DISTRICT POSTAL DIRECTOR SPEAKER AT LIONS CLUB

A. M. Gibson, Toronto District Postal Director was the speaker at the regular meeting of the Richmond Hill Lions Club last Thursday evening. Reviewing the postal history of Canada the speaker pointed out that the first Post Office was opened in Canada in 1857, and today there are over 12,500 Post Offices serving the people of Canada. The first rural mail delivery was in 1903 and today in Canada there are over 4500 mail routes serving the rural sections of the Dominion. The introduction of Air Mail has speedily developed since first introduced in 1927, and today there are eleven mails daily from the airport at Malton. Mr. Gibson told of the new methods of transporting soldiers' mail via the air routes. To conserve space and reduce weight, soldiers' letters are photographed and carried by plane in film form, and redeveloped to their natural size before delivery. In this way thousands of letters are carried in the very small space of a roll of film. The address by the District Director of Mail Services was very much enjoyed by the members and several questions were asked and cheerfully answered.

TICKET OFFICE PAINTED

The ticket office at the Fair Grounds was brightened this week with a new coat of paint in preparation for Fair Day next Saturday.

PLAN VICTORY LOAN CAMPAIGN IN NORTH YORK

Resolute and fired with the high spirit of patriotic endeavour the people of Canada welcome the forthcoming Victory Loan as a personal opportunity to "do something" real in the war. Not with battle-dress and weapons of our gallant troops, but armed with dollars and resources the great citizens army is swinging into action.

York County, like all other districts across the Dominion, is preparing to do its full share in "providing the tools" to finish the job. An organization has been set up under the able leadership of Capt. Aubrey Davis of Newmarket and every community in North York will be well organized in the drive to put the Victory Loan over the top.

Money is needed to keep up the supply of ships, planes, guns and tanks, to keep the flow of war equipment flowing in ever-increasing quantity to our gallant forces, the defenders of our way-of-life. Every dollar you lend, brings nearer the day of victory.

The following committee organization has been appointed for North York:

Sales Committee: Aubrey Davis, Newmarket, Ont., (Chairman); R. H. Corner, Pefferlaw, Ont.; Major A. A. MacKenzie, Woodbridge, Ont.; Wm. Sisman, Aurora, Ont.

Special Names Committee: Aubrey Davis, Newmarket, Ont.; R. H. Corner, Pefferlaw, Ont.; Major A. A. MacKenzie, Woodbridge, Ont.; Wm. Sisman, Aurora, Ont.

LOOK FOR LARGE ENTRY IN HORSE SHOW SATURDAY

Saturday, May 24th will be like "Old Home Week" celebration in Richmond Hill as people from far and near come here for the 92nd annual Richmond Hill Fair. It's a great day for renewing old acquaintances, and there will be many re-unions of old friends and associates, many who haven't seen each other since "last twenty-fourth".

The Horse Show this year promises to be one of the best in many years. Entries have been coming in in large numbers during the past week and the showing of the various classes in the ring will be interesting with the keen competition anticipated. Entries are from prominent horsemen in this district, and many centres throughout York and neighbouring counties. Entries have been received from points as far distant as Kitchener. President F. S. Tyndall and Vice-president R. L. Stiver, chairman of the Horse classes are very optimistic concerning the Horse Show this year.

Mr. O. D. Robinson who directs Saddle and Hurdle events assures us this morning that some of the best horses in the province will be competing in the jumping events.

The afternoon program also will include a military display by the Jeeen's York Rangers, Ladies Softball, races for the children and many feature attractions. J. S. McNair, in charge of concessions, reports the midway will have all the usual features and the night attraction is the big Wrestling Show in the Arena starting at 9 o'clock.

Meet your friends at the Fair on Saturday.

MRS. CHADWICK INJURED IN MOTOR ACCIDENT IS PROGRESSING FAVORABLY

Mrs. George Chadwick, Church Street, Richmond Hill, who is in the Toronto General Hospital suffering from injuries received in a motor accident in North Toronto Tuesday evening, is reported this morning as progressing favorably. Mrs. Chadwick suffered a broken arm as well as cuts and bruises when the car she was driving was in collision with a car driven by W. McMillan, St. Clair Ave., Toronto, at the intersection of Jedburgh Road and Melrose Avenue. Mrs. Chadwick's car was thrown on its side against a tree at the south-west corner and citizens and police were about twenty minutes freeing the injured woman. She was rushed to the General Hospital, and her many friends will be pleased to know that there are no serious injuries other than the broken arm, and it is hoped she will be able to return home soon. The Chadwick car was very badly wrecked.

VICTORIA SQUARE NEWSY NOTES

The W.M.S. services were well attended on Sunday, there being 86 out in the afternoon when Rev. J. C. McKay, a returned missionary from India, brought the message with Miss Burwash of Agincourt rendering two splendid solos. In the evening there were 75 present to hear Mrs. J. C. McKay who brought a very educational address on the lives of the folk of India. We were also favoured with two lovely solos by our own Miss Peggy McKay.

Mr. and Mrs. Wesley Boynton and Miss Stoven all of Port Perry were Sunday visitors in the town calling on several old friends.

Mr. Percy Hagerman was another out-of-town guest. We are always glad to welcome home the old boys and girls of our community.

Mr. and Mrs. Cripps of Milton, Mr. and Mrs. Cree of Jarvis, Mr. and Mrs. Rolph Perkins, Eloise and Coral all were Sunday guests of Mr. and Mrs. Donald Pickering.

The Mission Circle meets on Friday evening, May 23rd at the home of Mrs. Cecil Nichols. All the junior girls of the community are invited to attend.

The executive of the J.W.I. met at the home of Mrs. Martin Styromo on Monday evening to plan the program for the coming year. There are several items entirely new for this year so plan now not to miss a meeting, and how about joining this organization. You can carry on on the other fellow's quarter, but your's would help to lift the Institute to a higher and better level, so how about a little co-operation. We have heard the District Annual is to be on Wednesday, June 4th at Richmond Hill. Perhaps we will receive more definite word before our regular meeting, which will be June 3rd.

We hope we will have more word by next week. However, plan to attend, whether a member or not.

The W.A. convention proved to be quite successful. About 150 guests were served at dinner after a very interesting and educational morning session on our own work through business and reports, which usually takes up the morning session. In the afternoon we were very fortunate in having Rev. Harold Young to speak to us on "Our Bible". It is too bad more from the surrounding country did not hear him, as most of our guests were from Toronto, folk who can take a street car and hear these ministers of whom we hear a lot about.
