RICHMOND HILL HIGH SCHOOL WAR EFFORT NOTES

The War Effort Committee has launched the school on a salvage campaign which has already brought forth marvellous results. All the pupils were to bring ten pounds of salvage or ten cents, and I can assure you, there were very few who failed to do their duty. The salvage on the most part consisted of newspapers, magazines, bottles, license plates, but we also received such varied things as shells and plough shares. Commercial contributed \$5 from their fund.

A War Savings Stamp Campaign has also been started with the aim of helping the programme along and several valuable prizes have already been offered to the pupils who sell the most. These will be presented at the Annual School Dance April 17. It is at present very important that the salvage should be moved, the entire school would be very grateful to anyone who would consider to volunteer the use of his truck. It is also urged that anyone wishing to contribute to our cause phone the High School and arrange for a day to collect the salvage.

At Christmas we sent Christmas boxes to boys on Active Service who had attended our High School. We have the addresses of many of them but we require the addresses yet of H. H. Palmer, R. Patrick, L. Middlemiss, R. J. Richardson.

RICHVALE SOCIAL CLUB

A Euchre and Dance will be held next Wednesday evening, April 2nd by the Social Club in Richvale School, Stop 22A Yonge St. Olde Tyme and Modern Dancing. Frank M. Falconer and his Weston Legionnaires of Weston will provide music. Euchre at 8.15 sharp. Good prizes. Everybody welcome.

OBITUARY

LATE MISS RUTH PORTER

The funeral of Miss Ruth Porter took place from her residence at Schomberg on Wednesday, March 26 with interment at Rich Hill Cemetery. For many years, Miss Porter was housekeeper at Mr. Geo. Archibald's, 8th line of King. She was a former school teacher in the township, having been educated at Newmarket High and Model School. She was the daughter of the late William Porter and Ann Armstrong and was born in King Township. Surviving are one brother Fred of Schomberg; a sister Kate at home, and four other sisters.

LATE MRS. MARGARET ELSON

The funeral of the late Mrs. Margaret Elson, who passed away at the Soldiers' Memorial Hospital, Tillsonburg Thursday, March 20, was held from Richmond Hill Presbyterian Church Saturday afternoon, March 22, and was largely attended by friends and relatives.

Born in Unionville July 21st, 1860 Mrs. Elson was the last surviving member of the family of the late Henry and Sarah Lunau. Her husband, the late Arthur P. Elson, predeceased her twelve years ago.

For many years they farmed on the third concession of Markham, and moved to Richmond Hill in 1922. Until a couple of years ago Mrs. Elson lived on Roseview Avenue, and since then has made her home with her sons. On February 24th she suffered a broken hip and was taken to the Tillsonburg Hospital. Pneumonia developed and she passed away Mar. 20th. Surviving are her two sons, H. P. Elson of Courtland, and J. P. Elson of Guelph.

The funeral service was conducted by Rev. Edgar Birch of the Presbyterian church assisted by Rev. Austin Lunau of Toronto. The pallbearers were: I. D. Ramer, Chas. Clark, Percy Quantz, W. Lupau, R. Cuttance of Richmond Hill and Herbert Smith of Markham Township. Interment followed in Richmond Hill cemetery.

LATE MRS. JAMES T. BURNS

The death of Mrs. James T. Burns of Kinghorn occurred on Monday morning at the home of her daughter, Mrs. Gordon Duncan, Don Mills Road, following an attack of pneumonia. Mrs. Burns was 78 years old and was formerly Jimena Ross, daughter of the late Donald Ross of Ingersoll, Ont. At the age of nine she and her sister Eva came to the Burns farm at Kinghorn where she has since resided except for some years at Manitoulin Island. Almost 55 years ago she married James T. Burns, prosperous lumber mill owner and farmer. To them were born 6 children, 5 of whom are living. One daughter, Mrs. Hartley Duncan, passed away several years ago. Surviving are Mrs. Gordon Duncan, of Don Mills; Ross of Manitoulin, William of Listowel, Harold of Toronto, and John on the farm at Kinghorn. There are 8 grandchildren. Two sisters also are left, Mrs. Sutton of

Six Agencies Ministering To The Needs of Our Fighting Men Make Joint Appeal to Canadian People

Harry E. Lambert of Newmarket Chairman for North York Drive — Reeve Thomas H. Trench Heads Richmond Hill Committee — Organization to be Set Up in All Communities

"What?, not another canvas for funds," you say. Yes, and if inclined to feel overburdened just think for a moment of the people in Britain who have nightly bombings, or the people of Hitler-ridden Europe who have lost every last bit of everything which makes life worth living. It may not be such a pleasant task to keep giving, or to again take the beat up and down the street or concession asking for cash subscriptions, but it is a whole lot easier than the job many are called upon to do in this war for our freedom. It compares very favorably with the job of a fireman in bomb-torn London. It is easy compared with the task of the soldier, the sailor or the airman who daily risks his life in this life struggle against Hitlerism.

This appeal is for those men who have given up the comforts and enjoyment of home life to don the King's uniform. They are far from the home fireside, and such comforts as can be given them in their grim task are supplied by the organizations which are now appealing to Canadians for support of the Canadian War Services Fund. We must not fail the brave sons of Canada who are on the fighting front for us.

The drive which opened this week with an address by that good-will ambassador Wendell Wilkie, is a combined appeal for six war service organizations, each of which would otherwise conduct a separate campaign as was done last year. These groups — the Salvation Army, Y.M.C.A., Canadian Legion, Knights of Columbus, Y.W.C.A. and the I.O.D.E. — have each been allotted to certain camps or areas so that there is no duplication of effort to provide the hot tea and buns, games, recreation centres, writing material, educational classes, concerts, etc. for our boys on active service or in training.

At the last minute before the opening of the campaign, it was decided that York County should be divided into two districts and Harry E. Lambert of Newmarket was persuaded to take the chairmanship for that part of York County north of Steeles Corners, taking in from Markham and Vaughan north. Mr. Lambert is at present organizing the various municipalities for the canvass and has received an encouraging response. W. M. Cockburn, Agricultural Representative, and W. L. Bosworth, Newmarket, have been enlisted as Vice-chairmen for North York.

As this is the only appeal that will be made by these war service bodies this year, the public is asked to give at least as much as their total contributions to the various appeals last year. With the prospect of our boys becoming engaged in more active combat and the forces being enlarged, the need is even greater. Our boys are offering their lives, surely we can show our appreciation by giving liberally. If there is no collector contacts you, go to your banker or to the general chairman, or to the editorial office of this paper. Various plans of payment are arranged by mail or through the banks for donations in cash or by monthly payments.

Help the committee put over this drive to provide homes away from home for our boys in khaki. We can't let them down.

The fund is under Governmental scrutiny and of the \$5-500,000 required, our share in North York is \$18,000. This is not a savings account — it is honest-to-goodness war charity with no interest except the interest in seeing our boys well cared for.

Reeve Thomas H. Trench has been appointed chairman for Richmond Hill and councillor R. D. Little, vice-president of the Lions Club has been named as Secretary. They appeal for volunteers to enlist on this committee to help the men who have enlisted to defend Canada. A general meeting of all interested in helping along this very worthy cause in this community will be held in the Council Chambers next Wednesday evening, April 2nd at 8 p.m.

To achieve victory we must prove worthy of victory. Giving of our money for necessary war work is a very easy assignment in this terrible conflict. We are confident that Richmond Hill, and every community in York County will make a ready, a cheerful and a generous response to this appeal on behalf of those who minister to the needs of our fighting men.

Simcoe, Mrs. Ramsay of Hamilton and a brother, Thomas J. Ross of Saskatchewan.

Mrs. Burns, like her deceased husband, was a highly respected citizen and having spent the greater part of her life here, had many warm friends. Mr. Burns predeceased her 3 years ago.

The funeral took place from her late residence on Wednesday, March 26th, Rev. M. E. Burch of St. Andrew's Presbyterian Church of which she was a member, officiated. Interment was made in Aurora cemetery. Sympathy is extended to the bereaved family.

PUPILS TO PLANT TREES

The Reforestation Committee of York County, with the co-operation of the school inspectors and Agricultural Representative, have arranged to distribute a number of trees from the Forestry Station at Midhurst to the pupils of the rural schools of York County north of and including Vaughan and Markham Townships.

JERSEY CLUB TO MEET

The York County Jersey Club has completed plans for their annual meeting to be held in the Department of Agriculture, Newmarket, on Monday next, March 31st, with a business session commencing at 10 a.m. standard time. After the noon luncheon, they will be addressed by Jas. Bremner, Sec. of the Canadian Jersey Cattle Club, who will also show some motion pictures featuring Jersey cattle. C. D. Graham of Brampton, Agricultural Representative for Peel, will also address the Club.

The Directors of the York Club attended the annual meeting of the Peel Club on Saturday at Brampton.

LIONS SPONSOR HOBBY SHOW

Richmond Hill Lions Club will sponsor a Hobby Show here Saturday, April 19th. There will be prizes for all kinds of arts and handicrafts and boys and girls are urged to start now in preparation. A prize list will be available soon. There will be a small admission charge to the show and proceeds are for a fund to aid in providing summer camp facilities.

We are very sorry to hear of the death of Mr. Jesse Cook of Stouffville. Jess spent several years of his life with his mother and father in the home now owned by Mr. Cakebread. He was a friend of all who knew him, from the wee tots to the oldest, one who always had a cheery word and a smile no matter where you met him. The sympathy of this community goes to his widow, his sister Mrs. N. Gayman and family in the loss of a loving husband, brother and uncle and all those who mourn the loss of such a kind friend.

Mr. and Mrs. R. E. Sanderson had tea with Mrs. W. F. Nichols and Mrs. Ratcliffe on Sunday evening.

A social evening was held by the Y.P.U. in the basement of the Sunday School on Monday evening when the Y.P.U. from Carrville visited us. The evening was spent in progressive crokinole and relay races. Last Friday evening the J.F.A. and J.W.I. held a party in the Community Hall. The evening was spent in progressive crokinole and euchre followed by dancing. A fair number present, and there are still young folk in the community who don't attend our parties regardless of whether we have them in the Hall or church, and they are people who haven't small children for an excuse. It would be nice if for once we could all get together for a good time. The prizes on Friday evening went to: Crokinole, Ladies, 1st, Mrs. Walter Hill; Consolation, Miss Eloise Perkins; Gents, 1st, Mr. Eric Lofkrantz; Consolation, Mr. Nelson Boynton. Euchre, Ladies, 1st, Mrs. John Snider; Consolation, Mrs. W.

Trussell; Gents, 1st, Mr. Adam Brown; Consolation, Mr. James Valliere.

Congratulations to Mr. and Mrs. Meryl Morris of Bradford (nee Ruth Caseley) on the birth of a son Wayne Donald. Mr. Morris is one of the Queen's Own Reg. now stationed at New Brunswick. Mrs. E. Caseley is spending a few days with her daughter and granddaughter, who are doing fine.

We are sorry to report that Misses Joy Mortson and Evelyn Barber are both keeping company with the epidemic of measles going its rounds.

On Tuesday evening, March 25 Mr. and Mrs. Lorne Perkins and family of Toronto entertained Mr. Perkins' brother and family and their families for tea along with his mother, Mrs. H. M. Perkins, who celebrated her 80th birthday on that date. Congratulations and best wishes are extended from the community to her for years yet in this journey of life.

There was a good attendance at Y.P.U. on Sunday evening when a very interesting meeting was planned by Miss Irene Beatty and her group. Miss Peggy McKay favoured us with a lovely solo and a reading was given by Bonnie Robertson. Mr. Frank Brumwell in his topic brought out many interesting facts on "Photography".

Next Sunday evening will be in charge of Mr. Andrew Forsan and his group. Please do not forget the offering to be taken to buy War Savings Certificates payable to the United Church of Canada. Let us have a good attendance.

Junior Farmers Club meeting has been postponed until Tuesday, April 8th.

A three-act comedy will be presented by the Lansing Y.P.U. Monday, April 7th in the Community Hall under the auspices of Victoria Square Institute. There will also be a lucky draw for the quilt the same evening. Proceeds to go to the Red Cross Society.
