They Rely on You

For the things that are not given to a fighting man with his uniform . . . things that are not part of his military equipment . . . things of the spirit . . . Canada's fighting sons, wherever they may be, rely on you.

The Government provides them with uniforms, rifles, ammunition—but for comforts—recreations and wholesome opportunity to make their precious moments of leisure a genuine boon . . . they rely on you.

Of course you help to buy airplanes, guns, ships, tanks—BUT for the things that express to the soldier the affection and thoughtfulness of the folks back home . . . he relies on you.

Six great national organizations labour unceasingly to provide him with those things.

They can do it only with your money.

Your money started this work—your money is needed to carry it on.

The need is urgent. Be generous.

Let the volunteer helper who calls on you carry back your pledge of fullest support for our fighting men.

THE BOYS RELY ON THE FOLKS BACK HOME
