WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of June 17th, 1900
As a result of the Art school examinations held at the High School in April last we are able to state that 50 Proficiency certificates have been awarded to our High School. Miss Risebrough was fortunate in securing a full Teacher's certificate. The figures are Richmond Hill 50, Newmarket 49, Markham 47.

The opening services in connection with the the Zion church on the Thornhill circuit were most successful. The sermons on the Sabbath by Rev. Chas. Fish of Toronto were practicable and profitable and very much enjoyed by the large congregations. The garden party at Mr. Ness' on Saturday was largely attended. The Thornhill Brass Band was present and delighted the company with most excellent music. An exciting football match was played between the Dollar and Langstaff teams, the Dollar boys claiming the victory. The Rev. Mr. Stephenson gave an address. A sumptuous tea together with ice cream, lemonade, bananas, etc. added materially to the occasion. Proceeds \$81.00.

The hardest game of lacrosse ever played here took place on the park last Saturday, when the Toronto Junction Shamrocks met the home team in the opening match of the

York District. By mutual consent Mr. F. Waghorn was chosen referee, and to his leniency is due in a large measure the victory of the Junction. The referee seemed to have too many duties for his capacity, and paid attention to the time keepers whom he evidently could not trust, rather than to the players. In the 8th game he placed Ellston on the fence for an unintentional foul, whereas a Junction man fouled F. Sims the same way but a minute before. He ruled George Sims off for looking at an opponent; he preferred not to see the cross checking and tripping which a Shamrock repeatedly perpetrated on Geo. Sims. At 4.25 after the referee's usual remarks, the players lined up as follows: Toronto Junction—Goal, Behan, Kessock, Saville, Roach, Gilbert, Macdonald, Bond, T. Gilbert, Complin, Taylor, Graydon, McKenzie, field captain, B. Law; umpire, Simpson. Richmond Hill—Goal, F. Sims, John Glass, W. Glass, B. Glover, G. Sims, W. Trench, C. Ellston, J. McKenzie, H. McKenzie, A. Glass, J. Glover, W. Clifford, field captain, W. E. Wiley; umpire, F. Grainger. Referee—F. Waghorn. The Hill scored the 1st, 2nd, 4th and 6th goals, the Junction taking the 3rd, 5th, 7th, 8th and 9th. The superior weight of the Junction told on our boys towards the end, which coupled with the unfairness of the referee cost the Hill the game.

The will of the late W. H. Lundy, Markham Township, has been entered for probate. It disposes of an estate valued at \$7,155 of which \$1,400 is invested mortgage, \$300 in stock and \$5,000 in lot 19, 4th concession Markham. The widow gets \$3,000 and the balance is divided among the five daughters.

General News & Views

Nazism, Communism, Fascism and the most dangerous of all is Defeatism.

Heavy rain last Friday and Monday evenings has made an abundant supply of moisture.

Severe thunder storms of recent weeks recall to mind the severe electrical storms during the other Great War. Although the experts say the war has nothing to do with it, there is general comment on the coincidence.

Crops throughout the district look very promising. Fall wheat was damaged to some extent by the severe storms and heavy rains.

Morley L. Andrews, for fourteen years clerk of the Town of Aurora, died Tuesday, June 4th and the funeral was held June 6th.

According to the weather bureau there was less sunshine in May of this year than any May since 1886.

The Allied struggle in the battle of Flanders has become "an epic of bravery and endurance," the New York Times said editorially today.

"Those who survive will bring stories of individual and regimental heroism that may live as long as bravery is honored among men," the paper added. "Those who never return will have left a memory that will inspire the Allied peoples for generations to come."

The Gary (Indiana) Post-Tribune editorially urged an immediate declaration of war against Germany by the United States. Such a declaration, the editorial said, would fortify the morale of the Allies and would keep Italy from entering the conflict on the side of Germany.

"Our stand against Hitler would ring like a bell of freedom throughout the spineless neutral world," the editorial said. "If we wait a month or two it may be too late."

Markham will spread 25 tons of calcium on the Township roads it was revealed at the regular council meeting held at Unionville last week. This amount of dust layer will cover 8 3/4 miles at an expenditure of \$697. Additional material may be purchased later in the season if conditions demand.

Frank Harvey of Gormley reports having sold the old mill property at the corner of the 5th concession of Whitchurch and the Markham townline to a Mr. Langfellow of Toronto. The mill was removed from the property a few years ago and established at Gormley, but the attractive sight and pond privileges were always considered to be an ideal location for a lovely country home. Mr. Langfellow who is now in possession, has a gang of men engaged repairing the dam and will later stock the place with fish.

Mr. H. A. Nicholls, Real Estate agent, reports the following sales during the week: The Wm. Washington farm on the second concession Vaughan, being lot 30, and comprising two hundred acres, to Christopher Topper of Elgin Mills. The residence now occupied by Dr. Wilkinson and Charles Mason in Richmond Hill to Dr. Pentland.

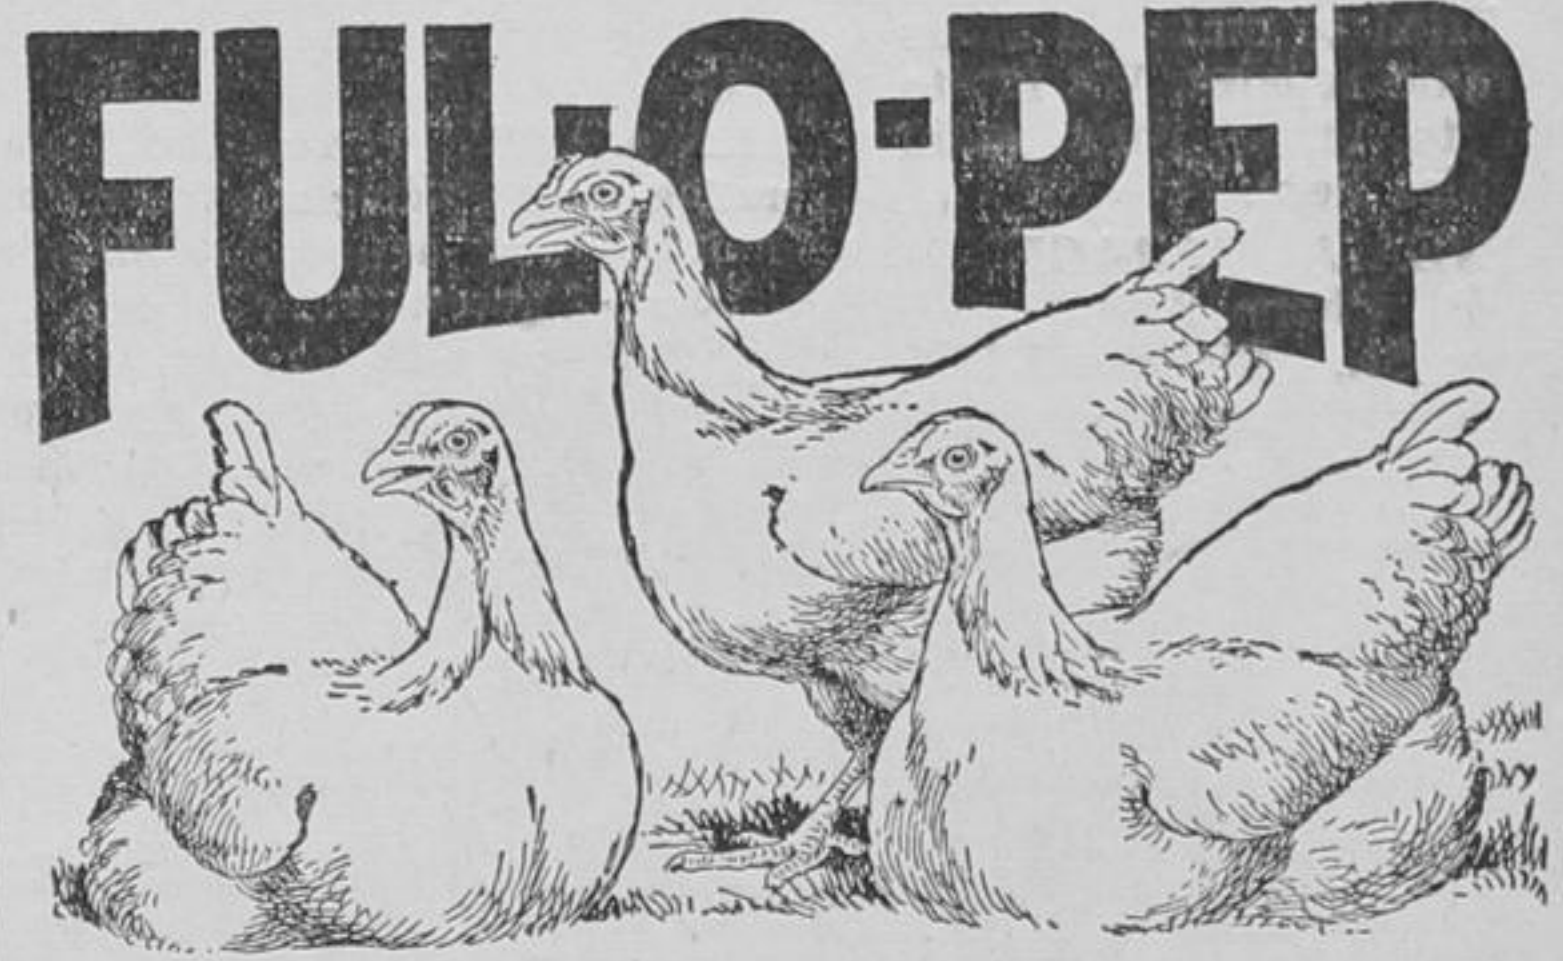

Markham Township will have many new handsome barns this summer, and the neighbourhood of Victoria Square seems to be taking the lead. On the 28th of May Mr. W. F. Nichols raised his second barn this summer, at which some one hundred and fifty were present. The captains chosen were Mr. James McLean of Richmond Hill and Mr. W. Stiver of Unionville, and after a close run Mr. McLean finished first. The structure is 40x60, with a hip roof on a stone foundation. Mr. John Claffey had the contract for the masonry and William McKenzie the frame work. Refreshments were served on the lawn of Mr. Nichols' home residence. Again, last Thursday Mr. W. Brumwell had a barn raising, the frame work being done by Mr. Stoutenborough, and the mason work by Mr. John Claffey. Walter Scott and Jacob Lunau, home birds, were the captains, and Walter came out an easy winner. Ample refreshments were served on the lawn.

FIFTEEN YEARS AGO

From our Issue of June 11th, 1925
York County lost another link with the historic past, when on Saturday, June 6th, 1925, one of its oldest sons, in the person of David Frederick Sprague, following an illness of less than a month and two serious operations, slept peacefully away at his late residence at Elgin Mills, near Richmond Hill. The funeral service was held from his late residence on Monday. Interment was made in Newmarket.

A very pleasant event occurred in the village on Monday last, when Mr. and Mrs. J. H. Sanderson, two of our oldest and most highly esteemed residents celebrated the fiftieth anniversary of their wedding by being at home to their many friends throughout the afternoon and evening. Mrs. Sanderson was becomingly gowned in grey and was assisted in receiving her guests by Mrs. John Duncan, her bridesmaid of fifty years ago.
