Junior Farmers Annual Meeting

The annual meeting of the York County Junior Farmers was held on Wednesday, March 20th, in the Agricultural Representative's office at Newmarket and was one of the best attended and profitable in the history of this organization. All local Junior Farmer and Junior Institute Clubs, had held their elections during the first two weeks of March and the annual meeting, attended by the officers-elect of the locals, took the form of a rally or leaders' school.
 All Clubs, with one exception, were fully represented and enjoyed a programme especially designed to enable the various officers to more efficiently carry out their respective duties in the coming year. The business session in the forenoon was very ably presided over by the Vice President, Miss Doris Cook of Maple, who reported on the success of the year's activities including the Drama Festival, Judging Competitions, County Field Day, Home Plowing Competition and Skating Carnival. The Sec. Treas. reported a very successful year from the financial point of view.
 Following nominations for the various county officers, Mr. C. D. Graham, Agricultural Representative for Peel County, gave a very inspiring address on the subject "Travelling the Co-operative Way". The speaker urged the juniors to take a keen interest in the country's problems of to-day, pointing out that the youth of to-day must lay the foundation to fortify the country to carry the post-war load. This can only be done by each group keeping up its end and he stated the country is looking to organizations of young people of this type, to lead the way in developing a national organization for agriculture.
 Following luncheon at the King George Hotel, the girls met under the leadership of Miss Betty Wallace of the Women's Institute Branch to discuss project club work while the boys were lead in a discussion of club problems by Agricultural Representative W. M. Cockburn, who offered considerable assistance to the newly-elected presidents and secretaries of the various clubs.
 The results of the balloting were as follows: President, Earl Empringham, Gormley; Vice-President, Miss Roma Moorhead, Mt. Albert; Sec. Treas., Chas. Haines, Newmarket.
 Arrangements were made to hold the Judging Competition on June 6 and the Picnic and Field Day on Friday, June 14th.

 Dear Mrs. Wright:—
 May I take this opportunity to thank the members of your branch of the W.C.T.U. and interested friends for your most generous Easter gifts, which you kindly brought for distribution among our patients in hospital.  Each patient in hospital had one or two eggs for breakfast Easter Sunday, also an orange, and the fruit and cookies were given to them for supper Easter evening.
 I can assure you deep appreciation was expressed by all for your continued kindness and thoughtfulness for our men.
 Yours sincerely,
 C. H. Ross, Matron, Christie Street Hospital.

NOW YOU TELL ONE
 An Iowa farmer has just experienced one of the greatest freaks of nature ever. Seven years ago, before starting on a job, he hung his coat on a fence in the farmyard. Soon after he left it, a small calf walked up, sniffed the coat—and ate it up. In eating the coat, it didn't discover the gold watch which it contained until it was too late—he'd swallowed it.
 A short time ago, the calf, after good service, was slaughtered for meat. In dressing it, the butcher discovered the time-piece the animal had swallowed seven years before. It was still going—and the time was correct. Apparently the watch had wedged itself in such a position inside the animal that every time it breathed it kept slowly but surely, winding the watch up!—Everybody's (London).
