HARRY BARBER SAYS INTEREST RATE TOO HIGH

Thinks Markham Township Paying Too High Rate to Bank

An interest rate of five per cent charged by the Bank for Township borrowing came in for strong criticism from Councillor Harry Barber at the inaugural meeting of Markham Township Council held at Unionville Monday afternoon. "There are municipalities getting a lower rate of interest which are not in as good financial shape as Markham," he said. The usual borrowing by-law was passed authorizing the borrowing of \$50,000 to meet current expenditures and the rate will be five per cent. The Township borrows from the Bank of Commerce at Unionville.

Reeve James Rennie sounded the keynote of economy at the opening meeting stating that he would like to see municipal taxation lowered as a help to those engaged in Agriculture. Deputy-Reeve Hooper took a similar view and expressed the hope some reduction might be possible. An expected drop in expenditure for relief and hospitalization might make such a reduction possible.

A resolution was passed authorizing all members of council to attend the Good Roads Association convention and the clerk instructed to pay members fee of \$5.00 for same. All members were also appointed to attend the convention of Rural Municipalities and will receive a similar fee of \$5.00 each from the Township.

No action was taken on request for grant from the Sick Children's Hospital and the Navy League. Constable Ben Gayman was re-appointed as Sanitary Inspector and his salary will be \$40 per year, an increase of \$15 over last year.

Reeve Rennie, Clerk and Treasurer Charles Hoover, W. F. Kincaid and Dr. MacKay will make up the Board of Health for 1941. The M.O.H. receives \$500 in remuneration and the members \$4.00 per meeting and any necessary travelling expenses.

Accounts passed included \$89.60 for hospitalization, Hoover and Roberts snow plowing \$271, Frank Roberts for sanding \$43.50, John Morton, Claremont, repairs to grader, \$205.85; Clerk and Treasurer, registering Births, Marriages and Deaths \$36.25.

RICHMOND HILL COUNCIL INAUGURAL

The inaugural session of Richmond Hill Council was brief, and following the formalities only routine business was transacted. Allan W. Walker was re-appointed as auditor, but all other appointments and the naming of committees were laid over for a special meeting which will be held this week.

CURLING NOTES

Stan Tyndall and Roy Wice will skip local rinks in the Tankard competition in Toronto Monday. This week district cup rinks won from Orangeville but were eliminated in the second round by Brampton.

There is keen interest in club games. Players are reminded that they should be at the rink sharp on time, and if unable to play should let the skip know early in the day so substitutes may be arranged. Schedule of games appears elsewhere in this issue.
