King City District News

Mrs. J. M. Winter spent a few days in Toronto over the holiday.
Mr. and Mrs. L. J. Glass, Miss Edith Glass, Mr. and Mrs. A. B. Wells, Mrs. C. Neill, Miss Mildred Neill and Mr. and Mrs. Albert Kelley attended the wedding of Miss Marguerite Glass, daughter of Mr. and Mrs. Norman Glass of Richmond Hill, on Saturday, June 29th, in St. Mary's Anglican Church. Mrs. Kelley, Misses Edith Glass and Mildred Neill assisted at the reception.

The township schools have, generally speaking, retained their present teachers for the coming year.
Mrs. S. McVittie of Toronto returned to King to attend St. Andrew's garden party at Strange, spending the holiday week-end with Miss Tinline.

Master Earl Wellesley spent a few days in Toronto with his brother, Herb. We expect he stored up further knowledge on aviation and aeroplane mechanics.

Mrs. S. V. Gates will return to King shortly from Wellington where she has visited her son Charles and Mrs. Gates.

Misses Anah and Beth McDonald visited with Mr. and Mrs. Muir McDonald of Sydenham.

Mr. and Mrs. Andrew McClure, Miss Elizabeth McClure and Miss Laura Kitchen of Toronto attended the Lloydtown reunion on Saturday. The early Kitchen family were associated with Lloydtown.

Miss Elizabeth McClure spent the

week-end at Port Carling.

Mr. Hall of Toronto visited Mr. and Mrs. A. Jones on Sunday.

Miss Vera Hunter is directress of the Y.P.U. camp at Camp Ahshunyoong, Lake Simcoe. Attending during the week-end were Marvin Hunter, Leonard Shropshire, Aubrey Lloyd, Mae Harman, Reta and Nora Rumble and Hilda Patton.

The music club members, all of whom are pupils of Mrs. D. Rawlings, A.T.C.M., entertained their mothers and a few friends on Wednesday afternoon of last week. Those taking part included Arthur John Worrall, Thelma Gordon, Elaine Western, Ross and Donald Rawlings. For their tender years, each presided at the piano in a very creditable manner, delighting the elders. Mrs. A. Gordon also rendered two lovely vocal solos during the program, after which refreshments were enjoyed by all.

Schomberg Wins Final Schedule Game

In the final schedule game of the season in Schomberg district league of the Ontario Rural Softball League Schomberg nosed out King City in a close, fast game last week with an early lead in first, adding, until at one stage they led 5-0. King rallied in the fifth when Archibald tripled with the bases loaded. King tacked on three more in the sixth when Jack Walker doubled with two on base, scoring on wild throws. Schomberg came back in the second half of the seventh to score 2 runs to take the lead and hold it.

At Lloydtown Reunion on Saturday Schomberg was defeated by Toronto Police by a tidy score, the strong men proving a little too much for the locals in an interesting match.

Dr. Armitage and family have moved into Mrs. T. L. Williams' house for the coming year.

The sudden death of Mrs. Benjamin Carley of Bolton came as a shock to her friends of this district. She passed away on Sunday, June 30th from a heart attack. Deceased was formerly Mary (Minnie) Elizabeth Brown, daughter of Mrs. Jas. Brown of Jefferson and was born on the third of King on the place now owned by Mr. Carlton Crossley. In 1902 she married Benjamin Carley of King associated with the Canadian Pacific Railway. For many years they were stationed at points between Toronto and Montreal. For the last few years they lived at Bolton, and in 1941 Mr. Carley expects to superannuate, having then spent 42 years with the Railway Company. Both were looking forward to freedom and well earned rest. Mrs. Carley was 62 years of age and might well have expected several years of usefulness and happiness. Surviving are her husband and three children, Oakley Vaughan of Cavan, Ont.; Lola May of Toronto; Mrs. H. R. (Mary) Egan of Bolton; her mother, aged 87, of Jefferson and a brother William of Toronto.

The funeral service was held from her late residence at Bolton at 2 p.m. on Tuesday, July 2nd Rev. G. W. Rivers officiating. Interment was made in King City cemetery. Several local friends were present at the cemetery service. Sympathy goes out to Mr. Carley and the family and her aged mother in their sudden bereavement.

After a long period of poor health and final distress, Mr. Thomas Marshall of Eversley, in his 79th year, passed away on Thursday evening, June 27th. Deceased was born at Elgin Mills and forty-nine years ago married Miss Jennie Gellatly of Eversley. Two children were born, Mrs. James Robson (Ida) of Kleinburg and Mrs. Herman Hagelstein (Bessie) now deceased. Surviving are his wife and one daughter Ida, two grandchildren, Jean and Marshall Hagelstein of Bright, Ont. Two brothers and one sister also survive, William of Eversley, George of Peterboro and Mary Marshall of Manitoba.

The funeral was held from the residence on Saturday, June 29, Rev. M. E. Burch conducting the service with interment in King Cemetery.

Mr. Marshall was associated with Eversley Presbyterian Church of which he was a member from the age of 19. He was active on the church board and ever ready to serve in whatever capacity he was needed. His faithfulness was a quality unsurpassed. In his passing Eversley has lost an estimable citizen and a thoughtful neighbour. Our sympathy is extended to Mrs. Marshall the daughter and all family members.

Buy British, Buy Canadian, and help win the war.

The Weed of the Week, Ox-Eye Daisy

Ox-eye Daisy, a hardy perennial weed, prevalent throughout Ontario is now in bloom. It has a short thick rootstock and grows from 6 inches to 3 feet high. Several stems may be found growing from one root, says John D. MacLeod, Crops, Seeds and Weeds Branch, Ont. Dept. of Agriculture, Toronto.

The leaves slightly clasp the stem, the lower ones being long, narrow and toothed along the edges, the upper ones are small and without teeth.

Flowers are one to two inches broad on long stalks with from 20 to 30 white rays and a bright yellow disc.

The seed is gray and white or black and white with 12 conspicuous white ribs running the length of each seed. Flowers appear from June to August and seeds mature during July to September. A single plant may produce 5000 to 8000 seeds. It propagates by seed and new shoots from the crown.

Ox-eye Daisy is most troublesome in pastures, meadows and on roadsides. The seed is a common impurity in grass seed and is difficult to remove because of its size and weight.

Sow graded timothy seed which is free from this weed seed, mow pastures and hay fields before bloom appears, plow shallow immediately after, cultivate thoroughly and sow buckwheat, rape, fall wheat or rye or continue cultivation until late fall.

Ox-eye Daisy will not long survive where thorough cultivation and a short rotation of crops is practised. Do not leave infested fields under hay or pasture for too long a period. Do not attempt to keep timothy fields for seed which are infested with this weed. Rogue the seed crop and make sure that all short plants are removed.

The use of chemicals has proven an effective and economical method of eradicating this weed from roadsides and areas where cultivation is impossible. Write the Crops, Seeds and Weeds Branch for circular No. 58 "Weed Eradication by Chemicals," Mr. MacLeod advises.

Prevent Ox-eye Daisy from maturing seed by spudding, pulling, mowing, cultivation and spraying.

MY DADDY PROTECTS ME FROM BLOWOUT ACCIDENTS

Those you love . . . all those who ride with you . . . deserve the complete ever-present protection from blowout accidents that only Goodyear LifeGuards give. Let us make your car safe from sudden tire failure today! You can't get better protection to save your life!
