## Junior Farmers Urged to Be on Guard Against Fifth Columnists in This Country

JUDGING COMPETITION HELD HERE WEDNESDAY

York County Junior Farmers livestock judging competition and the Girls' Achievement Day were held here Wednesday. The girls' exhibits were shown in the United Church school room all day, and livestock judging was on farms in the district. In the evening a banquet was held in the school room which all the contestants attended.

Morgan Baker, M.P.P. for North York addressed the Junior Farmers and Farmerettes and urged them to do everything possible to help towards the successful completion of the war. Mr. Baker traced the unsuccessful attempts against freedom from the time of the children of Israel down to the present conflict. "No one nation has done as much to free mankind as this dear Motherland of ours. Hundreds of millions of soldiers have shed blood on the battlefields that we may sit here tonight and enjoy ourselves as free people should. The ones who believe in liberty and the emancipation of human beings are fighting tonight against a force of evil.

"You might not be able to fly a plane, go to Europe, or make munitions in a factory," declared Mr. Baker, "but you can do your part here and do it well whatever it may be. You can furnish the allies with all the food that they can use. The young women can help too, even if it means only doing their domestic work well. The young men can help by doing their chores well. If you do these things you will advance as long as the immortal soul inhabits the body to bigger and better things."

Mr. Baker urged the assembly of young farmers to notice any activity in their neighbourhoods that might lead to subversive activity. "It might be someone who is taking an unfair advantage during war time, they might be unfriendly to us or friends of the enemy. In any case don't go out looking for them and don't be unjustifiably suspicious of anyone. Notify your nearest law enforcement officer or notify me and I will see that the matter is investigated."

In conclusion Mr. Baker urged that they sacrifice everything towards the successful conclusion of the war even if it means a slight loss on their part. "I am confident we are going to win," he concluded.

W. M. Cockburn urged that all the Junior farmers do everything they can to fight fifth column activity in the country. He urged them to help the Red Cross and if possible donate a woollen blanket for the soldiers overseas, and the refugees of invaded countries.

Prizes were awarded as follows: Girls' Achievement Day: There were 76 entries in the homemaker club this year. Of special note in the girls' results were Doris Cook of Vellore Club and Sadie Windas of Vellore Club who won trophies. Both the girls were former Chicago trip winners and had completed 12 units of work. They were the only two girls in the province to attain this honour. Vellore club received an Bekard water pitcher for having the highest number of points. Frances Stickwood of Pleasantville won the Chicago trip for having the highest number of points. Other prize winners were: Lorna Weddel, Sharon; Doris Penrose, Pleasantville; Lorna McClure, Pleasantville; Norma Drury, Pleasantville; Irene Harper, Pleasantville; Frances Stickwood, Pleasantville; Jean Hadwin, Vellore; Betty Keffer, Vellore; Muriel Casey, Vellore; Helen Bowes, Vellore; Irene Hadwin, Vellore; Beatrice Rumble, Vellore; Reta Pearson, Richview.

### 1940 Livestock Judging Competition

Chicago Trip—Howard Codlin, Malton (883).

Senior Championship, Hon. Geo. S. Henry Shield—Reford Gardhouse, Weston (890).

Junior Championship, Major Geo. B. Little Shield—Douglas Palmer, Richmond Hill (878).

High Coach—Alex Davidson, Agincourt.

High Novice, C.N.E. Shield—Milne Freeman, Milliken (841).

Inter Township Team, (Wilford Duffy)—Etobicoke Township.

Challenge Trophies—Horses (E. T. Stephens-Jas. McLean)—Austin Rumble, King; Beef Cattle (John Gardhouse)—Hugh Gardhouse, Weston; Dairy Cattle (Gordon Duncan)—Bert Livingston, Woodbridge; Sheep (D. W. Baxter)—Arthur Dalziel, Woodbridge; Swine (Boynton Bros.)—Chas. Haines, Newmarket.

## Local Man Awarded Watermain Contract

Richmond Hill Municipal Council met in regular session Monday evening and after receiving satisfactory local tenders for the construction of a watermain on Vaughan road unanimously agreed to discontinue negotiations with a Toronto firm for this work. At a previous meeting tenders for the work were received only from three Toronto firms. This aroused protests locally and a second invitation for tenders was issued with satisfactory results.

The tender was for approximately 700 feet of watermain to serve the new homes now being erected on Vaughan road. Four tenders were received as follows: John and Victor Carlyle 40c. per foot; George Taylor 60c. per foot; B. Sheppard 40c. per foot; Wilfred Booth 40c. per foot.

On motion of Councillors Dr. J. P. Wilson and William Neal the tender of W. Booth was accepted with stipulations that the work was to be completed as quickly as possible, and not more than thirty days from date of commencement.

Councillor Dr. Wilson pointed out that one of the three homes being built on Vaughan Road was now completed and the owners wanted a water supply as quickly as possible.

Members of council voiced satisfaction with the oiling of the streets this year. New high quality Tarco primer was used which has proven very satisfactory and an improvement over the oil formerly used. The total cost for the oiling of the streets was \$973.35 which is a little lower than was paid last year.

On motion of councillors Wes Middleton and Dr. J. P. Wilson grants of \$50 and \$25 were voted to the Richmond Hill Horticultural Society and the Richmond Hill Agricultural Society.

Dr. Wilson, chairman of the Waterworks committee drew attention to Department of Health regulations which provide that every person who builds a new house must file with the secretary of the local Board of Health a plan of the drainage and plumbing system of the house. The clerk was instructed to draw this section to the attention of all seeking building permits, as it was felt its enforcement would save much trouble and confusion concerning location of drains.

The by-law appointing H. B. Strling, waterworks engineer was given its several readings and agreement outlining his duties approved.

### SUGGESTS LOWER FARES ON THE RADIALS

Commenting on the operation report of the North Yonge Radials at the council meeting Monday night councillor Wes Middleton expressed the opinion that while the line showed a profit for April it would show a much larger balance if the fares were lowered.

### CAR STOLEN WEDNESDAY NIGHT

Mel Smith, baker at Kerr Brothers, had his car stolen from in front of the Hotel Richmond last night about eight o'clock. Police are investigating but at the time of going to press it had not been recovered.

## VICTORIA SQUARE NEWSY NOTES

The pupils of Victoria Square school and their teacher Miss Holden extend a cordial invitation to their parents and friends to be present at their "At Home" which is being held on Friday evening, June 7th at 7.30 E.S.T. Features of the evening will include a debate with the pupils of Buttonville school, a drama of South America entitled "The Fighting Family", musical numbers and an exhibition of the pupils' work for the year. A social half hour will be spent at the conclusion of the programme. You are assured of an interesting and educational evening.

Next Sunday, June 9th, there will be a representative of the Temperance Association to give the address in church. Plan to attend.

Miss Dorothy Valliere was at home over Sunday.

We were pleased to see Mr. and Mrs. Mortson and family of the 3rd line out on Sunday. Hope they will continue to come.

Keep the date July 11 open for the Sunday School picnic to be held in Woodbridge again this year. Further notice later.

Mrs. Stanley Boynton had her cousin Mrs. Seelye formerly of England to visit with her last week.

Mrs. L. Knapp heard through the news cast on last Sunday's broadcast that the children in her home town in Essex, England, where her father still lives, were being sent back into Middlesex county.

Mrs. Preston of Toronto (nee Miss Julia Stiver) spent last Friday with her school chum, Mrs. W. F. Nichols. Mrs. Preston is leaving by train Monday evening to make her home with her son Percy Bovair who resides in southern Saskatchewan.

The members of the Mission Band enjoyed a picnic which was held at the Devil's Elbow on Saturday afternoon between drops.

On Monday evening the Y.P.U. played the first game of the season with Mt. Pisgah at Mt. Pisgah. Sorry to say the Square lost with a score of 11-7. The return game is planned for Friday evening, June 7 at Mr. Rumney's. Come one and all and help the team along.

The Victoria Square Institute are busy these days planning the picnic lunch for the Kiwanis Club, holding their picnic this year on the grounds of Mr. Rumney on Friday afternoon, June 7th, followed by a 1-act play by Unionville J.F.A. and a barn dance.

Mr. and Mrs. E. Caseley called on

friends in Bradford and Barrie last Thursday, including Mrs. Caseley's parents, Mr. and Mrs. Caldwell, who are getting along in years, but are in fairly good health.

Mr. and Mrs. Robert Beatty spent a few days last week with friends in Kitchener.

On Tuesday evening the J.W.I. and J.F.A. had two very interesting and educational meetings, the attendance being good for such a busy month as June is for those in these two clubs. Don't forget the York county picnic at Musselman's Lake on Friday, June 14th. The speakers of the evening were the manager of Leechcroft farm who brought out many new ideas to the boys, and Mrs. Bruce Wallace at the girls' meeting spoke on utilizing home products, vegetables, meats, wool, etc.

Those who are knitting socks for the Red Cross are asked not to make a double heel. Sometimes the double heel is hard on the feet while marching.

Mr. and Mrs. Wesley Boynton of Port Perry accompanied by Mrs. Boynton's aunt, Mrs. McPhail of Milton, had tea on Sunday evening with Mr. and Mrs. Stanley Boynton and family.

Mrs. Stanley and Miss Helen Boynton spent the week-end with Mr. and Mrs. W. E. Boynton of Toronto.

The 42nd Anniversary of the Victoria Square Mission Society will be held in the church on the evening of Friday, June 14th. Rev. Irwin of Lemonville, a former pastor of the charge, will give the message. Mr. and Mrs. Irwin will sing. All in the community are invited. A special collection will be taken.

O. L. Heise left on Monday night for Thomas, Oklahoma, to attend the seventieth annual conference of the Brethren in Christ Church which convenes June 6-13.

## Local Improvement Streets Paid for and Worn Out are Richvale District Problem

Building By-Law Now In Force in Vaughan Township —  
Relief Hit New Low In May — Council  
Lets Gravel Contract

Streets in East Vaughan districts constructed some years ago as Local Improvement projects and paid for by property owners are now in a deplorable condition, the members of Vaughan township council were told at the regular meeting at Vellore last Monday afternoon by a deputation from the East Vaughan Ratepayers Association. These streets were paved on petition of the ratepayers back in the years 1926, 1927 and 1928 and were paid for over a period of ten years. They are now paid for, worn out, and their repair or rebuilding present a problem to the people of the district. The delegation interviewing the council consisted of Fred Broom, J. D. Fletcher and Mrs. Weaver.

Any possibility that contractors had any responsibility in the matter was discounted by members of council who pointed out that the contractors kept roads in repair for a two year period and then their responsibility ceased. At the time of construction the estimated life of the roads was ten years. Members of the delegation urged on council the necessity of something being done at once at least to repair the roads, as in their present condition they were dangerous and a detriment to the district. The surface is broken with large sharp cornered holes which make the streets very rough and which are difficult and very expensive to repair. The condition of the surface makes patching in most places impracticable. The streets concerned include Oxford, Yonge-hurst, Spruce, Oak and Garden Avenue.

The petitioners pointed out that many people in the district feel that while the original road construction was carried out as a local improvement paid for by the people on the streets, the council should now assume responsibility for the upkeep of the streets the same as other roads in the township. Members of council pointed out that if the streets are to be repaved, it would have to be done as a local improvement, as the township finances could not stand such outlays as paving would entail. To pave those streets would take our total levy for roads for the whole township, said Reeve Scott.

Councillors did agree that on such arteries as Spruce Street which gets a lot of township traffic not originating on the street that the municipality should bear some portion of the cost.

It was suggested that possibly the roads could be scarified, and with the addition of some gravel made reasonably good. The possibility that government regulations might prohibit the issuing of any debentures for the duration of the war might interfere with any program

of re-paving the streets as a local improvement.

Reeve Scott and members of council will interview the Township Engineer and report if possible to the next meeting of the East Vaughan Ratepayers Association which will be held Tuesday evening, June 11th.

Members of the delegation pointed out that the aim of the Association was to improve the district, and it was felt one of the first steps should be the improvement of the roads.

### Building By-Law In Force

Reeve Scott announced that William Riddell of Thornhill had been appointed by Council as Building Inspector and that By-Law number 1480 regulating all building in the Township was now in force. A permit is now required for all building operations, and all building must conform to regulations of the Building By-Law which may be seen at the Clerk's office or copies purchased for 25 cents.

### Relief Down

Treasurer J. M. McDonald reported relief expenditure for May was \$400, compared to \$1060 in May 1939, and \$1400 in May of 1937. At present relief allowance has been limited almost entirely to unemployed, as most able bodied men are now working. At present in Vaughan there are 82 persons on the relief roll.

### Gravel Contract

The contract for the supplying of crushed gravel for township roads this year was let to Armstrong Brothers of Brampton at a price of \$1.15 per yard laid on the road anywhere in the township. Tenders were called for the work and Armstrong Brothers chosen from six tenders submitted. They will supply gravel from Herb Farm's pit.

### Court of Revision

Council met as a Court of Revision previous to the council meeting and heard appeals against the assessment. The following appeals came before the court and were dealt with:

Thomas Prior, plan 2695, confirmed, unchanged.

Frank Troyer, lot 6, con. 8, reduced \$100.

George H. Troyer will be assessed as tenant instead of Farmer's son.

Irene Valliere, sub-lot 43-44, plan 1923, confirmed, unchanged.

H. D. Flotts, lot 31, con. 2, confirmed, unchanged.

Thomas Wood, plan 1999, confirmed, unchanged.

The appeals of J. W. Dalziel, lot 1, con. 5 and the Uplands Golf Club concession 1 were adjourned until June 15th.

Red Cross Afternoon Tea and Home Baking Sale, Friday afternoon, June 14th.
