WAY BACK IN LIBERAL FILES

FORTY YEARS AGO

From our Issue of October 11, 1900 Upwards of \$100 was contributed in the Methodist church last Sunday as a Free Will Offering.

Wm. Trench & Son got first prize for spring wagon, and second prize for heavy wagon at Markham Fair last week.

We saw a large basket of pears picked from the orchard of Mr. John Blanchard a few days ago which would take a good place at any of the fall fairs. There were just 20 pears in the full basket, and each weighed a pound.

Mr. Arthur John Fleury of King and Miss Hulda Christina Thompson of Whitchurch were united in marriage on Wednesday of last week. The ceremony was performed by Rev. L. H. Kirkby at the home of Mrs. Robert Thompson, the bride's mother.

Mrs. Dalziel, widow of the late James Dalziel, near Edgeley, 5th con. Vaughan, died at St. Michael's Hospital on Friday, where she had undergone an operation that day. Deceased leaves two sons and two daughters. The sons, William and James and one daughter Annie, are at home; the other daughter is the

wife of Rev. C. A. Campbell of Lakefield, formerly of Maple.

A very pleasant time was spent at a social in the Patterson church last Friday evening. Twenty-two from this village went out in Mr. Gabby's pleasure van, and about as many more on wheels and other ways. The tea was served in the west wing of the church after which a short but interesting program was given, the chair being occupied by Rev. N. Wellwood. The receipts amounted to about \$18.00.

THIRTY YEARS AGO

From our Issue of October 6, 1910 Mr. D. Sloan after faithful service as head miller at L. Innes & Sons flour and chopping mill, left on Tuesday to join his family in Toronto where they moved a few months ago.

Many complimentary remarks were heard Friday evening in reference to the new piano used for the first time at the Banquet and Entertainment in connection with the Epworth League. The new instrument is a "MacMillan" manufactured by Gourley, Winter & Leaming, Toronto, and was purchased for the League, through Mr. W. A. Wright, the agent here. The piano has a fine tone and plenty of volume.

Dr. Langstaff placed the Young People's Guild of the Presbyterian Church under great obligation by his interesting and informing lecture given on last Friday evening. The audience was up to the most sanguine expectations in size, and humorous touches of the Doctor's introduction not only put the audience in a pleased mood for the after and more serious facts presented, but led some of his friends to think that he should write a book if he could continue to draw upon so large a fund of humour. The Doctor who is also possessed of a rare facility of expressions adopted himself to his audience by an unique abandonment of technical phraseology, which is in itself not an easy thing to do.

The lecture was also illustrated by slides which were prepared for the occasion, and Mr. George S. Sims operated the lantern with his usual efficiency. The Sunday School Orchestra also contributed materially to the program. When the lecture was concluded the audience enthusiastically supported the vote of appreciation which was moved by Mr. Pratt and seconded by Mr. Cowie.

Rev. Dr. Carmichael of St. Andrew's Presbyterian Church, King, completes fifty years of ministry in that charge. The Toronto Presbytery propose to hold a day's celebration to mark the occasion.

A number of the local telephones were burned out during the electrical storm Friday evening, and others were put out of business the next day by the high wind.

MOVERS WARNED

NOTIFY OTTAWA

Registration Rules Require Change of Address Data—Fines Up to \$50

Ottawa, Sept. 28—Oct. 1 is moving day, in many parts of Canada, but moving may be expensive this year for those who forget to notify the Dominion statistician at Ottawa.

The Dominion statistician is custodian of the national registration records, and the registration regulations provide that any person changing his place of residence must notify the statistician within 14 days or be liable to a fine not exceeding \$50.

Movers do not get a new registration certificate, but the alteration is made on the master card at the Bureau of Statistics.

Persons who marry also must notify the statistician. Either of the parties in the marriage may give notice for both.

The bridegroom will not be issued a new certificate but the bride, who is changing her name, will.

NELSON'S PRAYER

May the great God whom I worship grant to my country, and for the benefit of Europe in general, a great and glorious victory; and may no misconduct in any one tarnish it; and may humanity after victory be the predominant feature in the British fleet! For myself individually, I commit my life to Him that made me; and may His blessing alight on my endeavors for serving my country faithfully! To Him I resign myself and the just cause which is entrusted to me to defend. Amen, Amen, Amen.

"Who's that awful woman over there who keeps talking?"

"My wife."

"So sorry. My mistake."

"No. Mine!"

An absentminded professor fell in love with a young graduate and married her.

They went on their honeymoon and in the morning the professor awoke, looked at the other occupant of the bedroom, and said in a shocked and incredulous voice: "Miss Grey, what are you doing here?"

Aurora United Church Women's Association have hit on a novel idea of raising money. On Tuesday they held an "IMAGINARY BAZAAR". Members were asked to put in an envelope an amount equal to what they would give and buy at a bazaar. A goodly sum was realized, the members saved a lot of work, and it cost the members no more.

Some thieving has been reported in Markham township. Constable Gayman has been investigating the theft of \$50 worth of tools from Clark Prentice at Milliken, a quantity of gasoline from C. Denby on the 5th con., some gas from Stiver Bros. and some chickens from Brown's Hatchery at Unionville.

Tompkins had dined overwell at the house of his friend in London, and it was well past black-out time when he departed, so his host lent Tompkins a large electric torch and sent him on his way. An hour later the host was awakened by the violent ringing of his door-bell. Looking out of his bedroom window, he was astounded to see Tompkins swaying below.

"Jush thought I'd bring your torch back, o' man," he hiccupped. "I found my way home with it perfl'y."

The editor of a lively little journal in Eatonville was much annoyed by the custom of a rival editor who was always "stopping the press" in order to insert a piece of late news. It seems that scarcely a day passed that the rival did not state "we stop the press to announce" that someone had died, someone had been born, lost money, been arrested, etc.

Finally, this sort of thing got on the nerves of the editor first mentioned, so he inserted on the first page of his sheet one day, the following:

"We stop the press to announce that there is no news of sufficient importance to justify us in stopping the press. Giddap."—College Humor.
