Nutrition Course As War Emergency At O.A.C. July 2nd

Red Cross Asked To Select One From Each Community To Take Instruction

The Red Cross has been asked to co-operate in an effort to meet a special war-time need for better utilization of food, and each Society is asked to nominate one person to attend a War Emergency Course in Nutrition at the O.A.C. Guelph, commencing July 2nd and continuing for four weeks.

The purpose is to train a key person in each community who motivated by a desire to contribute to national service in the present emergency is willing to devote time to bringing much needed information to the various communities.

The Ontario Division of the Red Cross has accepted the responsibility of asking branches to select persons who will be permitted to attend. Such a request has been received by local Societies.

Recent events in the present war have shown that preparedness along all lines for both intensive warfare and a possible prolonged struggle is imperative. In the future the question of feeding our people may be one of major importance, and already the following problems are facing us: future additional demands for food overseas; the danger of crop shortages; the large number of refugees expected to be sent to Canada; maintaining our health in face of greatly increased demands on our physical and mental energy.

Sir John Boyd Orr, outstanding British authority on nutrition has warned: "In the present war the whole nation is subjected to the strain of war conditions. The diet of our people must be such that they can endure the strain and preserve their courage and power of endurance which will be needed to secure victory."

On Friday last, the members of the York County Grain and Calf Clubs, along with the officers of the Junior Farmers and Junior Institutes, were entertained at a picnic at the farm of Dalton Rumney of Victoria Square by the members of the Downtown Kiwanis Club who also brought along their wives and children. About 250 enjoyed the picnic supper which owing to the thunderstorm, was served in the barn.

The Kiwanis Club Boys' Band, a group of underprivileged boys of downtown Toronto organized by the Kiwanis Club, provided music and the Unionville Junior Farmers' Club presented their winning festival play "Brothers in Arms" on a very neatly arranged stage in the barn. The evening concluded with a short dance. Alex Davidson of Agincourt moved a vote of thanks to the Kiwanis Club and this was seconded by Fraser Gee of Victoria Square. W. M. Cockburn acted as chairman.

The Kiwanians presented Mr. and Mrs. Rumney with a silver Water Pitcher in appreciation of the use of their home and in a tangible way showed their gratitude to Mrs. Marcus Jarvis, President of the Junior Institute whose group had prepared the lunch.

George Hambly Purchases Markham Township Farm

Another attractive farm in Markham township has recently been sold by J. A. Willoughby, including a herd of dairy cows, tractor and all farm implements and equipment. The purchaser, George I. Hambly, residing at Maple at present, formerly owned two large farms at Unionville which were sold by J. A. Willoughby to A. H. C. Proctor.

This farm is located at the northeast corner of Bayview and Elgin Mills side road and consists of 100 acres. There are two creeks on the farm. The house is clapboard, situated among beautiful old willow trees and overlooking the never-failing spring stream, which was originally dammed up and used as a swimming pool and fish pond by the previous owner, the late Mr. Justice Raney. The house was partly modernized by the latter, and now has a modern bathroom, furnace and Hydro installed. Adjoining the main residence is a four-roomed house for the farm manager.

There are two bank barns 75 by 36 and 52 by 36, which tie up five horses and 21 head of cattle, and in addition there are the other necessary farm buildings. The new owner will continue to operate the property as a dairy farm, shipping milk to Toronto.

The new owner will improve the farm as a country home and carry on farming as he is greatly interested in agriculture.

CANADA IS AT WAR

* The Hindu Proverb says, "Of
* thy unspoken word thou art mas-
* ter. Thy spoken word is mas-
* ter of thee." We question if
* any of us realize the power of
* words.
* The mouth is a crater which
* sends forth a more deadly lava
* than that which entombed Her-
* culeaneum and Pompeii. "In a
* multitude of words there want-
* eth not sin." "Speech is silver,
* silence is golden." People should
* weigh what they say.
* The recklessness of the mouth
* is simply terrific. The Chinese
* say that "a word rashly spoken
* cannot be brought back with a
* chariot of four horses." Set a
* watch at the door of your lips.
* Remember Canada is at war,
* and even walls have ears.

VICTORIA SQUARE NEWSY NOTES

Last Friday afternoon and evening was a busy time for a few members of the Institute. Those who were able to spare the time were at the Community Hall, and under the leadership of Mrs. M. Cockburn and Mrs. Jarvis, busied themselves with the making of 52 loaves of bread into sandwiches. There being only 10 present it took most of half a day preparing the filling, etc. While the evening was rather damp, everyone reported a good time. We are sorry for the Kiwanis Club that the weather would not permit any outside games. However the large barn of Mr. Rumney's proved a great spot in time of storm. The 40-piece band from Toronto was splendid, as was also the play put on by Unionville J.F.A. entitled "Brothers in Arms". After lunch the chairman of the evening called Mr. and Mrs. Rumney forward and after thanking them in a few kindly words for the grounds, presented Mrs. Rumney with a lovely silver water pitcher. Then Mrs. M. Jarvis, President of the Institute, was asked to go to the platform and was presented with a five pound box of Laura Secord chocolates to show their appreciation for the way the Institute had prepared and served the lunch to such a large gathering. The orchestra then provided the music for the dance which was enjoyed by those present.

Those who were present at Miss Holden's entertainment on Friday evening report a splendid program and that the children are being trained to take their place upon the platform with the confidence of a lawyer. Congratulations to Miss Holden and pupils.

The friends of Mr. and Mrs. Fraser Smith in this community extend their deepest sympathy to them in the loss of their infant son.

Mr. and Mrs. Britnell had dinner with Mr. and Mrs. L. L. Nichols on Sunday.

The Y.P.U. of Headford have invited our local Y.P.U. to visit them on Monday evening, June 17th and join them in a game of volleyball. Everyone is invited to go.

Don't forget to get your lunch basket ready girls for Friday. The executive are hoping that a whole family won't try to squeeze through on a 10c. cake. So come girls, let's co-operate with the executive and give them a bun feed for a change.

The Institute executive or portion thereof, met at the home of the president on Monday evening to plan programs for the coming year. So if you want a program be out next meeting.

A very enjoyable evening was spent at the home of Mrs. Stanley Boynton on Monday, June 10th when the Red Ribbon Workers Class gathered in honor of Mrs. Haig, their S.S. teacher, who is to reside at Aurora with her sister, Mrs. Bennet. Fourteen guests sat down to a very delicious supper served by the hostess, after which Mrs. Haig was presented with a leather shopping bag. The address was read by Miss B. Robertson and the presentation was made by Miss C. Sanderson. Mrs. Haig replied with words of sincere appreciation and inspiration to the girls of her class. They all feel very

keenly the loss of their teacher and friend. Mrs. Huggins was presented with a gift for her baby boy by the class of which she is a member. A most pleasant social hour was enjoyed by the girls and Mrs. Haig, the memory of which will be a source of inspiration to them all.

The regular monthly meeting of the W.A. will be held in the Sunday School room on June 19th. The program is left in charge of the following: Music, Mrs. H. Gamble; Worship Service, Mrs. W. Trussell; Topic, Mrs. R. Nichols.

On Sunday, June 16th, which is anniversary Sunday, there will not be any Sunday School but the church service will start at 2 o'clock Standard Time and 7.30 p.m. Rev. Rumley of Agincourt will be guest speaker at both services. In the afternoon there will be a children's choir assisted by a soloist. In the evening our own choir and a few guitar selections by Mr. McCaulay.

Mr. and Mrs. E. Gooderham spent Tuesday with Mrs. W. F. Nichols and her daughter.

Don't forget the W.M.S. meeting on Friday evening in the church. Mrs. Cecil Nichols and children are holidaying in Smith Falls.

Next Tuesday evening, June 18th, the J.F.A. and J.W.I. are going to visit Stouffville clubs and supply the program. Be at the store in good time if you want a ride to Stouffville.

Several from here attended the funeral of the late Robert Holmes which took place in Toronto. Mr. Holmes, along with his brothers and sisters, was once a pupil of S.S. No. 6, their home being where Mr. Jonathan Calvert now lives. The Holmes family have always been well respected by those who knew them. Mr. Robert Holmes leaves a widow, three brothers, one sister, a number of nephews and nieces, along with a host of friends to mourn his loss.
