COUNCILLOR R. D. LITTLE WRITES RE FORD

July 2nd, 1940 Editor, The Liberal, Richmond Hill

It seems to be the popular pastime in some quarters to damn Henry Ford and all his products...

As a Canadian who was for some years employed by the Ford Motor Company of Detroit...

Mr. Coldwell is quoted as stating that Mr. Ford "sucks the life blood from his employees and again throws them into the gutter."

We presume he infers that he got them from the gutter. In some cases that was and is true.

Mr. Ford has never had any patience with professional charity, as it is known...

It has done to the initiative of some of its recipients in our own country during the past few years...

In Detroit denounced it as a trap—it has been carried out and the five dollars has grown to seven...

When Henry Ford inaugurated the \$5 per day wage scale in Detroit...

When Henry Ford inaugurated the \$5 per day wage scale in Detroit his competitors claimed that it was a plan that could never be carried out...

York Rangers Recruiting

Announcement has been made by Lt.-Col. R. C. Merrick, M.C., Officer Commanding The Queen's York Rangers (1st American Regiment) (M.G.) that facilities will be given to those in York County who desire to train with this unit.

While primarily a machine gun unit, the regiment's program of training will include normal infantry training...

While the Queen's York Rangers are still a unit of the Non-Permanent Active Militia...

The groom, who is the son of Mr. and Mrs. Milton McDonald, Maple, was attended by his brother, Mr. Jas. McDonald...

The reception was held in the church parlour where Mrs. MacCrimmon received in lilac sheer with short jacket.

SOFTBALL NOTES

Bennett Hurls Superb Ball To Win From Barrie

Displaying more power with the willow than has been the case in other games to date, Charlie Ryan's ball-tossers eked out a close decision at the local park on Tuesday evening against the strong Barrie aggregation.

In their half of the first innings Barrie pushed two men across the plate while the locals managed to get one across.

Barrie made a strong bid to lengthen their lead in the third but with two men on base the next batter fanned.

The best feature from the local's angle was the pitching performance of Bennett who out-steadied the Barrie hurler throughout, not issuing a pass.

For Barrie Norris and Gracey were the pick at bat with their centre fielder pulling off several sensational catches that looked like sure hits.

On Saturday evening of this week the strong Oshawa Generals will be here to play a game with Richmond Hill.

The standing in the Simcoe County Softball League to July 2nd is as follows:

Table with 6 columns: Team, P, W, L, T, Pts. Rows include Newmarket, Richmond Hill, Barrie, Aurora, Camp Borden, Midhurst.
