CANADA OFFERS HELP FOR EVACUEES

The possibility of evacuating British children to Canada is under the consideration of the government in Great Britain. Assurance of Canada's full co-operation in this matter has been given by Hon. T. A. Crerar, Minister of Mines and Resources. The plan may include Belgian and French children.

What "Nazi" means?

The word "Nazi" pronounced 'naht-zee' is not in the German language, despite its general use to denote Adolph Hitler's Government and followers. It is a coined word — an abbreviation of 'National Socialisten', the German equivalent of 'National Socialists', which is the official name of the Hitler party.

DANIEL FORETELLS ADOLF HITLER

Daniel foretold Hitler, according to Right Hon. Ernest Brown, Secretary of State for Scotland. In fact, the Bible has quite a lot to say about him.

Addressing the 1,500 delegates at the opening of the Baptist Union Assembly at the City Temple, Mr. Brown said a young man recently asked what the Bible had to say about Hitler.

"I told him," declared Mr. Brown, "you will find it in James Moffatt's translation of the 11th chapter of Daniel, verse 21. It is an intimate account and career of a tyrant and it reads:

"A despicable creature shall arise, one on whom the royal honor is not conferred, but who comes when men are off their guard and gains the kingdom by means of crafty promises.

"He shall work deceitfully. He rises to power by aid only of a small party. When men are off their guard he attacks the leaders in each province.

"He shall scatter prey, plunder and property among his followers. He shall exult himself and magnify himself. For he shall magnify himself above all.

"He shall not heed the gods of his fathers...or any other god, for he shall exalt himself above all gods. "But he shall honor the god of forces.

"His favorites he shall advance to high power and make them rulers over the masses.

"His heart was against the Holy Covenant.

"Yet he shall come to his end and none shall help him."
