Vegetable Seeds
Sent to Britain

Ont. Women's Institutes present 5000 packages of seeds to British W. I. for distribution.

Two thousand pounds (5,000 packages) of vegetable garden seeds are being forwarded by the Federated Women's Institutes of Ontario for distribution in Great Britain by the National Federation of Women's Institutes of Britain. The Ontario Women's Institutes have also forwarded a cheque for \$3,100.00 to the Ontario Red Cross Society for the purchase of a Field Kitchen for the British Home Office Fire Brigade Division, states Mrs. W. B. Leatherdale, Secretary-Treasurer. British Women's Institute garden plots will be planted this spring with peas, beans, carrots and onions and the resultant crops from this Canadian seed should total many tons of fresh vegetables filled with health-giving vitamins for the valient defenders of Great Britain. According to Mrs. Ernest Duke, Port Carling, President of the Federated Women's Institutes of Ontario, only vegetable varieties suitable to the English climate have been chosen. The money has been raised through the Central War Charities Fund of the Ontario Federation. The mobile field kitchen being purchased in Great Britain with the funds of the Ontario Women's Institutes is built on a four-ton chassis and has facilities for cooking full-course hot meals, cafeteria style. These field kitchens are urgently needed in areas suffering from bombing attacks and are a necessity in Britain's communal feeding plan on bombing fronts.

OBITUARY

MRS. M. EZARD
On Friday, February 7 the death occurred at Claireville of Mrs. Mark Ezard. Mrs. Ezard, who was in her 68th year, was the former Hannan Euphemia Smith. Predeceased by her husband, she died at the home of her daughter, Mrs. Milton Hewgill.

Following funeral services Monday afternoon at Claireville, Mrs. Ezard was buried in Nashville cemetery.

MRS. W. BRODIE
A native of the King area, Mrs. Amy H. Brodie died in Toronto on Sunday, February 9th in her 87th year. She had been ill for several weeks as a result of a fall down stairs. For the past 35 years she had lived in Toronto and was one of the oldest members of Simpson Ave. United Church. Her husband, the late William Brodie, was an employee of the customs department. Surviving are a daughter, Mrs. Alex Gunn of Toronto; two sons, Walter, of Newmarket and Oscar of Toronto; six grandchildren and eight great grandchildren. Funeral services Tuesday were followed by interment at Aurora.

PERCY MILLER
Percy Miller, father of Mrs. Geo. (Mavis) Jackson, of Thistleton, passed away in Toronto on Sunday, February 9th. Mr. Miller, a native of England resident in Canada for 32 years, was in his 56th year. He was a member of the board of managers of St. David's United Church since its inception and was active in the Sunday School there. A Mason, he was inspector at the airplane department of Arrow-Hart and Hege-man Company.

Surviving are his widow, a son, Frank, and three daughters, Mrs. R. (Jean) Hannagan, Miss Evelyn, both of Toronto, and Mrs. Jackson, of Thistleton.

Funeral services on Tuesday afternoon were followed by interment in Sanctuary Park cemetery, Weston.

Although there are no more industries located in Georgetown a shortage of housing accommodation is reported there. Last year 15 new houses were built in the town. On Monday, February 10, Mr. and Mrs. J. Cairns of King City celebrated their 60th wedding anniversary. 86 and 82 years old respectively, Mr. and Mrs. Cairns were both born in King. They were married in the village and retired to live there 13 years ago when they gave up farming. Mr. Cairns was a carpenter in his earlier days. The couple have two children, James, who now operates the farm, and Lena. One of the few surviving guests who attended the wedding 60 years ago is Mrs. Cairns' brother Tom, now in his 92nd year.

Publish Pamphlet
on Potato Growing

Profitable information contained in booklet issued by Ont. Dept. of Agriculture.

The results of four years' demonstration work with potatoes on 57 Ontario farms is contained in an eight-page pamphlet prepared by Dr. G. F. McRostie, profes or of Field Husbandry, O.A.C., Guelph, and N. M. Parks, Dominion Experimental Farm Service. This booklet published by the Ont. Dept. of Agriculture may be obtained free of charge from Agricultural Representatives or by writing the Statistics and Publications Branch, Ont. Dept. of Agriculture, Toronto.

The material obtained was the result of work by the Provincial and Federal Depts. of Agriculture, and potato growers in Middlesex, South Simcoe, York and Ontario counties. The booklet states Ontario grows approximately 30 per cent of the potato acreage in Canada and although the province as a whole is not particularly suited for potato growing, the potato is found on more farms than any other single crop.

Results obtained on experimental plots showed five factors contributing to success in potato production. These were as follows:

Certified seed of a suitable variety. A plentiful supply of plant food supplied through crop rotation, the use of barnyard manure, artificial fertilizers and green manure crops. Early planting. Efficient spraying. Proper methods of harvesting, grading, packaging and labelling.

This booklet will make interesting and profitable reading for every grower of potatoes.

Dr. O. D. Skelton, Under-Secretary of State for External Affairs who died at the wheel of his automobile in Ottawa on Jan. 28, was born in Orangeville. His father, Jeremiah Skelton was one of Orangeville's early school teachers. At an early age he went with his parents to live in Cornwall but later returned to attend Orangeville High School.

Notice to Creditors

All persons having claims against the Estate of LEVI GODDARD, late of the Township of Vaughan in the County of York, Farmer, deceased, who died at the said Township of Vaughan on the 14th day of March, 1940, are required to send details of the same verified by affidavit to the undersigned Solicitors for the Administratrix, on or before the 24th day of February, 1941, after which date the Estate will be distributed among the persons entitled thereto, having regard only to those claims of which the undersigned shall then have received notice. DATED this 1st day of February, 1941.

DESCRIPTION OF FARM

The farm is composed of 93 acres more or less and the land is a clay loam and is in a good state of cultivation. The farm is all workable and is situated in a good locality. On the farm is a large mud brick frame covered dwelling, 9 rooms and attic with cellar under all. There is also a furnace. There are two barns, one on a foundation and one log barn; implement shed, garage and stone hen pen, milk house, brooder house and woodshed. There is plenty of water as there is a drilled well, also a cistern. **TERMS OF SALE OF FARM:—**10 per cent on day of sale and balance in 30 days or a certain amount can be carried on a mortgage which will be made known on day of sale.
