the meeting refreshments were served and a social time spent.

A special Easter Thank-offering service of the United Church Women's Missionary Society will be held March 17th at 7 p.m. Miss Winnifred Warren from Honan will give the address and Mrs. McBride of Toronto (formerly Dell Saigeon) will be the guest soloist.

Mr. and Mrs. W. Fisher of Thornhill visited Sunday at the home of Mr. and Mrs. W. G. Woods.

The choir members of Maple United Church are grateful to the W.A. for presenting them with mortarboards, new collars and gowns and also greatly appreciate the anthem holders given by Dr. and Mrs. F. W. Routley. These will all be used for the first time Sunday, March 17th.

Monday evening, March 11th the Guild, together with Brampton Y. P. S. visited Woodbridge Y.P.S. After the devotional period presented by the Guild, Brampton Y.P.S. conducted the fellowship hour. At the end of the meeting lunch was served

by Woodbridge Society. The next meeting of the Guild will be in charge of the missionary convener, Audrey MacNaughton and will be held at the home of Mr. and Mrs. Henry McDonald. Everyone welcome.

A number of teachers and their friends attended the York County teachers' banquet and dance held in the Royal York Hotel Friday evening, March 8th. Mr. Andrew Snider received a camera with a lucky number ticket.

The regular meeting of the Y.P.U. was held in the Sunday School Monday evening with Miss Beryl LeGrice in charge of the programme. The scripture lesson was read by Dorothy McCrimmon and three minute impromptu speeches were given by eight of the members. Some of the subjects spoken on were as follows: "Should girls powder their nose in public?", "It is better to have loved and lost than never to have loved at all?", "Should girls take advantage of leap year?", "Should a man rise when a woman enters the room?", "Who has more brains, men or women?", and others.

The public school children and pupils of the district were the guests of Mr. Allan Knight at the Guelph-Marlboro hockey game in Maple Leaf Gardens last Saturday afternoon and each person received a gift from Mr. Knight.

### LIONS MEET TONIGHT

District Governor W. Bosworth of Newmarket will pay his official visit to the Richmond Hill Lions Club at the regular meeting tonight.

### GIRLS' RED CROSS NOTES

Activities of the Girls' Red Cross are continuing successfully. A series of chain teas has been started in its aid, two having already been held at Mrs. Norman Anderson's and Miss Gladys McLatchy's with a splendid representation at each.

Every second Tuesday night meetings are held in the Red Cross Work Room above the Post Office where members are engaged in preparing surgical dressings for hospital supplies under the supervision of Mrs. James Langstaff. Girls who are interested are invited to attend the next meeting on Tuesday, March 19, at 8.15 p.m. and join in this helpful work.

### ORANGE EUCHRE

Prize winners at the regular Orange Euchre on Thursday evening of last week were: Ladies, Mrs. T. W. Allison, Mrs. Morley Beynon, Mrs. W. Middleton; gentlemen, A. Burgess, F. N. Hopper, A. Hawkes.

The next Euchre to be held on Thursday, March 21st, in the Lodge Rooms, Masonic Hall, will be the final in the series but the euchres will continue for some time.

### WAR VETERANS SUPPORT MULOCK

"There's too much camouflage in this election and we admire a candidate who has backbone to stand in the open and say what he really thinks," said A. W. Skelly, president of the North York Township Veterans Association at an open meeting attended by Canadian Corps executives at the Veterans' Hall, Newtonbrook last Thursday evening. He declared the Veterans were behind Col. W. P. Mulock because of his record in helping veterans and in appreciation of his interest in veterans' affairs.

## Salvation Army Red Shield Drive Is Launched Here

A number of citizens met at the home of Thomas Trench on Tuesday evening in connection with the campaign of The Salvation Army to raise \$1,000,000 for War and Home purposes, and after hearing an address by Captain Sloan decided to lend whatever assistance they could. The work of the Salvation Army overseas during the last war was highly praised by several of the men present who had been overseas. An objective was set to raise \$200 in the Village and early next week the following men will canvass:

Mr. R. D. Little and Mr. F. Schisler will call on householders living on Centre and Richmond Streets, west of Yonge Street; Mr. John Mabley and Mr. Duncan Kerr will canvass Arnold and Elizabeth Sts.; Mr. Walter Scott and Mr. F. Hoover will canvass Church St., south of Centre, Roseview Ave. and Markham Road; Mr. W. W. A. Trench and Dr. Wilson will canvass Centre St. East, Church and Dufferin; Mr. G. Yerex and Mr. James Butler will canvass Wright St., Benson Ave. and district; Mr. Thomas Trench and Mr. Harry Austin will canvass Yonge Street; Mr. Allan Bales will canvass Trench Street and Mill Street.

We trust that these canvassers will be kindly received and a generous response to the appeal for this cause is bespoken.

### SEED FAIR TO-DAY

There is a large crowd in attendance to-day at the annual York County Seed Fair which is being held in the Masonic Hall, Richmond Hill. \$200 is offered in prizes for the various classes of grain and seeds and the entry in all departments is very gratifying. This afternoon Dr. G. P. McRostie and F. F. Morwick of the O.A.C., Guelph delivered educational talks. Several Agricultural and Commercial displays added to the attractiveness of the event.

### YORK COUNTY VETERANS TRUMPET BAND

Practice will be held every Monday evening in the Municipal Hall at 8 p.m. All members and prospective members are urged to attend.

### THORNHILL CHURCHES UNITING FOR PRE-EASTER SERVICES

Beginning Monday evening, March 18th, the three churches of Thornhill, United, Anglican and Presbyterian are uniting in pre-Easter services. On Monday the service will be held in the Anglican Church with Dr. Stanley Glenn leading. On Tuesday the service is to be in the Presbyterian Church with Rev. E. B. Cooke conducting. Wednesday evening it is to be in the United Church with Rev. J. H. Colclough taking the service. Thursday evening the service will be held in the Anglican Church with Rev. J. D. Cunningham leading.

### THE TATLER

The TATLER, the school magazine, will be on sale at Commencement. This year the edition is very attractive and very ambitious. It will be sent out as an exchange to other schools and it should maintain the enviable position our school holds among the educational institutions of the province. Members of our staff hold important offices in both the province-wide educational organizations: the Secondary School Teachers' Federation and the Ontario Educational Association. In last year's graduating class of the University of Toronto, there were fifty former pupils of R.H.H.S., all of whom graduated with high honours; two of them led their classes and won awards. We are therefore proud of our school and we should like you to know more about our life and interests here. You will find from the many articles, that the latter are varied, ranging from the new international radio language to flying in the atmosphere and the technique of hitch-hiking. There are many features and all the photography is by the students. There is an excellent alumni section where the former pupils can find news of old friends and hear old voices speaking again in poems and articles.

## HORTICULTURAL SOCIETY NOTES

Each spring as all of our members are aware, the society's sprayer visits the gardens of many of our members when such trees as they think should be sprayed receive attention. Last year the society and its members paid the sum of \$100 to have this work done and since some of our members are not satisfied with the results obtained we have decided to go into the matter and endeavour if possible to find the reason for the spray not proving as successful as it should.

One of our members whose orchard was sprayed last spring went to the trouble of sending a sample of his spy apples to the O.A.C., Guelph and he was kind enough to let the society have a copy of his letter extracts from which will appear below.

The spy apples you sent me have been attacked by what is known as the apple maggot, sometimes called the railroad worm. This insect makes little punctures that appear on the surface and when the apple is cut you see brown areas. The larvae are small and difficult to find. Their food is the juice of the apple.

The larvae are full grown and come out when the apple is ripe. In most winter apples the larvae perish. When full grown they are about one fifth of an inch long and make large tunnels and ruin the fruit.

Apples infested by this insect are unfit for sale and if in any orchard only one infested apple is found, you are not permitted to export any apples of that particular variety from that orchard.

The maggot comes from a small fly. They begin to appear about four weeks after the blossoms have fallen. They feed for a week on the surface of the leaves or fruit and then begin laying eggs. The eggs are placed beneath the skin of the apple. In addition to the damage mentioned they also cause the apples to fall. After the fruit is ripe the maggot comes out and goes into the ground where it remains until June or July of the following year.

They also breed in haw trees. The first step in control is to see that all wild apple trees and haws are cut down. The time to do this is winter or early spring. Sprays should also be used and a late spray used to kill the late emerging flies. May we draw the attention of all property owners to the above paragraph and ask them to co-operate with the society in the control of this pest by endeavouring to remove.

from their properties which are breeding grounds for this insect.

We are writing to the Department of Agriculture and endeavouring to obtain more information on this subject.

If we can be of assistance to any person in removing trees please communicate with the secretary and we will endeavour to assist where possible.

The society hopes to again have as members all gardeners and flower lovers of the village and vicinity. May we ask you all to become members as soon as possible and take an active part in the work of our society.

J. MARTIN, Sec.

### FARMERS GUESTS OF CANADA PACKERS

Over sixty farmers from this district were guests of Canada Packers at a tour of inspection of their plant last Tuesday. The tour of inspection was organized by the Richmond Hill Agricultural Society in co-operation with W. M. Cockburn, York County Agricultural Representative. The party enjoyed the interesting and instructive tour of the plant and were privileged to witness all operations in the killing and processing of bacon hogs. At noon luncheon was provided by Canada Packers.

### AURORA MAYOR EXTENDS GREETINGS TO COUNCIL

Richmond Hill Municipal Council met in special session Monday evening in further effort to straighten the town's legal entanglements. During the meeting Mayor J. M. Walton of Aurora paid a friendly call and extended greetings from our northern neighbor. "I hope you soon get out of your troublesome litigation", he said. He stated he was glad to see the "old War Horse" back in harness, referring to his old friend Reeve T. H. Trench.
