PARAMOUNT NEWS

VICTORIA SQUARE NEWSY NOTES

The W.M.S. are planning on packing their summer bale and if anyone has anything to contribute to it, the ladies will be only too glad to have it—anything that the children have outgrown, and yet is in fairly good condition, or any small items suitable to accompany a layette or quilts, etc. An announcement from the pulpit on Sunday asked for these articles to be left at the church or at Mrs. McRoberts' as soon as possible as the day for packing is set for Monday, June 3rd.

The W.A. have secured Dr. Hogg of the Observatory to speak on his European trips for the May supper which is to be held on May 29th. Also Mr. John Tracey, Richmond Hill, to give a few of his readings. Those who have heard Mr. Tracey before will want to come again just to hear him, and then Dr. Hogg surely would be an added attraction. There will also be special music.

Perhaps some one will be saying I thought these W.A. suppers were only for winter time. It is left entirely with the leaders and their helpers to decide, and as the roads were bad during the winter, several times the refreshments that were ordered did not arrive and they had to be bought, which lowered the funds considerably. So please come along and help the good cause. The groups are all trying hard to make it an entertaining and social evening each month, which should encourage you to come out.

Mr. Herman Mortson has purchased the 100 acre farm on the north east corner at Victoria Square known as the Reid farm. A good many in this community will never remember when it was known as anything else but the Reid farm. Mr. and Mrs. Reid are planning on moving to Toronto to live with their eldest son Duncan and little boy.

The Rev. McKay of Leaside was preaching at our church on Sunday for a call. Everyone who has passed their opinion yet within hearing distance of your scribe have said they liked him very much, so now I suppose it's up to Mr. McKay.

On Tuesday evening the S.S. had their annual meeting with regard to the summer party. It was decided to carry on the same as last year, to have our anniversary services on Sunday, June 16th and to have a free-will offering. There will be no party, but the following committee was appointed to arrange for a picnic where, when and what they like: Mrs. McRoberts, Mrs. McCague, Mrs. Jarvis, and Messrs. Herman Mortson, Harvey Collard and Harry Barber. That looks like a good committee don't you think?

Softball Opener Tuesday Night

The opening game in the South Simcoe Softball League will be played at Richmond Hill next Tuesday evening with Aurora as the visiting team. The locals have a strong line-up this year and are hopeful of annexing the league honors. The league this year includes teams from Richmond Hill, Aurora, Newmarket, Sutton, Camp Borden, Barrie and Midhurst. The game next Tuesday night will get under way at 7.15 p.m. D.S.T.

LOCAL BOYS HURT IN CAR ACCIDENT

William Murray is in the Newmarket Hospital suffering from a fractured skull and other injuries received early Thursday morning when the car in which he was riding left the road and turned over several times. George Stong, driver of the car, suffered minor bruises but was not seriously hurt. The accident occurred south of the Summit. After leaving the road the car struck a telephone pole and turned over. Traffic Officer Howard Jackman investigated the accident.

GIRLS' RED CROSS NOTES

Members of the Girls' Red Cross who attended the last Chain Teas held at Miss Marion Ramer's and Mrs. Dorothy Reaman's report having had a splendid time with a good silver collection at each.

Girls who are tagging on the 24th of May are asked to meet at the Post Office not later than 9 a.m. in order to be given their positions.

The making of surgical dressings still continues. Since these supplies are needed now more than ever the help of more of the town girls will be greatly appreciated. The next work meeting will be held in the Red Cross Room on Tuesday evening, May 28th.

STAGE ALL SET FOR 91st ANNUAL FAIR TO-MORROW

The gates of Richmond Hill's 91st annual Spring Fair swing open Friday morning, and if favored with favorable weather the event promises to be one of the best in the long history of the Society. Judging by the enquiries and large number of entries received the showing of horses will be considerably larger than last year. The increasing interest of Hunt Club members and the large number of saddle horses in this part of the country would indicate that the saddle and hurdle events will be more keenly contested and this popular feature of the Fair promises to be the best since it was added to the program.

Interviewed by The Liberal this morning President Harry P. Charles made a plea for support for the Fair this year. "Our 91st annual Fair will be held under the cloud of serious conditions in Europe", he said. "Nevertheless I think the present and fateful period presents a challenge to all of us to do all we possibly can in holding the line on the home front. The Agricultural Society appreciates its responsibility in this regard and its aim is to give every possible effort to assist the important Agricultural Industry and thus help our national effort." Mr. Charles extends a hearty invitation to all citizens of the district, young and old to attend the Fair and join in the program which has been arranged.

There is marked activity at the grounds today in preparation for tomorrow's big event. A large number of the midway people are already here and several booths have been erected. Free admission tickets have been sent to all school children in the district and special attention is being paid to children's exhibits, as school fairs have been discontinued this year by the Department of Agriculture.

The amusement attractions include a Softball tournament, the famous Marionettes, Performing Donkeys and numerous other novelties.

The night attraction is an all-star Wrestling Show featuring some high class mat performers.
