"Socialism—If you have two cows you give one to your neighbor.  
 Communism—If you have two cows the government takes both and gives you the milk.  
 Fascism—If you have two cows you keep them, but the government takes the milk and then sells it back to you.  
 Nazism—If you have two cows the government shoots you and takes both.  
 Capitalism—If you have two cows you sell one and buy a bull.  
 Anarchism—If you have two cows everybody milks them and takes a slice of steak.
