Ont. Gov. Hog Subsidy In Effect on May 5th

Will be paid on hog carcasses grading "A" and "B1" in approved plants, states Hon. P. M. Dewan, Ontario Minister of Agriculture.

The Ontario Government hog subsidy of \$1 per hog carcass grading "A", and 50 cents per hog carcass grading "B1" will apply on all hogs slaughtered in approved plants on and after Monday, May 5th. This subsidy will apply on hog carcasses graded in packing plants where a Dominion Government hog grader is in charge of grading operations, or in smaller plants which have been approved by the Ontario Minister of Agriculture and for which a certificate of approval has been granted. These plants will have their own graders who have also been approved by the Minister, but they will work in co-operation with and under the direction and supervision of the Dominion hog graders. Grading will be done according to the standards as defined in Dominion hog grading regulations so there will be a uniformity in all grading operations.

Hon. P. M. Dewan, Ontario Minister of Agriculture, in announcing the date when the subsidy comes into effect, cautions farmers applying for the subsidy to make sure that the purchasing plant has government recognition as outlined above.

(What the farmer must do)

To secure the subsidy the farmer must have his hogs identified so that the carcasses can be graded and a grading certificate issued in his name. In addition he must obtain from the drover, packing plant or shipper, this grading certificate signed by the grader, naming the grades of the carcasses marketed.

The next step is to secure an application form from either his shipper, packing plant or Agricultural Representative, and fill it out. He then attaches all grading statements he has received to the application form and mails both to the Hog Subsidy Division, Ontario Department of Agriculture, Parliament Buildings, Toronto.

It is most important to remember that all grading certificates and applications for subsidy must be forwarded to the Dept. of Agriculture at Toronto within sixty days of the time the certificates are issued.

HAMILTON TORONTO SUDBURY WINNIPEG VANCOUVER

Brampton Win-the-War Committee has voted \$5,000.00 to the War Services Campaign now in progress in Peel County. The objective for the entire county is twenty thousand dollars.

At Gananoque 18 men charged with keeping slot machines, pin ball games and punch boards paid a total of \$1,298 in fines and costs. From many parts of Ontario have been coming reports of similar convictions.

Incomplete returns show that \$846.50, donated by 169 contributors, has so far been turned in by canvassers for the Woodbridge Canadian War Services Fund drive. Reporting these figures, Roy Blake, campaign secretary, expressed confidence that the \$1,000 objective will be reached. Several teams, some covering local industries, have yet to report, he said. Mr. Blake pointed out that the money received so far represents an average of more than \$5 per contributor.
