SAVINGS DRIVE ENLISTS 201 FOR \$1321 PER MONTH

Campaign Continues for the
"Duration"

Dr. J. P. Wilson, chairman of the committee in charge of the War Savings Drive in Richmond Hill reports 201 pledges so far in the campaign which amounts to \$1,321.00 per month.

The opportunity to enroll as a regular war saver did not cease with the passing of the month of February but will continue for the "duration". The War Savings committee workers have made a careful canvass, but any who were missed are asked not to feel slighted as their pledge can be recorded if they communicate with any member of the committee. Members of the local committee are Dr. J. P. Wilson, E. D. Cunningham, Walter Scott, James Stewart.

From all parts of York County come very encouraging reports, and throughout Canada the response has been gratifying. Canada now has at least 1,600,000 regular war savers the National Campaign chairman announced this week. In his last appeal for continued effort Walter P. Zeller, national chairman, said:

"With a war expenditure of \$1,300,000,000, Canadian 'War Savers' are faced with a continuing challenge that we must keep ever before us. If we lose sight of our obligations here, we are in no different position to the sentry who goes to sleep at his post."

WAR VICTIMS FUND NOW HAS TOTAL OF \$171

Richmond Hill committee sponsors of the recent dance in aid of the British War Victims' Fund report proceeds of the dance and cash donations to date amount to \$171.00. This sum may be augmented by further donations before the cheque is sent in and it is possible the amount will exceed the \$200 mark. The committee gratefully acknowledge the generous support of all those who attended the dance and worked for its success, the many individuals and business firms contributing articles for the auction, and several cash donations.

At a Euchre and Bingo held in the Masonic Hall on Thursday, March 6th, sponsored by Empire L.O.B.A. and Victoria L.O.L. the sum of \$60 was raised for the Evening Telegram's Fund for British War Victims. The committee in charge wish to thank those merchants and citizens who so generously donated merchandise or cash, also Mr. F. Schisler who, acting as auctioneer, helped to make the evening a success. Prize winners: Euchre, Mrs. G. Masters, Miss G. Austin, Mr. B. Cook, Mr. R. Ball; Bingo, Mrs. W. Tyndall, Miss F. Manley, Mr. W. J. Taylor, Mr. W. Andrews.

COMPLETES HALF CENTURY AS AUCTIONEER

On March 8th, 1941, J. H. Prentice completed fifty years in the auctioneering business. Widely known in all parts of York County Mr. Prentice is now living in Toronto, is still active in business and has a large number of farm sales this spring. Despite fifty years' wielding the auctioneer's hammer he is hale, hearty and enjoying the best of health. His appearance and youthful vigour would be the envy of many a man of lesser years. Fifty years continuous auctioneering in one district is a record which we doubt can be equalled in Canada, and The Liberal joins with J. H.'s host of friends in wishing him many more years of health and activity. Visiting at our office Wednesday this veteran auctioneer recalled many interesting incidents in his long association with the people of York County. One year he had a total of 127 auction sales.

VICTORIA SQUARE NEWSY NOTES

There was an excellent attendance at Y.P.U. on Sunday evening when a most interesting and inspiring program was given by Miss Marion Boynton and her group. It being missionary night the theme was "Let us be doers and not hearers only." The scripture, Acts 4:1-20, was read by Miss Viola Avison with explanations of the scripture given by Miss Irene Beatty. Mr. Harold Henriks led in prayer and a reading entitled "Not Understood" given by Miss Ruby Avison proved most interesting as well as helpful. The Heise quartette favoured us with three selections which were indeed much enjoyed and appreciated by all. The topic so ably given by Miss Gooding of Gormley on "Missions" including the life and work of David Livingstone brought out many things for us to remember and to work for along this line.

The Y.P.U. are having a social evening in the Sunday School Monday evening, March 24th and are inviting Carrville Y.P.U. to spend the evening with them. A collection will be taken to help keep up the Y.P. funds. This evening is to be in charge of Andrew Forsan and his group. Come along and enjoy an evening of fun.

Next Sunday evening will be in charge of Mr. Harold Klinck. The topic is to be taken by Mr. Fraser Gee and music will be given by Mrs. Millicent Avison. All the Young People in the community as well as the older folks are welcome to come to these meetings.

JACKSON TAYLOR HEADS EAST VAUGHAN RATEPAYERS

At the annual meeting of the East Vaughan Ratepayers Association held in Richvale school Tuesday evening Jackson Taylor was elected as president, succeeding J. Warwick. Other officers are, vice-president, James Wark; treasurer, Mr. Johnston; secretary, Mrs. Weaver. The executive committee is Messrs. MacPherson, Rose, Drurie, Everingham, P. Sparks, Mrs. J. Taylor and Mrs. P. Sparks; entertainment committee, Messrs. Drurie, Sparks and Dickinson. Encouraging reports of the past year's activities were presented showing a substantial sum in the treasury after all accounts were paid. A resolution adopted made sons and daughters of members eligible for membership after reaching 18 years of age. Despite the unfavorable weather there was a large crowd in attendance. Mr. MacPherson presided for the election of officers.

CARS PARKED FOR TWO MILES AT EDGELEY AUCTION

Cars were parked for two miles on Number 7 Highway, well up the concession line and in every available corner in Edgeley last Saturday for the Frank Smith Estate sale of builders' supplies, tools and equipment. The crowd was so large it looked like Woodbridge Fair and two constables were busy looking after traffic. There were many juicy bargains but there were some fancy prices too as is the case at farm sales. A cross-cut saw sold for \$8, a hand saw brought \$4.25, a block and tackle \$16.00. Carl Saigeon, auctioneer, had a busy afternoon with the hundreds of articles to be sold, but bidding was brisk and everything was kept going in lively style and finished in good time. It was a most successful sale and the crowd has been the talk of the district ever since. Red Cross workers served coffee and hot dogs and did a fine business.

JOHN COLLINGWOOD READE TO ADDRESS HOLSTEIN CLUB

The annual banquet of the York County Holstein Club is being held at Agincourt this year, on St. Patrick's night, Monday, March 17, and according to the Directors, there promises to be a record crowd. President Roy Barker of Woodbridge advises us that the committee has secured as guest speaker, the popular radio commentator and newscaster, John Collingwood Reade, who will speak on "Democracy at War". Entertainment will be provided by a popular comedian of Toronto, playing to this group for the first time, and North York's own Marie Draper Lyons.

As the speaker must be back to the studio well in advance of his "good-night everybody" broadcast, the banquet is called for 6.15 standard or 7.15 daylight time in Heather Hall, Agincourt.

LIONS HEAR INSPIRING TALK ON "I OWE YOU"

District Governor G. E. Bennett of Oakville visited Richmond Hill Lions Club last Thursday evening and delivered an inspiring talk on the subject "I Owe You". The speaker dwelt on the debt we as citizens owe to the great men in music, art, literature, medicine, science and in fact all branches of human endeavour, and urged that our appreciation be shown in dedication of our talents for service to mankind. He stressed the importance of service clubs in a community and urged members continue their efforts on behalf of every good cause and in support of the many fine projects undertaken by Lions Clubs. He mentioned particularly the latest undertaking of Lions of Canada, which is the Princess Elizabeth Child War Victims Fund. The administration costs of this fund will be taken care of entirely by Lions Clubs, and every cent donated will be used for relief of child war victims in Britain. The fund just recently founded was started off with a \$3000 donation by St. Catharines Lions. The meeting was the climax of an attendance contest which was won by second vice-president L. A. Hill and his team. The winners were honored guests at a sumptuous turkey dinner. At the next Lions meeting Boy Scouts will be honored guests.

HORTICULTURAL NOTES

Friday, March 21st, 1941, the Society has arranged for an illustrated lecture to be held in the United Church School Room. The speaker is Doctor J. D. MacLachlan of Ontario Agricultural College, Guelph. His subject is "What goes on in the green plant." Doctor MacLachlan is highly recommended by the College and they state the slides are excellent so this should prove a very educational and interesting lecture. The public are invited to attend and the directors of the Society hope that the attendance will be large as they believe this will be one of the most interesting meetings the Society has sponsored.

At the annual convention of the North York Temperance Federation held at Vandorf last Friday resolutions were passed urging the closing of all beverage rooms, taverns and wine shops for the period of the war and demobilization, the prohibition of all liquor advertising save in places of manufacture, and the closing of the wet canteens in the army.

Another resolution called for a more rigid enforcement of the liquor laws in the County of York and the province of Ontario, expressing the belief that bootlegging was on the increase. Dr. J. P. Wilson of Richmond Hill is president of the Federation and Rev. H. E. Wellwood is secretary.
