WINTER SPORTS IN OLD-WORLD SETTING

Old Quebec City, whose four centuries of history have made it a favorite stopping place for summer tourists, has achieved equal prestige with the winter visitor in less than half a decade! The secret of this short cut to popularity lies in the sweeping growth of the ski habit, Quebec's glorious winter climate, its facilities for winter sports, and the snow-clad hills of Lac Beauport, 10 miles distant.

This year, with increased numbers of Canadians and Americans pointing their ski tips toward Quebec and Lac Beauport, the highlights of the Chateau Frontenac's gay winter sports season promise to shine more brightly than ever. Headquarters for the famous Ski Hawk School and its equally famous instructor, Fritz Loosli, the popular Canadian Pacific hostelery will feature a gay programme of skating, hockey, curling, tobogganing, ski-joring, sleigh-driving, and ski-ing on the historic Plains of Abraham. The annual Dog Derby is scheduled for the third week in February.

Connected by regular bus service from the Chateau Frontenac, Lac Beauport is a model ski development. It possesses a handsome new chalet, thrilling downhill runs, slalom courses and jumps of professional calibre. Mont Saint Castin, with twin slalom runs 2,200 feet long, 100 to 300 feet wide, and served by a ski-tow, is a rendez-vous for beginners and experts alike, while its neighboring Mont Tourbillon is reserved for the more seasoned ski artist. Here is located a professional ski jump, a downhill run of 4,000 feet and a 1,000-foot slalom run. Lac Beauport is also home of the scenic Sky Line Trail.

Ideal weather and snow conditions are the main assets of the Lac Beauport snow-bowl. Deep, dry powder-snow offers the most favorable of ski conditions throughout the winter, snow depths registering as much as six feet, and providing good ski-ing from December till April and sometimes early May.

Obtain Convictions In Fifty-Four Cases

Fruit Inspectors have perfect record in prosecutions in Eastern and Western Ont. Fines total \$1,075.

"Be sure you're right — then go ahead," might well be the motto of the Dominion Government Fruit Inspectors operating under the Ontario Dept. of Agriculture Farm Products Grades and Sales Act. These Ontario inspectors last year prosecuted a total of 54 cases for infringements of the Act and obtained a conviction in every case. Fines totalled \$1,075 and ranged from \$10 to \$100.

Two truckers who gave false information to inspectors under the Federal Fruit, Vegetables and Honey Act, paid a total of \$400 and costs. Truckers were the worse offenders in both Eastern and Western Ontario 23 being convicted for infractions. Nine were prosecuted in Eastern and 14 in Western Ont., a report just issued shows. Eleven growers were fined, as were ten wholesalers including six military depot contractors; five hucksters, two retailers and two used-basket dealers. Eastern Ont. provided 17 cases all told and Western Ont. 37.

Produce being offered for sale under minimum grade accounted for 22 cases, 20 of these being for apples. In fact, there were 34 cases dealing with apple infractions, including 3 below grade; overfacing two; marking six; false information to an inspector, breaking detention and non-standard packages each one.

Other infractions caught by the eagle-eyed inspectors under the direction of District Inspectors H. H. Ponton in Western Ont. and C. T. Stevenson, Eastern Ont. were short weight, failure to stop for inspection at highway inspection station, moving detained produce without authority, non-standard packages, pinched-in berry boxes, basket improperly filled, marks not effaced from used baskets offered for sale, and no marks at all.

Twenty-five dollars were set aside for the 1941 missionary budget at the annual meeting of the King United church Sunday school. The school has an enrolment of 100, with an average attendance of 65.

Mr. and Mrs. Alfred Lloyd of Schomberg celebrated their golden wedding on Tuesday, January 14th. The former is 81 and the latter 77. Both are natives of Ontario. They have two children, Gladstone, who is postmaster at Schomberg and Mrs. Harry Carter of Lloydtown. Mr. Lloyd is a grandson of Jesse Lloyd who pioneered and located the settlement of Lloydtown in the days of the rebellion in 1837. Lloyd was a staunch supporter of William Lyon Mackenzie.

Farm Magazine Reproduces Famous Animal Pictures

An announcement of unusual interest appears in the current issue of the Family Herald and Weekly Star. This magazine has secured the rights to reproduce, in full color, the now famous series of Dairy Cattle Pictures painted by Ross Butler, well-known agricultural artist. Of special interest to dairymen, breeders, junior farmers, teachers, etc., the series consists of eight paintings portraying the ideal cow and bull (approved by the breeders' associations) in the Holstein, Ayrshire, Jersey and Guernsey breeds. The pictures are 14" x 11" in size and are offered readers in sets of eight, postage paid, at a nominal cost within reach of all.

In making these pictures available to readers, the Family Herald and Weekly Star once more identifies itself with progressive farming. A leader in all matters pertaining to farming for over seventy years, the Family Herald has always disseminated many times more farming information... saved and made for its readers many more dollars... than any other magazine.

The timely offer of Ross Butler's Dairy Cattle Pictures will be welcomed by all who are interested in fine cattle and will be hailed as another milestone in the long list of services rendered by the Family Herald to its readers.

Woodbridge Council Inaugural Session

Approval of proposals to sign up with the Ontario Municipal Association and the Ontario Good Roads Association were two of several new departures instigated by Woodbridge council, meeting in the Town Hall for inaugural sessions Monday morning, January 13th, under Reeve A. B. Cousins.

Clerk E. W. Brown revealed it will be the municipality's first year as a member of the groups.

Council also moved for a modernization of another department by instructing the clerk to purchase a duplicate reproduction of the corporation's original seal to adorn town documents.

Grants made included \$25 to the Public Library, \$10 to the Sick Children's Hospital, and the second grant in five months to the Navy League, the latter a \$15 grant, an increase of 50 per cent over the last figure.

Committee chairmen appointed were as follows: Finance, Councillor John Watson; Public Services, Sewerage and Law Enforcement, Councillor Cecil Shannon; Fire, Water and Light, Councillor Fred A. Bagg; Roads, Bridges and Sidewalks, Councillor Wilfred R. Scott.

The following municipal officials were named by by-law: Auditors, for Village, Hydro, and School accounts, John A. Fraser and Alexander A. Mackenzie; Medical Officer of Health, Dr. G. D. McLean; Assessor, George W. Bagg; Board of Health appointee, to serve with the Reeve and M.O.H., Boyle Kellam; Weed Inspector, C. F. Lewis; Sanitary Inspector, C. F. Lewis; Poundkeeper, Edward Wild.

1941 meeting dates, declared council in an adopted resolution, will be different to those of recent years. This year, if the appointed Monday is a statutory holiday, council will meet on the following Monday. For several years council had met the following day, Tuesday, if the appointed Monday was a holiday.

Informing council that Woodbridge is now, for the first time, under provincial supervision in relief matters, the clerk reported that Constable Lewis is acting as relief inspector.

In future relief recipients will not necessarily be able to continue with the dairy they have previously dealt with. At the suggestion of Councillor Watson it was agreed the business be split between the two town dairies. The decision followed Councillor Bagg's declaration that his dairy is not at present serving any relief recipients.

Communications to council included one from an electrical product manufacturer, explaining a delay in the supply of 2,000 watt heater units for the waterworks pumping station.

Concluding the session members unanimously adopted a resolution expressing thanks to Ex-Reeve N. Geo. Wallace for his years of service.

CHANGE OF NAME

A person may change his given name or his surname so long as it is not done for some fraudulent or other improper purpose. The name by which your fiancé has been known in business for many years is, for all practical purposes, his proper name. If he wishes to have the name legally changed, he should consult a lawyer or clerk of the county or district court. An act respecting "Changing of Names" was passed by the Ontario parliament. It stated that "any person of the full age of 21 years, who is a British subject by birth or naturalization, except a married woman, may make an application for a change of name. The application is made to the judge of the county or district court in the district where applicant has resided for at least one year." The documents are filed with clerk of the court. To obtain a copy of the act apply to King's Printer, Parliament Buildings, Toronto.

St. Paul's, W.M.S.

The January meeting of the St. Paul's W.M.S., Vaughan, was held at the home of Mrs. T. Witherspoon with the president Mrs. H. Farr presiding. The meeting opened with hymn 437 followed by the Lord's Prayer and sentence prayers. The scripture reading was taken from 4th chapter Luke, verses 1-22, followed by hymn 386 and prayer by Mrs. H. Dooks and the minutes of the previous meeting. Treasurer's report business followed. Roll call was answered by a verse of a New Year hymn. There was a splendid attendance and several visitors we were glad to welcome. A devotional paper was given by Mrs. H. Dooks, our expectations of the New Year; and Gleanings from Glad Tidings by Mrs. E. Harris. Also a splendid talk by Mrs. J. Robson on the amazing people of China and what they have done and what we can learn from them. Hymn 461 was sung and Rev. Mr. Bowman closed the meeting with prayer and a social hour was spent. Lunch was served by hostess and committee.
