The first public opportunity to patronize the Telegram British War Victims Fund in King City will fall on Thursday, February 6th, 8 p.m. S.T. in McDonald & Wells Hall under the auspices of King Public School. Moving pictures, all in colour and sound will include beautiful scenes of Algonquin Park; Muskoka in autumn; the first engineer; the wild beaver at work; Royalty visits Canada, and others. These were taken and are being shown by Mr. Staples of the Staples Studio, Huntsville. The teachers and pupils have designed large posters and tickets and are doing all they can to encourage attendance. Your generosity is solicited. The hall has been donated for the occasion and so the proceeds will go into the KING BRITISH WAR VICTIMS FUND.

Peeler's R.O.P. Sired Barred Rocks

When you go to a hatchery to order chicks this spring find out what they have done in a breeding way to better the quality of their chicks and compare it with Peeler's.

During the past season we had the honor of filling an order received by the Dept. of Agriculture, Ottawa. This order was from a breeder in the Orange Free State, South Africa for 6 pullets and 2 cockerels. These had to be outstanding birds with good breeding. At New York in the Central Egg Laying Contest competing against many of the most prominent breeders in the United States we had the high Barred Rock pen.

At home this past season we made better records in R.O.P. than ever before. Qualified a larger per cent of birds with more eggs per bird.

Holstein Breeders Annual Meeting

On Wednesday of last week, the York County Holstein Club held its annual meeting in Richmond Hill with most of the business being transacted in the morning. President Geo. W. Henry of Todmorden presided and reported on the year's activities, including the annual banquet, field day and the Black and White Show at Markham Fair. He pointed out that the Directors had held ten meetings during the year and the paid-up membership of 106 was about twenty-five in excess of last year's high record.

Sec. Treas. E. F. Ramsay of Sharon reported a substantial increase in the balance as compared with 1939, after having sent a cheque for \$25.00 to the British War Victims Fund. Geo. C. Jackson of Downsview, 4th Vice Pres. of the Can. Holstein Association, outlined the work of the parent association and urged members to attend the annual meeting at Toronto on Feb. 5th.

Club Fieldman, Jos. Darlington of Todmorden, reported a very marked increase in sales during the past year and pointed out that 919 herd of Holsteins had been blood tested under the new policy of the Canadian Association. Federally-listed clean herds had increased from 26 to 40 and 120 herds had been tested under the area scheme in the Schomberg district. About 80 Holstein herds are under R.O.P. test in York County.

After lunch, Mr. N. J. Thomas of the Ontario Agricultural College gave a very interesting and enlightening address on pasture improvement recommending avoiding where possible, low swampy pastures which are low in feed value; breaking up, cleaning and re-seeding old pastures where land is tillable; using seed mixtures with a variety of hardy grasses that will survive with alfalfa to reduce bloating. He recommended six or seven lbs. per acre of orchard or brome grass as these grow well on through the season where timothy does not. Controlled pasture adds to the productivity by not cropping too closely nor yet allowing an excessive growth. Last year, with such succulent growth, some cut their pastures to make molasses silage and thus prevented the growth getting ahead of cattle.

The following directors were elected by ballot: Roy Barker, Woodbridge; Cameron Boake, Downsview; Archie Cameron, Woodbridge; Jos. Darlington, Todmorden; Rankin Kellam, Weston; S. B. Watson, Agincourt; J. S. Watson, Woodbridge; Thos. Kelly, Schomberg; Leroy Livingston, Woodbridge; Lloyd Turner, Stouffville; David McKie, King; Frank Ramsay, Sharon; Earl Riseborough, Elders Mills; Russell Snider, Kleinburg.

At the Directors' meeting which followed, the following officers were elected: President, Roy Barker, Woodbridge; Vice-Pres., Archie Cameron, Woodbridge; Sec.-Treas., E. F. Ramsay, Sharon.

It was decided to hold the annual banquet in March as usual and if possible in Agincourt this year.

WOMEN'S INSTITUTE

The regular meeting of the Women's Institute will be held in the Municipal Hall on Thursday, February 13th, at 3 p.m. This will be grandmother's day with Mrs. A. L. Phipps and Mrs. O. L. Wright in charge of the meeting. Roll call, "Cute sayings of children". Hostess, Mrs. R. S. Cooper.

Unionville Short Course Closes With Successful Banquet

Stressing the value of friendship, self-salesmanship and personality, Mr. J. W. Lawrence, Sales Director of the Borden Milk Co., gave a fitting address at the closing banquet of the Unionville Short Course on Friday evening last. Mr. Lawrence spoke in novel fashion and his speech was as fitting to old as well as young.

Mr. W. M. Cockburn acted as toastmaster and made everyone much at home with his humorous touch. One of the most talented soloists to appear in York County in some time in the person of Mrs. J. Denison, formerly with the B.B.C., gave several delightful numbers.

Toasts included one to the "Home-makers", proposed by Ray Tiffany of Milliken and responded to by Mrs. Betty Macklin of Agincourt; one to the "Heartbreakers", proposed by Ida Reesor of Markham and responded to by Mr. Jack Macklin of Agincourt; one to the staff by Miss Dorothy Stiver, Unionville and responded to by the instructresses, Miss Petty and Miss Hamilton, both of Toronto. Dick Hilliard, Assistant Representative, voiced a few words of thanks to all those helping to make the short course such a success.

Caterers for the evening were the Unionville Women's Institute. Auld Lang Syne and the National Anthem brought the evening to a close.
