Mr. and Mrs. John Cairns celebrated their 60th wedding anniversary on Sunday, February 9th. They received congratulations from many of their friends and neighbors both on Sunday and Monday. They were joined on Sunday by immediate family members, among them Mr. Thos. Cairns, a brother, and Mrs. William Green, a sister, from Aurora. Mr. Thomas Cairns is in his 92nd year, while the host is 86 and his good wife is 82 years old. Mr. and Mrs. Cairns have two children, Lena at home and Jim on the farm. There are five grandchildren. The couple have not the best of health but are able to be about and enjoy their friends' company. They are most hospitable and kind, and their comfortable home is always open with a warm greeting to all who come. Mr. and Mrs. Cairns farmed for many years at Eversley. Until recently, Mr. Cairns walked daily to his son's farm on the fourth of King helping him in various kinds of work. In the winter, cutting wood in the bush was one of his favourite pieces of work. Mrs. Cairns is an expert at needlework and knitting. There is always a handsome quilt in the frames, many of these finding their way into the missionary bale of King United Church. Mr. and Mrs. Cairns are ardent members of the United Church. Mr. Cairns has always upheld support and attendance of the church. They have deemed it their special privilege to promote the interests of the Christian church.

Mr. and Mrs. Wm. Carson observed their 38th wedding anniversary on Monday, February 10th. Forty dollars was the profit realized from the movie pictures sponsored by King Public School in aid of the British War Victims Fund on Friday last in McDonald & Wells' hall. The pictures, works of art, taken and shown by Mr. Staples of

Huntsville, were exceptionally fine and interesting to all. The scholars sang several numbers accompanied on the piano by Miss Patton. Miss Dennis, principal, expressed appreciation of the hearty community response.

The violent snow and wind storm over the week-end prevented several township churches from holding service on Sunday. The plow was working feverishly but lanes were blocked and sidewalks impassable. E. Burch on Sunday at Eversley.

Peelar's R.O.P. Sired Barred Rocks

When you go to a hatchery to order chicks this spring find out what they have done in a breeding way to better the quality of their chicks and compare it with Peelar's.

During the past season we had the honor of filling an order received by the Dept. of Agriculture, Ottawa. This order was from a breeder in the Orange Free State, South Africa for 6 pullets and 2 cockerels. These had to be outstanding birds with good breeding. At New York in the Central Egg Laying Contest competing against many of the most prominent breeders in the United States we had the high Barred Rock pen.

At home this past season we made better records in R.O.P. than ever before. Qualified a larger per cent of birds with more eggs per bird.
