VICTORIA SQUARE NEWSY NOTES

Mrs. Ratcliffe, Mrs. F. Nichols, Mr. J. Holmes, accompanied by Mr. and Mrs. E. Gooderham of Lansing motored to Meaford on a picnic and to call on some old time friends, coming home by Waterfalls calling on Rev. and Mrs. MacDonald.

The regular meeting of the W.A. will be held at the home of Miss Mabel Hagerman on Wednesday evening, August 21st at 8 o'clock. The meeting is in charge of Mrs. R. Klinck and her group. All the ladies of the community are invited to attend these regular meetings.

Mr. and Mrs. Joe Gordon of New Lowell spent Tuesday with Mrs. F. Nichols and called on several of their relatives.

Mr. W. S. Wilson of Toronto called on Mr. and Mrs. Bert Sanderson on Thursday.

Mr. and Mrs. R. Boynton, Mrs. H. M. Perkins and Vera Boynton were guests of Mr. and Mrs. L. R. Perkins, Toronto, on Thursday.

Mr. and Mrs. Bert Sanderson and Mabel spent Sunday with Mr. and Mrs. Norman McMurchy and family of Brampton.

Masters John and Nelson Buchanan have returned home after spending a few days with their uncle and aunt Mr. and Mrs. Ernest Buchanan of Aurora.

Mrs. Geo. McCague Sr. is spending a few days on the old home farm with her son Heber and family.

Mr. and Miss Allen and the two little Maley children were guests of Mrs. Allen and Mr. Weeks on Sunday.

We are sorry to have to report Mr. Geo. Dennis is very poorly and suffering considerably.

Mr. and Mrs. Clarence Stong were calling on friends in the town on Sunday.

Mrs. Murray Avison and children, Mrs. Murray Baker have returned home after spending two weeks on holidays up north.

Don't forget the Junior Farmers dance at Musselman's Lake on Monday, August 19th. The Junior Farmers of York County are planning on buying a 4-bed ambulance. Mr. Davies of Musselman's Lake has kindly loaned the pavilion for the occasion. Several members of the different J.F. clubs have tickets. Even if you don't dance, buy a ticket and help along the good cause, and if you do dance gather up your friends and come along.

Last Tuesday evening the Junior Farmers and Farmerettes journeyed to Edean Nurseries and viewed their lovely grounds until darkness chased them away. On Wednesday evening the two clubs met again for their regular meeting, having as guest speaker Dr. J. Langstaff who spoke on the Prevention of Medicine. The doctor told us that most, or a large percentage of ailments were brought on by neglect. Diseased tonsils, teeth, etc. should be looked after and at least every two years one should have a thorough

examination and thereby check any further trouble. Mrs. E. McClure favoured us with two solos accompanied by Mrs. Harvey Houck. Miss June McClure was also a guest at our meeting. The meeting was well attended by our own members, and much enjoyed. We would like to see more attend these meetings both from our own community and surrounding communities. How about it Melville, Almira, Buttonville, Headford and Gormet? The September meeting will be a joint meeting. Girls are asked to bring lunch, either sandwiches or cake and boys are expected to put the price of lunch on the collection plate, but last month the boys provided ice cream and the girls all brought cake. So see what you are missing socially as well as the educational portion of the meeting.

Mrs. T. Glover is improving slowly; also Mr. H. White.

EVERYBODY ATTENTION! Reserve the date September 27th for the Famous Plunkett Dinner to be held under the auspices of the W.A. A four-course dinner and motion pictures in color. There were 33-275 Plunkett Dinners served in Ontario in 1939. We are very glad to be able to announce our turn will come on the above date. Just think ladies, our September supper will not need any providing from us, and all for a very small charge.

HORTICULTURAL SOCIETY NOTES

All members wishing Iris as a premium please notify the secretary as soon as possible. The society hope to have the price list by Friday of this week. The work the local society is doing warrants the continued support of all village residents. This year to date \$85.00 has been expended on the Village park and around the Municipal Hall and the improvement on these places warrants the expenditure made. Won't you become a member and help keep the Village beautiful.

The Fall Show will be held in the Arena on Wednesday, August 28th. Please make the date as widely known as possible.

J. Martin, Secretary.

Organization Is Ready For Taking The Registration

Capt. Frank Mesley, Registrar for the riding of North York will address a meeting of local deputy-registrars and volunteer workers at the Richmond Hill High School tonight (Thursday) at 8 p.m. D.S.T. Interviewed by The Liberal this morning Capt. Mesley stated that he is well satisfied with the progress that has already been made in preparation for registration next Monday, Tuesday and Wednesday. He stated the response to the appeal for volunteers has met with splendid results, however in rural districts especially many part time workers are urgently needed and individuals are requested to offer their services to the Deputy Registrars of their respective Polling Divisions.

Owing to harvest conditions this request cannot be urged too strongly.

Registrants are advised to register as early as possible. All persons free to do so, should register during the day, leaving the evenings free for those who cannot otherwise register. The Government places the responsibility upon the individual, so please give those who must register at night a chance to do so.

Registrars are requested to provide accommodation for registrants to be seated beside them during registration, in order that the written statement may be verified by the registrant before signing.

For the information of the public names of all deputy registrars have been published and posted throughout the Riding.

SOFTBALL NOTES

In one of the finest exhibitions of softball seen here this year Richmond Hill Softball team ended the long drawn out series with Barrie by winning from the northern town here Tuesday night by a score of 2-1. With the series tied and the former game which was won by Richmond Hill thrown out on a protest there was keen interest among the ball fans of the district and a large crowd was on hand for the encounter.

The stellar pitching of Ted Bennett on the mound for Richmond Hill was a highlight of the game which delighted the crowd from the first ball to the last out. "Benny" pitched excellent ball mixing the fast ones with the very slow ones and fielding his position exceptionally well. In the seven innings he held the Barrie boys to three hits. All members of the Hill squad played heads-up ball and throughout the game looked like championship calibre.

Barrie opened the scoring when Marshall got a run in the first inning, but it proved their first and their last. Richmond Hill got their first counter in the fourth when Bennett scored and the winning run in the fifth when Yonge scored on two sacrifices and a hit.

We extend congratulations to Manager Charlie Ryan and his local White Rose crew on winning the first round of the play-off series, and the best wishes of the fans follow them as they take on Newmarket Redmen in the next round for the Simcoe County Softball Association Championship. The first game is with Newmarket at the Richmond Hill Park Friday night at 7.15. A record crowd should be on hand for this game, and the fans are always sure of their money's worth when the Hill and Newmarket meet.

TRY IT THE "SALADA" WAY
Infuse 6 heaping teaspoons of Salada Black Tea in a pint of fresh, boiling water. After 6 minutes strain liquid into 2-quart container; while hot, add 1 to 1 1/2 cups of sugar and juice of 2 lemons, strained; stir until sugar is dissolved; fill container with cold water. Do not allow tea to cool before adding cold water or liquid will become cloudy. Serve with chipped ice. The above makes 7 tall glasses.
