

Empires Newest Arsenal

From Suez to Singapore stretches a great theatre of war, vital to the British Empire. The destiny of Australia and New Zealand, of India, Burma and Malaya, of the East African and Far Eastern territories depends upon it.

The swift growth of India as a war supply centre for the whole of the Suez-Singapore area is one of the most remarkable signs of the British Empire's world-wide power and solidarity.

India is making rifles and machine guns, small arms ammunition, saddlery and blankets, armour plating and shells, artillery up to 6 in. guns and 6 in. howitzers, anti-aircraft guns and bombs and mines. Soon she will be making aeroplanes.

Since the beginning of the war India has sent overseas 100,000,000 rounds of small arms ammunition, 200,000 shells, 6,000 rifles, 4,500,000 sandbags, 3,000,000 yards of khaki drill, 150,000 pairs of boots, 20,000 greatcoats, and 20,000,000 yards of medical gauze.

All the present steel requirements of the Middle East and Iraq can be met by Indian steelworks.

Taking part in the program were Ruth Dooks, Doris Bell, Miss M. Shaw and Miss I. McKenzie.

King City News Items

The annual meeting of King City Cemetery Company will be held on January 25, 1941, at 2 p.m. Standard Time in the Masonic Hall, King, for the transaction of general business.

Oak Ridges Red Cross Branch held its annual meeting last week in St. John's Parish Hall. The Society is indebted to St. John's Church for the free use of the Parish Hall, except for special occasions during the sessions of regular meetings since the organization in October 1939. The annual report covered the period from October 1939 to December 31, 1940.

The receipts were \$1614.22. Expenses were \$667.43. Headquarters at Toronto received \$530.00 leaving a balance of \$566.79.

The total was raised, in part, by campaign, \$700; donations, \$263.38; Boys and Girls of Wilcox Lake raised \$106. Other means were followed for the balance of receipt effort. There are 218 members enrolled; 56 active members.

The officers elected were: Honorary President, Mrs. W. Hume; President, Mrs. S. C. Snively, (re-elected); 1st Vice-Pres., Mrs. John Chatterly; 2nd Vice-Pres., Mrs. Dean Langley; 3rd Vice-Pres., Mr. G. Golding, (men's section); Rec. Sec., Mrs. Fred Hare; Cor. Sec., Mrs. Donald Frisby; Treasurer, Mrs. W. J. Whitten; Conveners: War Work, Mrs. J. Wells; Wool, Mrs. Cole Graham; Publications, Mrs. Nelson Thompson.

List of articles turned in: 312 prs. socks, 58 sweaters, 55 prs. wristlets, 36 scarves, 22 helmets, 12 bed pads, 13 gowns, 12 pneumonia jackets, 12 T bands, 43 pillow cases, 86 pairs pyjamas, 6 complete layettes; 80 refugee garments made from remnants. Quilts have also been made.

Temperanceville W.I. will sponsor a euchre in interests of British War Victims' Fund, on January 21st at Mrs. F. Burnett's home.

Mrs. Nelson Thompson gave an interesting paper before Temperanceville W.I. last week on the subject, "Why should a women's organization have a committee on agriculture?" First because women have always been deeply interested in the matter and have always worked along with men as wage earners of the industry. They want to know about proficiency, the cost of production, the present price levels and the present and future markets. They are vitally interested in the helping in the war and many feel as price of butter is pegged, then labour should be also pegged.

King Township Golden Wedding
Of township interest was the fiftieth wedding anniversary of Mr. and Mrs. Alfred Lloyd of Schomberg on Tuesday, January 14th. Mr. and Mrs. Lloyd were at home to their many friends during the afternoon and evening; among those present were their two children, Gladstone Lloyd, Postmaster of Schomberg; Mrs. Harry Carter (Myrtle) of Lloydtown and five grandchildren; Mr. E. C. Shrigley of Windsor, who is Mrs. Lloyd's brother; Mrs. Thos. Brown and Mrs. N. Greenlees, sisters of Mr. Lloyd. The three latter were guests at the wedding in 1891. The couple are very widely known descending from old and esteemed families.

Before the war of American Independence a Susan Lloyd married a Shrigley in Pennsylvania; these families having migrated from Wales and England to America. Whether

or not the incident had anything to do with a Lloyd-Shrigley union in Canada more than 100 years later is hard to say. We do know that Alfred Lloyd, grandson of the Loyalist pioneer, Jesse Lloyd of Lloydtown, fell in love with the charming personality of Elizabeth Shrigley from Newmarket, when she became the teacher at S.S. 15, Lloydtown. Elizabeth was one of three teachers in her family; her brother, E. C., is a retired teacher of Walkerville-Windsor Technical School.

They settled at farming until 1916, when they retired. They enjoy fairly good health and are quite active. While not inclined to seek public honours, Mr. Lloyd is a very worthy citizen. The history making circumstances in which the early Lloyds played an active part reflects in his interesting conversations. He has always been keenly interested in the United Church Board. Mrs. Lloyd, as a member of the same church, conducted a Young Ladies' class for over 20 years doing splendid service and sending many young women, well guided, out onto the Road of Life.

Their years have been worthwhile, some of these sad years and many of them glad. We hope the wheel of anniversary years keeps on turning for them, revealing good health and happiness to both.

On Wednesday, January 15th, open house and tea was held in the Red Cross rooms, Schomberg. A wide variety of knitted articles, garments, hospital supplies, refugee garments, etc. were on display from all parts of the township. Those fortunate enough to be present were gratified with the excellence of the display and appreciative of the efficiency of the staff and workers who are constantly at work at the quarters. Mrs. Burnel Graham and co-workers throughout the township are doing valuable war service.

During the two periods the ladies pouring tea were Mrs. Harvey Leonard, Mrs. J. Lister, Mrs. Geo. Hanlon, Mrs. M. K. Dillane, Mrs. J. McEwan, Mrs. Elwood Dale, Mrs. Roy Dixon, Mrs. E. Pearson, Mrs. Elmer Stonehouse, Mrs. Cecil Wood.

Miss M. Davis, Fisheries Dept., gave a demonstration on uses and preparation of fish before Schomberg Women's Institute last Thursday.

St. Andrew's W.M.S., Strange, met at the church last week hearing an inspirational program on The New Year. Mrs. F. Gray and Mrs. McClure gave readings. Plans for the year's work were begun.

Eversley Y.P.S. met at the home of Mrs. David McKie, Eaton Hall Farm on January 13th, in place of January 6th. Mrs. McKie has been appointed Superintendent of Eversley Mission Band.

Officers of Laskay W.M.S. were installed by Rev. D. G. Davis on January 8th.

Eversley W.M.S. will meet at Mrs. R. Gellatly's on Wednesday, January 29th.

Seven years ago the annual prayer week became an institution in this vicinity. The four services held at each of the four churches were according to our observation the best attended yet. The growing interest in the significance of prayer is being truly felt as it should be. The meetings were fervently attended, and the addresses by the ministers inspired deep thought. Schonberg, in similar services, felt the benefit of the spiritual messages. It is the intention of King City to continue mid weekly prayer meetings for some time, beginning Wednesday, January 15th in All Saints Anglican Church. The Baptist, United and Presbyterian churches will then alternate. The hour is 8.30 p.m. D.S.T. The service will not be lengthy but it needs your support and your prayers.

Laskay Sunday School annual meeting was held on January 10th. \$150 was raised, \$24 or more towards missions. 70 enrolled; 35 average attendance. Teachers are: Cradle Roll Supt., Vera Hunter; Superintendents, H. E. Ross, Lawrence Scott, P. Forrester; Secretary, Robert Watson; Treasurer, Earle Scott; Bible Class, yet to organize; Junior Bible Class, Geoffrey Whittle. Other teachers, Mrs. W. Boys, Mrs. J. Watson, Mrs. W. Bryson, Marshall McMurchy, Mrs. F. Boys. Pianist, Irene Marshall.

Mr. P. Forrester gave a New Year's message to Laskay United Y.P.U. pointing out that service to others was the supreme test of loyalty to Christ's teachings and example.

Newtonbrook

A quiet but pretty wedding took place at the United Church Parsonage last Thursday evening when Margaret Ann, eldest daughter of Mr. and Mrs. Neil McPhail of Finch Ave. East was united in marriage to John Henry Hargreaves of Toronto, son of Mr. and Mrs. Robert H. Hargreaves. Rev. A. H. Halbert officiated. The bride wore a costume of Queen's blue with hat to match. She was attended by Jessie Chapman of Toronto who wore a rose crepe costume with matching accessories. Mr. J. L. Hanes of Toronto was best man. We extend to Mr. and Mrs. Hargreaves best wishes for a long and happy wedded life.

Miss Gertrude Revill of Toronto Centre Presbytery Y.P.U. executive was guest speaker at the Young People's Union meeting last Monday evening which was held in the S.S. hall of the United Church. She gave a very informative address on the progress of Christianity in China. Christians are in great demand to fill positions of leadership, and even non-Christians were seeking them for tasks of great responsibility in this critical time of China's history. Miss Margaret Grisdale, missionary convener, was in charge of the meeting. Miss Frances Schmidt read the scripture lesson and prayer was offered by Miss Doris Newton.

An Officers' Conference for the Toronto Centre Suburban Area will be held in Newtonbrook United Church next Monday evening, January 20th at 8.15 p.m. Will each local Y.P. Union in this area please take note of this and plan to come. The Golden Rule Mission Band held their first meeting of the New Year last Saturday afternoon with a large attendance. The meeting opened with quiet music played by Jean Taylor and call to worship by the president followed by the Members Purpose in unison. Yvonne Hick recited from memory Psalm 23. Norma Walterhouse read the minutes. The offering was taken by Tommy Adair and the president gave the offertory prayer. Sylvia Taylor gave a piano solo. Mrs. Halbert explained the new poster. The theme for this year is "Worship". Thirteen members paid their fees and thirteen silver stars brightened the night sky on the poster. We hope to add many more stars at the next meeting on Saturday, January 25th. Lantern slides were shown on "The Seven Little Travellers" whose experiences were most interesting in the seven countries where they visited. Mrs. E. Pearson reviewed the study book chapter "Down Trinidad Way".

The death of Mr. Edward James Brett occurred at his home, 275 Winona Dr., Toronto, last Thursday, aged 70 years. The late Mr. Brett was born in Newfoundland and came to Newtonbrook with his wife and family of five girls and seven boys some years ago and lived on Petawawa Ave. He was a very active member in Newtonbrook United Church. For the past ten years he was an elder and was particularly interested in the Christian growth of the church and community. For the past two winters they made their home in Toronto. The funeral took place last Saturday from the Trull Funeral Home, North Yonge St. Rev. A. H. Halbert conducted the service and was assisted by Rev. Mark Fenwick, D.D., of Toronto. The pallbearers were six elders from Newtonbrook United Church, namely, Messrs. Harry Smith, Frank Summers, J. R. Smith, A. W. Galbraith, W. T. Wells and C. O. Bales. Interment took place in Westminster Memorial Park, Bathurst St.

REGISTRATION CARD TRAVELS 600 MILES IN CAR OF WHEAT

Dauphin, Manitoba—The story of a national registration certificate which travelled more than 600 miles before being returned to its owner is told by a resident of Valley River, a farming village eight miles northwest of Dauphin, thriving farming centre on the Canadian National Railways. Mike Morez, Valley River farmer, lost his registration card and had been more than a little worried about it. Days afterwards, G. P. Hassard, National grain elevator agent at Valley River, received the card from the Fort William Office of his company. The card had fallen into the grain pit at the elevator and had been recovered from a car of wheat in the Canadian National terminal at Fort William.
