NATIONAL REGISTRATION AUGUST 19, 20, 21

Capt. Frank Mesley, Registrar for North York has announced that the dates fixed for the National Registration are August 19, 20 and 21st and that deputy-registrars are being appointed in the various sub-divisions as quickly as possible. When appointed these deputy-registrars enlist voluntary help to assist in the work. Under the registration plan every person 16 years of age and over is required to go to places of registration which will be announced later and personally register before a deputy-registrar. Severe penalties are provided for failing to register, for failure to answer any question and for answering untruthfully. Special provisions are made for feeble and infirm persons and those confined to hospitals or other institutions. The public will be fully informed of complete details of procedure before registration dates.

NEWS

VICTORIA SQUARE

To heat my house in proper form, Requires a lot of gold; For if I want to keep it warm, Then I must keep it coaled. Those living in the surrounding district over last week-end certainly weren't looking for coal to keep their houses warm.

Masters Nelson Buchanan and Sammy Snider had their tonsils and adenoids removed last week. We are pleased to say both boys are doing fine.

Mr. and Mrs. Arthur Thompson of Thornhill accompanied by Mrs. Louisa Hendrick called on Mr. Bert Sanderson's last Friday evening.

Mr. and Mrs. Mabel Sanderson had dinner with Mr. and Mrs. A. Thompson of Thornhill on Sunday.

Mrs. M. J. Maley accompanied by her husband and family had dinner Sunday evening with her mother Mrs. Allen and Mr. Weeks.

Mr. and Mrs. Norman McMurphy of Brampton were guests of the Sandersons on Sunday having tea with Mr. and Mrs. B. Sanderson.

The regular monthly meeting of the W.A. was held at the home of Mrs. A. Valliere on Monday evening. The meeting opened with Mrs. A. Buchanan in the chair. The scripture was read by Mrs. MacIllmurray while Mrs. (Rev.) McKay led in prayer. The address was given by Miss Mabel Hagerman, her topic being along the line of the new method of education. Mrs. Caseley then took the chair for the business and the meeting closed with God Save the King, after which a dainty lunch was served by the group for the month. Altogether it was a very pleasant and educational meeting to all those present.

Mr. and Mrs. R. E. Sanderson had dinner at Mr. and Mrs. Wilfred Stephenson's, Oshawa, on Monday, and in the afternoon journeyed to Orono returning home in the evening.

Sorry to report that Mrs. McRoberts is in bed these days. We miss her in our gatherings and hope she will soon be able to be up and around again.

The Sunday School picnic is still something to look forward to. The date is not known but here's hoping we may pick a dry day the next time.

We are glad to report Mr. Harry White is still progressing favourably in the hospital and is expected to be home almost any day.

Mr. and Mrs. Dennis are both able to be up again for a few days, friends will be glad to hear as they are greatly missed from local gatherings, especially Mrs. Dennis at the W.A. meetings. It was through her that this organization was started and she has always been a very enthusiastic worker ever since it came into being in our church work.

SOFTBALL NOTES

Playing their third game in as many nights Richmond Hill suffered defeat at the hands of Barrie last Thursday night by a score of 8-3. Richmond Hill have a habit of dropping games in the northern town but in their game here earlier this season the locals came out on top for one win in three starts against the Collegians. Here's hoping the boys tie up the game series when the northerners visit Richmond Hill on Tuesday night of next week to wind up the schedule previous to the play-offs.

On Monday night the Richmond Hill squad took on the Newmarket Redmen in the canal town and came home on the short end of a 6-5 score. Bennett, making his first start of the season against the Redmen, showed to advantage until the fourth inning when the opposition, aided by several costly errors by the Hill, touched him for five runs to take the lead after Richmond Hill had garnered a comfortable lead of 5 to 1. Niles on the mound for Newmarket pitched a heady game and coupled with plenty of support from his teammates allowed only one hit after Newmarket took the lead.

Tuesday night the locals came through with a hair-raising win when they defeated the up-and-coming Aurorans. This was a see-saw struggle from start to finish with first one side taking the lead only to have the opposing team stage a rally and overtake the other. Aurora were unable to score in the first while Richmond Hill hopped into Rouse for three runs in their half of the first. In the second the visitors tied it up only to have the Hillers score one in their half. Aurora evened the count for the second time in the third inning while the Hill boys went down in order.

The fourth inning was scoreless for both teams but Aurora shoved one across the plate in the fifth. Richmond Hill scored two runs in their half to lead 6-5. The sixth inning was also fruitless as far as runs go with both pitchers bearing down.

In the seventh inning White for Aurora managed to get safe on an infield error. Michanick, the next man up, hit a home run to score two runs and put Aurora in the lead for the third time by 1 run. This looked like a mountain to climb the way the teams were playing but Saul, the first man to bat beat out a hit to shortstop. Bennett, letting the first pitch go by for a ball, leaned on Rouse's second offering to land the old pill on the race track for a home run to end the game in favor of the Hill.

Don't forget to be on hand next Tuesday night when Barrie make their last scheduled appearance here. Both teams will be trying hard for a win to have the advantage in the play-off series which will start on Thursday, August 1st. Come out and help cheer the boys to victory!

Thirteen rinks competed in the annual summer tournament of the local club Wednesday afternoon and after three games were concluded the veteran Joe Kennedy of Uxbridge was declared the winner. He was presented with the Hon. W. P. Mulock trophy and a book of war savings stamps for each of his rink. Skip Stringer of Balmy Beach was second for three wins, skip Lightbourne of Aurora after losing a hard fought game with Skip Kennedy the tournament winner, was high for two wins. Skip J. A. Greene piloted the only local rink to get in the prize money, winning high for one win.

OBITUARY

LATE MRS. ROBERT GILLIES

The funeral of the late Mrs. Robert Gillies of Weston was held Wednesday, July 24, from her late residence, with interment in King Cemetery.

Mrs. Gillies was in her 69th year and was formerly Laura McCallum, daughter of the late Archibald McCallum, widely known pioneer family. She was born on the sixth of King and lived all but the last six years in Strange community. She was a member of St. Andrew's Presbyterian Church and a very faithful member of the church and its activities. Recently her associations have been with Weston Presbyterian Church but she and her family continued an active interest in St. Andrew's. For the past two years or more Mrs. Gillies had been in very poor health and her demise came after a brave effort on her part to maintain her usual cheerfulness.

Surviving members of the McCallum family are James, Melville and Mark of King; Elmer of British Columbia; Mrs. Robert McQuade of Collingwood. In her own family are three daughters, Roberta, Mildred and Irene; two sons, Donald of King and Archie of Plato, Saskatchewan. It is seven years since Mr. Gillies passed away. To the family we extend sympathy.

BUMPER CROPS IN YORK COUNTY THIS YEAR

Evidence of the bumper crops in this district this year is a sheaf of oats in The Liberal Office window from the farm of Lewis Clement, Vaughan Township. The grain measures six feet, one inch in height, and Mr. Clement reports the field standing up well and giving promise of an excellent yield. This sheaf has been much admired during the week, and we invite any other farmer who has an outstanding sample to let us display it in our window.

Another story is told of a farmer in Markham who after spending several hours touring the country side looking for his cattle, found them in his oat field. The grain was so high it completely hid the cattle, until one was sighted on top of a stone pile.

York County Police Force Reorganized

York County Police Committee reorganized its county police department this week, promoting two officers, demoting one and appointing two new men.

The reorganization was approved, following a round-table conference between the county warden and commissioners, and the County Police Committee. A by-law setting out the changes was drafted, which will be presented to the County Police Commission of Judge Daniel O'Connell, Magistrate William Woodliffe and Warden J. Earl Bales for final approval.

Under the new set-up there will be one chief, two county sergeants, Sidney Barraclough and William Shadwick; one county detective, William Martindale; six first-class constables; two second-class constables, and two third-class constables.

The new appointments to the police force are George Kidd, who has been a recruit on probation for six months, and Edward Major, a member of the Etobicoke police force for several years. William Shadwick was promoted from patrol sergeant to county sergeant while Sidney Barraclough was named county sergeant instead of detective-sergeant. William Martindale was promoted from the rank of acting detective to county detective.

Committee members were of the opinion that the county force was too small to have inspectors, detective-sergeants or staff sergeants and decided to eliminate all these offices as far as the county department was concerned. In view of this there will be no further promotions beyond the rank of sergeant.

The committee also approved of a more equitable distribution of county officers throughout the 26 municipalities. Constable Hill will have Constable MacCallum and Constable Major to assist him patrol the lake-shore municipalities of Lake Simcoe, while Constables Fleury, Watt and Wallace will take care of the Aurora, Newmarket and Richmond Hill areas under the charge of Sergt. Barraclough.

Sergt. Shadwick will continue to have control of court duties and will have under his charge Constables Meyers, Crouch, Kidd and Woman Constable Sanderson. Detective Martindale will be assigned to headquarters, assisted by Constable Wallace.
