INFORMATION MADE AVAILABLE

Any information obtained under the provisions of the Income War Tax Act is available to the Custodian of Enemy Property, the Foreign Exchange Control Board and the Royal Canadian Mounted Police if it is of assistance in the exercise of their respective functions in relation to the conduct of the war.

BEAR IN MIND

In the opinion of the Peterboro Examiner, "the most frequent offense in car driving is pulling away from the curb without giving any signal of the intention to do so. People who are otherwise quite sensible keep on doing it." As witness the spoiled beauty of many an innocent automobile.—(From the Stratford Beacon-Herald.)

GOOD ROADS SAID WORST IN MISHAPS

99 Per Cent of All Accidents and 97.1 of All Fatal Crashes Occur on Improved Highways

Majority of accidents throughout the province occurred on roads classified as in "good" condition and during "clear" weather, according to the ninth annual summary of motor vehicle accidents issued by the Motor Vehicles Branch, Ontario Department of Highways. Ninety-nine per cent of all accidents, and 97.1 per cent of fatal accidents of 1939 occurred on "good" roads.

There were 652 killed as compared with 640 in 1938, and 11,638 injured compared with 11,683 in 1938, indicating, the report states, that the waste, suffering and tragedy resulting from motor vehicle accidents is due in a large measure to carelessness. Direct damage loss to vehicles and other property amounted to \$1,860,264.

About 70 per cent of all accidents and 69.1 per cent of the fatal accidents in 1939 occurred during "clear" weather, and as motorists tend to drive more carefully on slippery roads, the fatal rate is lower under such conditions.

Of 2,658 accidents involving children between 5 and 14, pedestrian accidents on city streets during the past three years, 79 per cent were included within three classifications. Playing on street caused 30.2 per cent; coming from behind parked vehicles or objects, 27.5 per cent, and crossing between intersections 21.3 per cent.

Of the deaths, 261 or 40 per cent were the result of collisions between motor vehicles and pedestrians.

TOWNSHIP OF VAUGHAN

REGISTRATION STARTS ON MONDAY August 19th

Commencing Monday, August 19th, Canada calls on her citizens, 16 years of age and over, regardless of nationality, to register. Because of the magnitude of this task the Government asks those who must register to study the questionnaire carefully. Every question must be answered truthfully and without evasion. It is imperative that every one 16 years of age and over register. You will make the whole task easier for yourself and the Government by registering early. Registration will last for three days only.

REGISTRATION DATES August 19th, 20th, 21st

EVERYONE CAN HELP—To keep the cost of this registration at a minimum the Government is asking the co-operation of all public-minded citizens in the work of registration. You can help by getting in touch with your local registration officials and offering your services.

WHERE TO REGISTER
Registration offices are being set up by electoral districts in the same manner as in the last Dominion election. Registrants are required to register in the regular polling subdivisions of their own constituencies. But should a registrant be in some other province or district out of the regular polling subdivision on Registration Days, he or she may register at any registration office convenient, upon satisfactory explanation to the local deputy registrar.

Your Registration Certificate
To every person answering the questionnaire fully and satisfactorily a certificate of registration will be issued by the local deputy registrar. This is a small card which must be carried on the person at all times.

Penalty for Non-Registration—Failure to register will make any male or female, married or single, over the age of 16 years, liable to a fine not exceeding Two hundred dollars, or to imprisonment for a term not exceeding Three months, or to both such fine and imprisonment, and moreover to a further penalty not exceeding Ten dollars for each day, after the day upon which he should have registered, during which he shall continue to be unregistered.
