IT WAS BOUND TO HAPPEN
With inexperienced editorship, it was more or less a foregone conclusion that there would be some errors or omissions in the Lions Liberal, viz:

The name of Duncan Kerr, who was one of the active members of the advertising committee, was omitted from the list of club members.

The name of Mrs. Alex Cruickshank was omitted from the list of young women taking the Women's Auxiliary Motor Service course. We are sorry.

R. D. LITTLE, Lions Editor.

FOREIGN EXCHANGE ACQUISITION ORDER IMPORTANT NOTICE

As announced by the Minister of Finance, the Foreign Exchange Acquisition Order, 1940, has been enacted by Order-in-Council under the authority of the War Measures Act.

Unless exempted by the Order, every resident of Canada who, on May 1st, 1940, has any foreign currency in his possession, ownership or control, whether in Canada or outside Canada, is required forthwith to sell such foreign currency to an Authorized Dealer (i.e. a branch of a chartered bank) for payment in Canadian dollars at the official buying rate of the Foreign Exchange Control Board.

"Foreign currency", for the purposes of the Order, means any currency (excluding coin) other than Canadian currency and includes bank notes, postal notes, money orders, cheques, travellers' cheques, prepaid letters of credit, bank drafts and other similar instruments payable in any currency other than Canadian currency, and also includes any amount in foreign currency of which a resident has a right to obtain payment by reason of a deposit, credit or balance of any kind at or with a bank, savings bank, trust company, loan company, stockbroker, investment dealer or other similar depository.

The Order does not require the sale of any foreign securities.

The Order does not affect any foreign currency, deposit or securities of any non-resident of Canada and for greater certainty the Order expressly declares that a non-resident visiting Canada for business or pleasure for a period or periods not exceeding six months in the year continues to be a non-resident for the purposes of the Order unless such person enters or has entered Canada with the intention of becoming a permanent resident.

No resident is required to sell any foreign currency if he satisfies the Foreign Exchange Control Board that he held such foreign currency on May 1st, 1940, solely as trustee or agent for a non-resident and that the non-resident's interest therein had not been acquired from a resident since September 15th, 1939, except in a manner approved by the Board.

Under certain conditions stipulated in Section 1 (b) of the Order, a resident who is not a Canadian citizen may be granted exemption, but only after application for exemption is approved by the Board.

No life insurance company incorporated in Canada is required by the Order to sell any foreign currency which it needs for the purpose of carrying on its business outside Canada.

Further particulars may be obtained from branches of chartered banks. Any resident who has any foreign currency in his possession, ownership or control on May 1st, 1940, regardless of amount, should consult his bank at once in order to ascertain the extent to which he is affected by the Order.
