Richmond Hill Softball Team Wins Championship Series But Newmarket Redmen Win Argument

After winning three straight victories in the final play-off series for the championship of the York-Simcoe Softball League, Richmond Hill was counted out in a protest fiasco which has left softball fans of North York bewildered. Newmarket Redmen, losers of three consecutive play-off games have apparently been awarded the Cup following an executive meeting held Monday evening. Richmond Hill has been disqualified for refusing to replay the second game of the series, protested by Newmarket on the grounds that the game started five minutes late. This protest was upheld by the executive despite the fact that according to local officials any written regulation of the league calls for games to start at 7.30, ten minutes later than this game actually commenced, and too despite the fact that the required number of innings were played and competent officials in charge saw no reason for calling off the play. The local team management have the support of local fans in refusing to accept such a ruling, and the wonder in softball circles is just how long any game no matter how attractive or well played can survive such administration.

Evening attracted the largest crowd of the season and the fans were treated to a fine exhibition of softball.

There was keen interest in the game as Richmond Hill had already taken two straight from last year's champions. The stellar pitching of Teddy Bennett featured the game which the Hill boys won by a score of 3-2.

Richmond Hill opened the scoring in the second inning when Young scored. They further added to this score when Bennett crossed the plate to put the Hill two runs up in the fourth frame. Newmarket came to life in the sixth inning and before the side was retired they managed to tie the score at two-all. These proved to be their only counters in a game where there were few hits. In Richmond Hill's half of the inning Cochrane was the only runner to score putting the locals in the lead. Newmarket were unable to do anything with Benny's pitching in the seventh frame the game ending with a 3-2 score in favor of the Hill.

The Richmond Hill team came through a hard series with Barrie and in the finals made it three straight against the Newmarket Redmen with scores of 8-4, 7-6 and 3-2. They have won the admiration of fans everywhere in the district, and although denied the official league championship, they have demonstrated their superiority beyond any shadow of doubt. A league championship trophy awarded under present circumstances must seem a shallow kind of honor for the Newmarket team, but if they relish it they are welcome to it as far as the Richmond Hill management is concerned.

The final game played last Friday

VICTORIA SQUARE NEWSY NOTES

Last Wednesday the W.A. met at the home of Miss Mabel Hagerman. The topic was taken by Mrs. Wilsons her subject being "The Little Things of Every Day". She certainly brought a few facts showing how each and everyone could be a little nicer to each other with a little practice of the little things. Another pleasing item of the evening was the fact that Mrs. Dennis was able to be with us once again. I'm sure everyone was pleased to see her.

On Thursday evening a large number gathered at the church to hold a social evening. After an hour's program given by the members of our Sunday School, the chairman called Miss Vera Nichols and Mr. Frank Brumwell to the front and they in turn invited Mrs. Haig (a former member of our Sunday School) to also come to the front and after Vera read the address Frank presented Mrs. Haig with a gold wrist watch as a small token of our esteem for her, one who has worked hard in our school, as minister's wife, class teacher, W.M.S. president and friend of all who knew her. She was a very quiet person but one who has been greatly missed in the few weeks she has been away. Mrs. Haig now lives with her sister Mrs. Bennett at Snowball, Ont.

On Saturday evening the Y.P.U. held the first corn roast of the season at the Devil's Elbow. The corn was not as plentiful as might have been, but the pie made up for it. All those who were present report a good time.

On Saturday evening Miss Grace Boynton celebrated her sixteenth birthday by throwing a party. Those present were Misses Anna Heise, Eileen Read, Vera Boynton, Carroll and Shirley Sanderson. A very pleasant time was had by all.

Master Bruce Graham who lives with Mr. and Mrs. W. Hill has gone with his mother to spend a week in Ottawa.

Mr. and Mrs. Herb Sanderson and family had tea with Mr. and Mrs. Stanley Boynton on Sunday.

Several from around here have been down to the General Hospital to see Mr. Harold Hendricks who is doing as well as can be expected. Around 20 from here took a boat trip across Lake Ontario to Queenston on Sunday. Some journeyed on as far as Niagara Falls and did not return home till later in the evening. Some had seen the Falls before, and owing to wet weather in that district that day did not see the beauty of the Falls as well as had it been a fine day.

On Tuesday evening, September 3 the J.F.A. and J.W.I. are holding their joint meeting in the Community Hall. This month we are to have the pleasure of entertaining the Vellore clubs. They will be providing the program, so come one and all and enjoy the evening.

The August meeting of the W.M.S. was held at the home of Mrs. P. Willows on Tuesday afternoon with the President, Mrs. McCague, presiding. The meeting opened with hymn 351, after which scripture lesson was read in union followed by short prayers by Mrs. Beatty, Mrs. Klinck, Mrs. H. Smith, Mrs. S. Boynton. A request hymn "There's a story to tell to the Nations" was sung and

the minutes of the previous meeting and business followed. The guest speaker of the afternoon was Mrs. R. L. Stiver of Unionville who gave a very splendid and instructive paper on "Twelve Rules of Life" which was greatly enjoyed by all. Miss Ruth Hope of Uxbridge played two very lovely selections on the piano accordion also accompanying the closing hymn. After singing God Save the King Mrs. Stiver closed the meeting with prayer. A social hour was spent and a lovely lunch served by the hostess. There were twenty present and the committee in charge are to be congratulated for arranging such a fine program. Mrs. Bennett and Mrs. Haig of Snowball have very kindly invited the Society to hold the September meeting at their home on September 11th.

War Vet's Home Burned on Saturday

Has Family of Five—Donations of Furniture and Household Goods Welcomed

While Mr. J. Leroux, Yongehurst Road, local war veteran was attending Warrior's Day ceremonies at the C.N.E. with his wife last Saturday, his home along with most of their furniture, household goods and clothing were destroyed by fire. Fire is believed to have been caused by children playing with matches on the back porch. Richmond Hill Fire Brigade answered the alarm but were hampered in their efforts by lack of water.

Mr. and Mrs. Leroux have a family of five children and with the modest income of a pensioner face the problem of re-establishing a home. Friends are anxious to secure donations of furniture, household utensils and clothing for them, and any offers of such donations may be left at The Liberal Office. Just telephone 9 and arrangements will be made to pick up your donation to this family in their great loss.
