Dedication of the new Pipe Organ in All Saints' Church, King will take place Sunday, September 1st at 11 a.m., D.S.T. The Rt. Rev. A. R. Beverley, M.A., D.D., will officiate. The Rector, Rev. E. W. G. Worrall, will be celebrant at the Holy Communion. The organist will be Robert Jaques, Mus. Doctor of Toronto. Full forms of service are being printed to be placed in the hands of those present.

The organ is the gift of the family of the late George and Sarah Watson and is being dedicated to their memory.

The Jaques Organ Company of St. Hyacinth, Quebec are the organ builders. Heintzman & Co. of Toronto are the agents. The beautiful tone of the organ is its main asset. The organ consists of 32 pedal keys, 5 octave. It has the following stops, Forte Mezzo Forte, Great Sub, Great Unison Off, Great Octave, Great Super Swell Sub, Swell Unison Off, Swell Octave, Swell Super, Great Pedal, Great Octave Pedal, Great Super Pedal, Tremulant.

The hymns for the morning service are selected to encourage congregational singing and at the same time to demonstrate the various organ tones.

An organ recital will be given at Evensong which commences at 7.30 p.m. D.S.T. Dr. Jaques will officiate once again. Among his selections will be the following: Trumpet Tone, Purcell; The Swan, Saint Saens; Largo, Handel; Gavotte, Wesley; Evensong, Martin; Prelude and Fugue in E Minor, Bach; Berceuse, Viene; Pomp and Circumstance, Elgar. A solo will be sung by Mr. R. Edmunds of Richmond Hill at this service.

The organ is lodged in the new Organ Memorial Room, built on the south side of the church chancel. The dedication of the room cannot take place for some time. It will be in memory of "Old Friends of All Saints". The names of the donors will be inscribed upon a brass tablet which will be cemented into the wall. It is the hope of the congregation that numerous names of "Old Friends" will appear on the tablet.

The first official service with the pipe organ in All Saints is of interest to the community because it is the only pipe organ in the vicinity and because it is a memorial gift to the memory of highly respected and long residents of the district, the late Mr. and Mrs. George Watson. The gesture on the part of their family is a noble one and one that can be shared and enjoyed by all of us who appreciate good music. The general public will no doubt be given the opportunity at certain times to renew interest and inspiration in pipe organ music.

On September 1st St. John's Oak Ridges will hold service at 9.30 a.m. D.S.T. and St. Stephen's Maple will be closed, thus both congregations will be able to join All Saints, King in the day's special occasion.

National Registration went over well in township centres and the numerous volunteers and Deputies are enjoying a well earned rest. The head office at King was a very busy spot and for several days volunteer helpers worked faithfully and well under Captain Mesley. He voiced his appreciation for such effort in all parts of the Riding.

School Boards advise pupils old enough to help on the farms to contact their teachers, parents and teachers to cooperate in the plan. A very small percentage of public school pupils are old enough to be of any real assistance on the farm.
