TANNING HIDE

After soaking, the hide is fleshed clean and is ready to go into the tan liquor which is made as follows: One part alum, 1 part salt, 1/4 to 1/2 part japonica. These are dissolved in hot water in sufficient quantity to make a 35 deg. liquor. The hide, according to its thickness is left in the tan for from 5 to 10 days. Skins are finished in about 2 or 3 days. The hide should be run in a drum for about two hours before going into tan, and again after that process. If the brownish tinge of the japonica be objectionable, it can be left out altogether.

STEALING THE FOOD

The Nazis blame they are not responsible for famine conditions threatening occupied countries, but two or three weeks ago they drove 12,000 cattle from Alsace far into Germany.—(From the Edmonton Journal.)

War Commentary

R.A.F. VICTORIES TURKISH VICTORIES

There has been some attack on Turkish papers by Germany for the publication of the British victories over the Nazi Air Force...Why should we not publish these victories? Every such defeat of the Nazi Air Force reduces the striking power of Germany and increases the chances for free countries to stand up against aggression by the bully...R.A.F. victories are also Turkish victories. — "Yenisabah", Istanbul, Turkey.

BRITAIN MIGHTIER YET

The strongest impression today is the feeling how recently the war began in earnest for Great Britain, and how enormous are her reserves which are only now really mobilised. If Hitler ever speculated on Britain making peace after the breakdown of France, historians of the future may pardon him, for certainly there is something about Britain which he could never understand. The possibility of a British defeat has never entered the thoughts of the average Briton, in spite of Germany's successive conquests on the Continent. The results of the war show the British man in the street that Britain has secured what she needs to be victorious — a long war.—Dagens Nyheter, Stockholm, Sweden.

AN ARCHBISHOP ON "CONCHIES"

"If a man is called up and refuses to serve (on conscientious or other grounds) he should be put at once in the same financial position as if he were serving in the Forces. He ought not to gain financially by his refusal to serve his country."—Archbishop of York.

MUST WIN OR QUIT

The Prussian never fights for a principle, but only for purposes of aggression, or perhaps we might say that aggression itself is the only principle he recognizes. The result is that as soon as he feels that his purpose of aggression is defeated, he sees no reason why he should fight a moment longer.—A.R.C. in London Sunday Times, Eng.

In the recent Red Cross campaign for funds Stouffville raised over \$3,000. This is an excellent showing for a village of 1200 people. The individual donations were published in the Stouffville weekly paper.

Newtonbrook News Items

The Auxiliary of the W.M.S. will hold its Autumn Thankoffering meeting next Tuesday, October 22nd at 2:30 p.m. at the home of Mrs. A. W. Galbraith, 5630 Yonge St. Dr. Margaret McKellar, formerly of India, will be the guest speaker. The women of the church are cordially invited.

The Thankoffering meeting of the Girls' Mission Circle will be held next Tuesday evening, October 22nd at 8 o'clock at the parsonage. Dr. Margaret McKellar, who spent 40 years in India as a medical doctor, will give the address. The young ladies of the community are invited to this meeting. Visitors welcome.

A goodly number of the members of the Young People's Union attended the Y.P.U. Rally in Richmond Hill on Wednesday evening. The Mission Band held its Thanksgiving meeting last Saturday afternoon with almost forty in attendance. The president, Reta Hurd, presided. Those taking part in the Thanksgiving devotional service were Margaret Adair, Elise Wells and Gordon Hurd. Mrs. Halbert gave a picture talk on the "Angelus" by Millet. Mrs. E. Pearson also gave a message on "Thanksgiving". A vocal duet by Nancy and Evelyn Gear was very much enjoyed by all. Billy Jack and Jean Lippett gave short readings. Arrangements were made for the Hallowe'en Party to be held on Saturday, October 26th.

The ladies of the United Church are holding a quilting at the S.S. room on Thursday afternoon at 1:30 for the Red Cross. Over thirty quilts have been made by the women of the church for the Red Cross.

Mr. and Mrs. J. Ferguson of Huntsville returned home last Saturday after visiting friends here.

Rev. Dr. and Mrs. W. Harold Young of Toronto, Mrs. Wm. A. Carson and Mrs. M. Winter of King City, Hon. G. S. and Mrs. Henry of Oriole, Mr. and Mrs. Chas. Diceman and Mr. and Mrs. E. Bowen of Teston were guests last Sunday of Rev. and Mrs. A. H. Halbert.

Mrs. M. Sutterby expects to move to her new home on Steele's Ave. at the end of the month.

Rev. Hugh Shannon of Queensville will preach in the United Church next Sunday evening. Rev. A. H. Halbert is preaching at an anniversary service for Rev. Shannon.

Mrs. M. Campbell and Mrs. Halbert attended the W.M.S. Fall Rally at St. James Bond United Church, Toronto, last Tuesday.

Mr. and Mrs. Jack Cleft of King City, Mr. and Mrs. J. R. MacKay, Betty and John MacKay of York Mills were guests last Sunday of Mr. and Mrs. Harry Smith.

The community was shocked last Saturday morning when word was received of the death of one of our respected citizens, Mr. George E. Underhill, manager of the Red & White Store at Newtonbrook. Mr. Underhill had a heart condition and was only ill a few days. To his wife and family we extend heartfelt sympathy.

The Centenary Services of Newtonbrook United Church concluded last Sunday with large congregations at both services. As on former Sundays the church was beautifully decorated with palms, ferns, gladioli and dahlias. Rev. W. Harold Young, M.A., D.D., of St. Paul's United Church, Toronto, was the special speaker at the morning service. He took for his text Exodus 14:15, "Speak unto the children of Israel that they go forward." This was God's command to Moses. There was great dissatisfaction in the ranks and the people had become discouraged. God still continues to lead his people today and throughout the present world's crisis. God has been very near and helped them out of grave difficulties. Rev. Dr. Young made mention of the deliverance of one-third of a million men last May at Dunkirk. Only a divine Providence made this possible with God on our side. He bids us go forward and victory will come. The Newtonbrook United Church choir led in the worship of praise and was assisted by the Gormley Male Quartet who sang three numbers very acceptably.

Rev. A. H. Halbert was in charge of the evening service and Rev. J. J. Ferguson, B.A., of Toronto, who was a pastor on the circuit over forty years ago, was the special speaker. He took for his text Romans 15:13, "Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope through the power of the Holy Ghost". He stressed the need of co-operation and unity in the nation's and churches' life and giving God his rightful place in our hearts

and lives. Knox male choir under the leadership of Mr. Gordon McGillivray, gave special music at the evening service and led in the singing of hymns which was very much appreciated by all.

Rev. Mr. Halbert expressed his sincere thanks to the ministers who preached, the choirs who contributed to the musical part of the services and to all the committees who were in charge of the Centenary Services for their hearty co-operation which had made the services such a great success.

The choir entertained the Knox male choir and their friends in the S.S. hall after the service, when all enjoyed a social cup of tea together. A vote of thanks was moved by Mr. G. McGillivray for their kind hospitality to which Rev. Mr. Halbert replied.

223 Crop Projects Sponsored in Ontario

1,113 farmers taking part in program of Ont. Crop Improvement Association.

There are 1,113 farmers and junior farmers in Ontario taking part in 223 projects sponsored by the Ontario Crop Improvement Association, states John D. MacLeod, Ont. Dept. of Agriculture, who is secretary of the Association. There are 40 branches of the Association and the approximate acreage under project work totals 1069 this year.

Combined oat and barley variety and fertility tests are being conducted on 169 farms. The majority of the plots are on an acre basis with recently introduced varieties being sown beside the farmer's own seed. Soil samples were taken for analysis and a portion of each plot fertilized as recommended.

Fifty-two farmers are conducting certified seed potato experiments on early and late varieties, while 180 are conducting tests with hybrid corn and open pollinated corn.

Improved hay and pasture mixtures are being tried out on 51 farms and a portion of each plot fertilized and seeded down.

Junior Farmer competitive fertility tests are being conducted on 30 farms while Junior Farmer grain, potato and corn clubs are conducting projects on 349 farms. The Crop Improvement Associations assisted in purchase of seed and payment of freight in the majority of cases.

Field crop competitions with oats and potatoes are under way on 175 farms, in co-operation with agricultural societies.

Other projects include testing of oat and barley mixtures; soil surveys; vegetable seeds; seed treatments; improved strains of clover and grasses; soybeans; early cutting of hay and use of tripods; summer and fall pasture mixtures; methods of seeding soybeans, clovers and grass seed.

CURE FOR DELUSIONS

Only cranks take offense at boyish exuberance, but when mere lads venture repeatedly into the lower strata of crime, they clearly are getting out of control. In many cases their criminal acts are inspired by nothing more than the urge to appear tough, to command the admiration or shocked disapproval of the pack. This urge may come from latent but misdirected gifts of leadership. It thrives on notoriety, but it has to be shown that it will stand up under humiliation. A strapping might provide this humiliation. Perhaps a spanking by a hefty policeman would be more effective. Anyway, it would provide a stern test for delusions of grandeur.—(From the Windsor Star.)

Victoria Is Popular In The Winter For Warm Weather And Summer Sports

Canada has an evergreen playground where snow is an ephemeral novelty, flowers bloom every month of the year and even in mid-winter the day's recreation can include yachting, tennis, hiking, lawn bowling, fishing or a round of golf over the fast, green fairways of any of a half dozen outstanding courses.

Victoria, centre of this beautiful British Columbia evergreen playground, has become in recent years an outstanding Canadian "winter" resort; this year it seems to be on the verge of its busiest season with international exchange offering Americans an attractive financial inducement of

ten per cent on their dollar, while Canadian lovers of mild weather will find that Vancouver Island has the only resort of this kind on the continent which they can visit now that holiday trips to the United States have been banned. The main competitive sports event of the season is the Empress Winter Golf Tournament which is held on well trimmed grassy fairways and greens at a time when other Canadian courses are several feet under the snow-drifts. This year's tournament, the 13th annual, will be held on the Oak Bay course, March 9 to 15. The outstanding social event of the season is Christmas at the

Empress Hotel where Canada's most-English city celebrates with the time-honored boar's head, yule logs, wassail bowl and carols. The contrast between Victoria and the rest of Canada in winter-time is particularly marked after a train trip through the Canadian Rockies, then at their loveliest in a mantle of ice and snow. Vancouver Island produces such rarities—rarities to the rest of Canada, that is— as strawberries in December, salmon fishing all winter long, new-born lambs in January and roses in February. The pictures above show the Empress Hotel, and typical "winter" scenes, hiking, golfing and yachting.
