CAIRNS-GLASS

A pretty wedding took place at the home of the bride's parents on Saturday afternoon, September 14th when Edythe Elizabeth Glass, only daughter of Mr. and Mrs. Leonard Glass of King was united in marriage to Clyde Clifford Cairns, son of Mrs. Cairns and the late William Cairns of King.

The ceremony performed by Rev. Douglas G. Davis of King took place amidst a setting of tall standards of Piccardy Gladioli. The bride, given in marriage by her father, was gowned in Queen's blue marquisette with floor length skirt, sweetheart neckline and short puffed sleeves. She wore a locket, the gift of the groom. Her flowers were Johanna Hill roses and pink scabiosa. Her only attendant, Jean Hadwen, was gowned in Queen's rose marquisette dress with long full skirt, fitted bodice and sweetheart neckline. She carried Briarcliff roses and rose coloured scabiosa. The groom was attended by the bride's brother, Ray Glass.

For the reception which followed the bride's mother received wearing soldier blue triple sheer with corsage of pink larkspur.

The happy couple left on a short motor trip, the bride travelling in navy crepe dress with gold neck trim and junior blue fitted coat, navy off the face hat, and navy accessories. On their return they will reside in King City.

Mr. and Mrs. William Williams of Laskay celebrated their 50th wedding anniversary on Saturday, September 14th, the reception at the home and the wedding supper in Laskay Sunday School auditorium. One hundred guests were present including ten of their eleven children with their families. Mr. and Mrs. Williams received, the bride wearing a becoming gown of grey crepe with corsage of red rose buds. Assisting were her daughters and daughters-in-law. The house and supper tables were decorated with roses and a gift basket of gladioli heightened the colour scheme. Many lovely gifts were received.

Fifty years ago William Williams, who came to Canada from England in October 1887, married Tillie Crook, the only child of Mr. and Mrs. John Crook, of Laskay. They have resided at Laskay, Kinghorn, eighth of King and are now living on the Crook property, where they recently erected a modern house. Thus the old homestead will remain in the hands of the Crook descendants.

Twelve children were born, eleven of whom are living. One son Willie died at the age of 15 a few years ago. Carl is the only son at home, the rest of the family all settled in homes of their own. There are thirty grandchildren and two great-grandchildren. The children are George of Muskoka; Garnet of Kirkland Lake; Ollie of Parry Sound; Dick of Laskay; Carl at home; Harry of Scarborough; Charlie of Charlton, Northern Ont.; Mrs. Bessie Clements of St. Thomas; Mrs. Dorothy Watson of Vaughan; Mrs. Verna Chamberlain of West King; Mrs. Mary McDonald of Toronto. Bessie was the missing member of the day.

Mr. and Mrs. Williams both enjoy good health and are active at their daily work. Mr. Williams is a successful contractor in cement and building. He also was a farmer and a school trustee. Their many friends wish them health, prosperity and long years together.

Twenty-five years ago James Watson of Vaughan married Miss Mary Clarkson, the Rev. Roy Gray solemnizing the marriage. Mr. Allan Knight, cousin of the groom and Miss Rennie Clarkson, now Mrs. Lewis Hadwen, sister of the bride, were the attendants. On Saturday, September 14th the wedding party received 100 guests at the Watson home in honour of the silver wedding anniversary. Rev. Mr. Gray was unable to be present. Mrs. Thomas Watson also received with Mrs. Jas. Watson, who wore a gown of wine crepe.

Mrs. James Hunter of Laskay and Mrs. R. J. Murphy of Richmond Hill presided over the tea table for afternoon and evening. The table was centered with snapdragon and white candles in silver holders. Baskets of gladioli were placed in the rooms. Mrs. Wesley Clarkson assisted with the guests while Misses Vera and Helen Hunter, Mrs. Earle Scott and Miss Jean McClure were the dining room assistants. Among many beautiful silver gifts presented to the happy couple was a silver relish dish from "shower girls" and friends, those who 25 years ago had tendered Mary Clarkson a shower prior to her wedding.

Mr. and Mrs. Allan Knight and daughter, Mr. and Mrs. Howard Knight and family were among those present from Toronto. Rev. and Mrs. A. H. Halbert of Newtonbrook, Rev. and Mrs. D. G. Davis of King were also present. Windsor, Richmond Hill, Kettleby, Aurora and other outside points were represented.

Mrs. Jack Clift spent last week with Mr. and Mrs. Vernon MacArthur of Lemonville.

Mr. Orin Thorpe, accountant, and Mr. Gerald Thomas, assistant engineer, of Mailartie Goldfields, are spending a week's vacation at the former's parents, Mr. and Mrs. Emerson Thorpe.

Rev. Charles Herbert Archibald of Lompac, California, formerly of Calcutta, India, whose marriage to Bessie Lorena Baldwin of Calcutta, India, took place at Union City, Pennsylvania on September 7 motored to King with his bride and son Herbert Lee Archibald to visit his parents, Mr. and Mrs. Charles Archibald. The Archibalds have each been associated with mission work in India and have a wide experience. On Sunday evening the Rev. Mr. Archibald addressed the congregation of King United Church, touching chiefly on his missionary work in India. Mrs. Archibald also spoke very briefly and Herbert Lee, now aged 22 years, spoke of his University course in Medicine. Herbert Lee intends to return to India as a medical missionary.

The Rev. Herbert and Mrs. Archibald will return to their parish charge at Lompac, California, by Sept. 28th when they will be "At Home" to their friends.

Rev. Harry Bartlett is in town to visit with the Archibalds.

Eversley Anniversary services were well attended on Sept. 15 and were greatly impressed with the stirring messages from Rev. G. C. Lamont of Woodbridge. The church was beautiful with autumn flowers and good music and congregational singing prevailed at both services. Mr. and Mrs. Ernest Glass and Mrs. Ferguson of Aurora were among those from outside points.

Miss Betty Kerswill was entertained last Friday at the home of Miss Beth McDonald. The young ladies' Sunday School class of the United Church presented her with a tea service useful in her residential life at the Toronto General Hospital where she begins training on Sept. 19th. Present were Mrs. Harvey Follitt, their teacher; Misses Margaret Kerswill, Floral Davis, Helen Campbell, Mattie Hambly.

Mr. Norman Ethridge of Laskay was suddenly called to serve with Overseas forces on the wireless and photography operations. He left on Monday night for a 6 weeks' term at Brandon, Man.; thence to England or elsewhere. Mrs. Ethridge and four children will anxiously await word for his safety and success.

Red Cross Notes

The Richmond Hill Red Cross branch of the Canadian Red Cross Society, in making its appeal for funds in the coming National Campaign, presents the following brief report of what has been accomplished during the first year of the war.

The total amount of money received in the Richmond Hill Red Cross treasury from September 8th, 1939 to September 1st, 1940, is \$2,008.86. This money has been used to buy wool, to purchase hospital supplies, with which our work room has been kept running for eleven months, and to pack Christmas boxes for the boys overseas. \$165.50 has been sent as a donation from our branch to Canadian Red Cross headquarters.

In the purchase of wool \$694.96 was spent and 837 knitted articles have been shipped to the National Warehouse, consisting of socks, sweaters, helmets of various kinds, scarfs, wristlets and gloves.

During the year 1795 hospital supply articles have been made consisting of pyjamas, hospital bed gowns, surgical towels, handkerchiefs, ice-bag covers. In this number there were 158 sheets and 269 pillow covers, all laundered before shipment. By the special effort of the sewing committee 69 surgical drum linings have been made in the local work room. In addition to the above articles 92 pieces of new refugee clothing and 7 new quilts were made.

At the time of the blanket appeal in May 34 used blankets and money with which 31 new blankets were purchased, were donated by the people of Richmond Hill and shipped from the local Red Cross.

During the summer months the Red Cross, in conjunction with the very generous aid of the Women's Institute made 197 lbs. of jam in Richmond Hill kitchens.

The total receipts of the Girls' Branch of the Richmond Hill Red Cross have amounted to \$252.80. This branch has shipped to the warehouse 195 wash cloths and 3478 surgical dressings, with another large shipment of dressings to be forwarded this week.

Through the generosity of Mr. George Baker the store at 90 Yonge Street has been loaned to the local Red Cross for display purposes during the two weeks of the National Campaign. It is planned to exhibit some of the work actively done in the Richmond Hill Red Cross room and it is hoped that the public will find it interesting.

A recent bulletin signed by the National Chairman of the Women's War Work committee says: "It is with great pleasure one repeats words quoted from a recent cable from our Overseas Commissioner; 'Clothing received first class, much admired by pleased recipients,' and from another source, 'If the women could hear the comments passed on Canadian Red Cross supplies, they would be partially repaid for all their effort.'"
