Thornhill District News

Mr. Percy Bone was guest speaker at the last meeting of the North York Horticultural Society held in North York Township Hall, Willowdale. Splendid slides were shown of the well known garden of Mr. F. T. James and a detailed explanation of the garden in its various stages was given by Mr. Bone, all of which was greatly appreciated and much enjoyed by the members of the North York society.

Many young people from Thornhill Presbyterian Church will be entertained at a delightful Valentine party to be held Friday evening, February 14th at the home of Misses Ella and Hazel Welsh.

The W.A. of the Presbyterian Church met on Tuesday afternoon in the Sunday School room. At the close of the business meeting a delightful solo was rendered by Miss Ada Mizen, after which a dainty tea was served.

The funeral service of the late Eliza Winch, beloved wife of Hiram A. Connell who in her 77th year passed away at her residence Tuesday, Feb. 4th, was conducted at the Thornhill United Church on Friday afternoon by Rev. E. A. Currey and Rev. R. E. Morton. Mr. Floyd Davies presided at the organ. The deceased was a member of the church for the past number of years and an active member of the Women's Association, which organization attended the service in a body. She is survived by her husband and daughter Mrs. N. L. Morton of Thornhill and several grandchildren. The interment took place at Queensville cemetery.

Mrs. Cappy of New York, a sister of Mrs. Redmans, has been spending a number of days with her.

On Thursday, February 20th the Women's Institute will meet at the home of Mrs. B. Heslop at 2.30 p.m. The speaker will be Mrs. W. Fitzgerald and her subject "The History of Thornhill from its beginning up to 1820". Mrs. Fitzgerald has spent many months interviewing descendants of the early settlers and reading all the available history of this district and her address promises to be interesting and educational. Anyone interested in this subject is welcome to come along as a guest of anyone of the mem-

bers of the Institute.

The Federated Women's Institutes of Canada have undertaken to equip a ward in the Canadian Red Cross hospital in England and a special collection will be taken at this next meeting for this purpose.

The large crowds who gathered at the Lawrence Memorial Hall Thursday and Friday evenings last were well rewarded with a splendid entertainment by the children of the public school in their operetta "The Princess of Poppyland".

The fine programme consisted of numerous solo parts, Spanish, Scotch and Swedish dances, all of which were excellently done by the young performers who have been diligently training for the past number of months.

An outstanding feature of the evening was the Junior Rhythm Band trained by Miss Kirby and conducted by Miss Susan Swabey, who we might add had all the technique to be found in any band mistress. They were real charming in little red and black hats and real melody was produced by these somewhat odd but very entertaining instruments. Candy was sold by the pupils between acts and half of the total proceeds realized from the two evenings' performances will be used for war purposes.

At the close of the program Mrs. Pherrill thanked all those who had helped so willingly to make this affair such a huge success and particularly Mrs. Hickson for the great amount of time expended by her and Miss Beverley Bourne presented Mrs. Hickson with a lovely bouquet of roses, and the evening closed with The National Anthem.

Mr. N. Findlay of Kirkland Lake will be spending next week with his folks while he is participating in the Toronto Bonspiel.

Mr. and Mrs. A. Brillinger, Mr. and Mrs. C. Brillinger and Jimmie of Weston visited with Mr. and Mrs. L. Short of Toronto on Sunday.

The following is a correction in the annual report of the Thornhill branch of the Red Cross published last week. The total receipts should have read \$2452.71.

The Junior Red Cross will meet on Tuesday evening, February 18 at the home of Jean Brillinger.

The regular monthly meeting of the W.A. of the United Church was held on Wednesday afternoon at the home of Mrs. Bert Oke.

Thornhill Library Association
The annual meeting of the Thornhill Library Association was held on Tuesday evening, February 11th in the library room in the Public School. Usual reports presented and filed.
