Ballantyne of Toronto presented a series of messages throughout the week on the subject of Pilgrims Progress outlines by the rebuilding of the gates of Jerusalem under Nehemiah. The first gate, pastor Ballantyne revealed, was the sheep gate that through which all the offering of sacrifice were brought to atone for the sin of Israel. This gate pictures the Lord Jesus Christ as the Lamb of God that taketh away sin. This was the foundation upon which all Christian life and service is built, for other foundation priate solos. can any man build than that which is built even Jesus Christ and Him crucified. The next gate was the Fish gate and speaks of the next truth the Lord taught, follow Me and I will make you to become fishers of men. Much blessing was received by all who attended these services.
